Love Like You've Never Been Hurt Jentezen Franklin, Cherise Franklin, 2018-03-06 The human heart was created with a great capacity to love But along with that comes a great capacity to feel pain There is no denying that those who love us who are closest to us can wound us the most profoundly That kind of pain can be difficult if not impossible to overcome And it can feel even more impossible to continue loving in the face of it Yet that is exactly what we are called to do Sharing his own story of personal pain pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength courage and motivation to set aside the hurt see others as God sees them and reach out in love Through biblical and modern day stories he discusses different types of relational disappointment and heartache and answers questions such as Why should I trust again and How can I ever really forgive The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope receiving healing and feeling love Here are the tools and inspiration you need to tear down those walls work through your wounds repair damaged relationships and learn to love like you've never been hurt

The HEAR Process Deborah Moncrief, 2020-09-01 Studies show that how we deal with our hurts will make or break the relationship connection The HEAR Process provides a predictably productive positive effective and truly healing way to deal with hurts and conflict By consistently applying this process to our communication we will be set free from the hurts that inevitably occur in any long term relationship This healing leads to forgiveness and the removal of anger and bitterness This results in experiencing emotional freedom that relieves the hopeless helpless feeling that often leaves us feeling desperate The HEAR Process contains the solution for becoming masterful at dealing with conflict In resolving conflict there is a lot of information published about what not to do in our communication The HEAR Process is an intentional communication tool that sets you up for success to heal broken relationships This tool shows you exactly what to do to break out of all the bad habits that destroy good communication Unresolved hurts cause anger avoidance and defensiveness that block the joy in our relationships Even if there have been unresolved issues for years this process breaks through the walls of pain bringing understanding healing and safety to relationships This process allows the conflict to be used to grow our ability to know one another deeper As we grow in knowing one another we can love one another better The HEAR Process is a structured brief therapy approach to be used in a clinical setting or at home without a therapist present This transformative technique will solidify your confidence in handling the most difficult issues in personal relationships or in your relationship counseling The HEAR Process has a proven record over the decades of being effective when used in relationships including marriages friendships siblings parent child

Paxson, 2023-12-15 Finally some sensible advice and caring encouragement when it comes to those who tend to give in to temptation and for those who suffer for their bad decision making Pastor Larry Paxson a twenty four year veteran of relational Christian counseling shares insights into the healing process There is so much confusion about why we do such dumb things even when we know it will crush a relationship or a loved one s heart And the only excuses that are given over and over are I don t know why I did it I guess I just wasn t thinking it meant nothing to me I didn t mean to hurt anyone that is not who I am I would never hurt my significant other but they do and did They break hearts and end the trust that has been built over the years in the relationship It is almost like they were listening to someone s whispers and were under their spell to do wrong And the realization is that is exactly what happened In this book we will come to realize just how it happens and why Reading this book could be the one thing that will keep your marriage together One Step from Stupid Living Life with One Finger on the Dumb Button is a must read for couples who are struggling in their relationships for church counselors and pastors who do Christian counseling It is for anyone who accepts the challenge of trying to hold together a marriage or a relationship instead of following the way of our culture and just ending it After all it is so much easier than working on it trying to make it better than it ever was before Yes it is possible for a complete healing of the relationship We just need to know how It is not from being one step from stupid and pushing the dumb button again and giving up The Power to Love John C. Billy Burnette,2010-11-30 Most all our relationships go something like this Even though you can see something good in the other person you only get glimpses of the good It is like being in a jail cell next to each other reaching through the bars to hold hands maybe even steal a kiss but you cannot embrace that good person Some go so far as to have sex but not really embrace like most married couples are doing today Most of us have taken that risk taken the chance on a relationship with that special someone However too often one or the other gets hurt feels frustrated and walks away without trying to understand why this is happening It hurts so bad it feels like your insides are being torn out of your body This is not a physical pain but the spiritual and emotional separation that hurts physically Somewhere through the pain we make up our minds consciously or subconsciously that no one will ever hurt us like that again Jesus said to confess our sins to one another so that we may be healed We usually try to bury our pain and think we have forgiven our offenders Jesus way is to deal directly with the pain Rose Kennedy was a smart women she said It has been said time heals all wounds I do not agree The wounds remain In time the mind protecting its sanity covers them with scar tissue and the pain lessons but is never gone Jesus did not come to tell us how to live with our pain He came to heal us of the pain **Before Love Can Heal** Chuck Carrington,2025-05 Before Love Can Heal is a transformative guide for Christian spouses facing the painful reality of

13 Weeks to Love Jennifer Jill Schwirzer, 2015-01

Somewhere along the line, a bond fractured or at least twisted into a malfunctioning tangle. You regret it but cannot seem to fix it. If this sounds achingly familiar to you just now, then take courage for God knows how to help the brokenhearted. Isaiah prophesied that the Messiah would come to give beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness. Isaiah 61:3 NKJV. God gave Himself to show us an unimaginable kind of love. In *13 Weeks to Love*, author and speaker Jennifer Jill Schwirzer shows how to live God's love and how doing so fulfills the purpose for which He created us. God is love, and we, as His image bearers, possess the capacity for love. Because love is fundamental to life itself and because it's all we'll really care about in the end, let's care about it now. Let's make it our first study, our science, our song.
