Fukuyama, Todd D. Sevig, 1999-07-28 Fukuyama and Sevig have compiled a significant volume that underscores the importance of counselors addressing clients' spiritual values and experiences in the context of providing culturally competent services One of the primary strengths of this book is that it is reader-friendly as the authors are quite skillful in blending scholarly and personal perspectives throughout I would highly recommend this book to counselors supervisors academicians researchers and students who wish to expand their understanding of the impact of spiritual issues in the lives of culturally diverse clients Madonna G Constantine Columbia University Finally A book that examines the interface between spirituality and multiculturalism Mary Fukuyama and Todd Sevig have created a timely masterpiece that provides a holistic view of multiculturalism one that integrates spirituality into its fabric The authors appropriately cover less-known spiritual paths such as Native American and Afrocentric perspectives The chapter on developmental models of the spiritual journey is especially useful to counselors and other helping professionals The authors also tackle the challenging question of positive and negative expressions of spirituality The self-awareness questions in each chapter prompt readers to examine their own spiritual and multicultural experiences and beliefs Numerous case examples stimulate helping professionals to grapple with realistic and multifaceted issues that their clients face The integration of materials from diverse spiritual and multicultural perspectives makes this book a unique reference for anyone who is interested in this topic As Fukuyama and Sevig note spirituality is highly subjective and dynamic their goal is to identify and explore good questions rather than propose definitive answers The authors have succeeded in their goal I highly recommend their book to counselors and all helping professionals for all counseling is multicultural and spirituality is an essential component of the human experience Pamela Highlen Ohio State University In today's world multicultural contact and the search for meaning go hand in hand This book provides an

overview of spiritual and multicultural processes that will challenge and energize professionals who desire to engage in the complexities of the postmodern world The authors propose that integrating spiritual values into multicultural learning and exploring spirituality from multicultural perspectives are synergistic and mutually reciprocal processes Chapter topics include understanding multicultural worldviews and developmental models of the spiritual journey integrating spiritual and multicultural competencies clarifying healthy and unhealthy expressions of spirituality exploring spiritual issues expressed through pain and loss as well as needs for power and creativity Understanding counseling process issues including ethical concerns and integrating spiritual interventions into one's own counseling style A Biblical Counseling Process Lauren Whitman, 2021-10-04 What makes counseling biblical What does the biblical counseling process entail What is the focus of each stage of the process Lauren Whitman an experienced CCEF counselor addresses these questions and more in A Biblical Counseling Process sharing a process from start to finish that will help guide counselors in reaching the hearts of

Making Christian Counseling More Christ Centered Rick W. Marrs Ph.D., 2019-09-13 Many Christian counselors and pastors want to bring Christ's Gospel and forgiveness into their soul care but don't know how Luther's very Christ centered theology based in his desire for care of souls can provide us with that foundation Various techniques flowing from that foundation are shared Martin Luther formulated his proclamation of the message of Scripture for his contemporaries between the poles of God's voice in the pages of the Bible and the needs and afflictions of his hearers and readers Marrs brings twenty first century readers into that exchange and demonstrates how Luther's insights into the gospel of Jesus Christ

help bring healing and comfort to those struggling with guilt shame fear loneliness and other spiritual afflictions in our day This volume provides those who are engaged in conversation with the troubled and distressed rich resources for fostering peace and joy in the midst of such trouble and distress Robert Kolb PhD professor of systematic theology emeritus Concordia Seminary Saint Louis USA If all good theology is pastoral in its orientation then this groundbreaking practical biblical study is well worth careful consideration by any pastor or Christian counsellor In it Marrs engages in a conversation with the teaching of Luther as a Christ centered pastoral theologian and the practical insights of psychologists on the personal care of their clients with a special emphasis on Luther s insistence on the need to distinguish between law and gospel in the proper application of God s gracious word with the delivery of soul care to God s people John W Kleinig PhD Professor Emeritus Australian Lutheran College University of Divinity Adelaide South Australia **Counselling Couples in Pain** Cho Choon Heng,2003 **Counseling the Hard Cases** Stuart Scott,Heath Lambert,2012 Real life stories from the counseling and medical field about the sufficiency of God s resources in Scripture to bring help hope and healing to difficult psychiatric diagnoses from bipolar and obsessive compulsive disorders to postpartum depression panic attacks etc **The Passion of Possibility** Ingolf U. Dalferth,2023-02-20 For Kierkegaard the most important thing in life is to become a single individual or a true self We are all born as human beings but this makes us only members of a crowd not true selves To become a true self we must transcend what we are at any given time and orient ourselves to the possible and to the actuality of the possible to which all that is possible owes itself True selves exist only in becoming they are fragile and that is their strength They are not grounded by their own activities but in a reality extra se the flip side of which is a deep passivity that underlies all their activity and allows them to continually leave themselves and move beyond their respective actualities toward the new and the possible Therefore without the passion of possibility there is no truly single individual This study of Kierkegaard s post metaphysical theology outlines his existential phenomenology of the self by exploring in three parts what Kierkegaard has to say about the sense of self finitude uniqueness self interpretation and alienation about selfless passion anxiety trust hope and true love and about how to become a true self a Christian in Christendom and a neighbor of God s neighbors

Gospel-Centered Family Counseling Robert W. PhD Kellemen,2020-09-15 Pastors and counselors regularly minister to people whose marriages or families are in crisis Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray Pastors and counselors need practical biblical help in order to connect their theological training to the reality of modern messy relationships These how to training manuals provide relevant user friendly equipping for pastors counselors lay leaders educators and students enabling them to competently and compassionately relate God s Word to marriage and family life **Homosexuality FAQs - A Christian Perspective eBook** Daniel Lim & Ian Toh,□□□□□□□□ □,2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in

racine speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should we see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore **There Is Now No Condemnation** Beryl I. Cowthran Ph.D.,2021-06-02 In a world of moral relativism Christian counselors often struggle to address 21st century issues which have barged right into the church In unprecedented times pastors parishioners and counselors must come together to face these challenges head on Identifying areas where the counselor and counselee can agree to disagree as well as those areas where they cannot afford not to agree is of utmost importance for reaching answers to some of the toughest issues in counseling Moral and cultural relativism often widen the gap between resolution and problem Christian counselors are

tasked with sorting out the entangled web of distortion concerning what is idealistic and what is realistic The process of addressing hot topics such as abortion artificial intelligence racism same sex marriage sexual orientation and a growing list of other things requires a compassionate approach without compromise of the Word of God and also without condemnation The equilibrium necessary to accomplish this delicate balance of delivering compassion without compromise and condemnation is achieved through proper application of the Holy Scriptures There Is Now No Condemnation 21st Century Christian Counseling Without Compromise is a guide for understanding the counselor counselee relationship and a tool for exploring a comparative analysis between worldly relativism and God s absolutism The need for salvation the work of justification and the ongoing process of sanctification are stressed in this work These fundamental pillars of the Christian faith are important not only for successful Christian living but also for successful counseling

Living Wisdom, Revised and Expanded David G. Benner, 2019-07-24 Much more than knowledge or even understanding wisdom is seeing life through the eyes of an awakened heart and transformed consciousness Rather than being the result of the accumulation of information wisdom comes from acquiring a new mind Buddhists speak of this new mind as enlightenment The Christian name for it is the mind and heart of Christ This is the basis of wisdom Wisdom is grounded in a deep awareness of the sacredness and interconnectedness of everything in existence It is living in alignment with the creative Spirit of Wisdom who inhabits all of creation and is our truest and deepest self It is learning to participate in God s transformational agenda of cosmic whole making this being the way in which everything that exists becomes whole in Christ This book does not offer gems of wisdom Instead it seeks to facilitate the awakening of your heart and transformation of your consciousness that will allow wisdom to flow from depths
