Maness, 2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the in visibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination

raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy *Essential Social Psychology* Richard J Crisp, Rhianon N Turner, 2007-02-22 The book gives an accessible and thorough grounding in the key concepts the fundamentals the essentials of social psychology while providing a lively introduction to the major theoretical debates new approaches and findings in the discipline It focuses on theory and basic level empirical demonstrations for of the key phenomena along with discussion of current research and application to real world issues Publisher's website *Love, Justice, and Autonomy* Rachel Fedock, Michael Kühler, Raja Rosenhagen, 2020-12-28 Philosophers have long been interested in love and its general role in morality This volume focuses on and explores the complex relation between love and justice as it appears within loving relationships between lovers and their wider social context and the broader political realm Special attention is paid to the ensuing challenge of understanding and respecting the lovers personal autonomy in all three contexts Accordingly the essays in this volume are divided into three thematic sections Section I aims at shedding further light on conceptual and practical issues concerning the compatibility or incompatibility of love and justice within relationships of love For example are loving relations inherently unjust Might love require justice Or do love and justice belong to distinct moral domains The essays in Section II consider the relation between the lovers on the one hand and their broader societal environment on the other Specifically how exactly are love and impartiality related Are they compatible or not Is it unjust to favor one's beloved Finally Section III looks at the political dimensions of love and justice How for instance do various accounts of love inform how we are to relate to our fellow citizens If love is taken to play an important role in fostering or hindering the development of personal autonomy what are the political implications that need to be addressed and how In addressing these questions this book engenders a better understanding both of conceptual and practical issues regarding the relation between love justice and autonomy as well as their broader societal and political implications It will be of interest to advanced students and scholars working on the philosophy of love from ethical political and psychological angles **Rational Woman** Raia Prokhovnik, 2012-11-12 To feminists and some postmodernists reason emotion and man woman represent two fundamental polarities fixed deep within Western philosophy and reflected in the structures of our languages and two sets of hierarchical power relations in patriarchal society Raia Prokhovnik challenges the tradition of dualism and argues that rational woman need no longer be a contradiction in terms Prokhovnik examines in turn the nature of dichotomy its problems and an alternative the reason

emotion dichotomy dichotomies central to the man woman dualism such as sex gender and the heterosexualist norm

psychology as well as evolutionary psychology to meet the needs of students *Ambiguous Pleasures* Rachel Spronk, 2012-05-01 Among both male and female young urban professionals in Nairobi sexuality is a key to achieving a modern identity. These young men and women see themselves as the avant garde of a new Africa while they also express the recurring worry of how to combine an African identity with the new lifestyles with which they are experimenting. By focusing on public debates and their preoccupations with issues of African heritage, gerontocratic power relations and conventional morality on the one hand and personal sexual relationships, intimacy and self-perceptions on the other, this study works out the complexities of sexuality and culture in the context of modernity in an African society. It moves beyond an investigation of a health or development perspective of sexuality and instead examines desire, pleasure and eroticism, revealing new insights into the methodology and theory of the study of sexuality within the social sciences. Sexuality serves as a prism for analysing how social developments generate new notions of self in postcolonial Kenya and is a crucial component towards understanding the way people recognize and deal with modern changes in their personal lives **New Literature on Women**, 1996
