Ministry That Transforms Kathleen McAlpin,2009 Ministry is transformative action As Christians when we do something in service engaging the needs of our sisters and brothers in the name of Jesus Christ we minister for the reign of God The Romero House volunteers whose narratives undergird this volume actively construct a theology of ministry while undergoing a powerful sense of personal transformation Anyone involved in ministry whether in formation programs in parishes or in social justice activities will welcome this creative process oriented framework for ministerial theology and faith development a framework that is firmly

grounded in the minister's grassroots experience **Essential Writings** Gustavo Gutiérrez, Part of The Making of Modern Theology series this thorough introduction includes in one volume the whole range of Gutierrez's thought biblical theological methodological and historical This work also features a select bibliography of works by and on Gutierrez **The Christian Faith** Michael Horton, 2011-01-04 Theology the study of God is a concern for every believer not just theologians or those in ministry It's the goal of good theology to humble us before the triune God of majesty as we come to understand him better This is a book of and about good theology Award winning author theologian and professor Michael Horton wrote The Christian Faith as a book of systematic theology and doctrine that can be preached experienced and lived as well as understood clarified and articulated It's written for a growing cast of pilgrims in ministry and laity who are interested in learning about Christ as a way of living as a Christian Who understand that knowing doctrine and walking in practical Christianity are not competing interests The Christian Faith is divided into six parts five of which each focus on an aspect of God while the first part sets up an understanding and appreciation for the task of theology itself addressing topics like The source of theology where the idea of theology comes from and what its limits are The origin of the canon how the modern Bible came about and why we can trust it The character of theology is the nature of theology practical theoretical or can it be both In a manner equally as welcoming to professors pastors students and armchair theologians Horton has organized this volume in a readable fashion that includes a variety of learning features A brief synopsis of biblical passages that inform certain doctrines Surveys of past and current theologies with contemporary emphasis on exegetical philosophical practical and theological questions Substantial interaction with various Christian movements within the Protestant Catholic and Orthodoxy traditions as well as the hermeneutical issues raised by postmodernity Charts sidebars questions for discussion and an extensive bibliography divided into different entry levels and topics At the heart of this book is a deep love for and curiosity about God Its basic argument is that a personal relationship with God goes hand in hand with the pursuit of theology It isn't possible to know God without studying him Faith Beyond the Divide: A Christian Reflection on the Separation of Church and Hate Mirabel Grey, 2025-10-04 For millions of people of faith something feels broken not with God but with how religion has been twisted Weaponized by fear Hijacked by politics Preached with judgment instead of love Faith Beyond the Divide A Christian Reflection on the Separation of Church and Hate is a bold and healing manifesto for those who know Jesus was never about power but about compassion Drawing deep inspiration from Fugelsang's viral message of reclaiming the Bible from fundamentalists and political extremism this book offers a soulful reflection on what it truly means to follow Jesus in an age of division With clarity conviction and care this book unpacks the core issues that are driving people away from church Why the gospel of love has been replaced by fear and control How Christian nationalism distorts the teachings of Christ The harm done to LGBTQ people immigrants women and seekers in the name of religion And how to rediscover a faith that welcomes heals and transforms Each chapter is a conversation honest unflinching but full of hope

Whether you're a believer burned by the church a spiritual seeker or someone trying to reconcile faith with justice Faith Beyond the Divide offers a vision of Christianity rooted in love not legalism This is not a book of rage It's a book of restoration If John Fugelsang's Separation of Church and Hate woke you up this book will walk with you It's time to reclaim the Jesus who broke rules to heal people welcomed outsiders and flipped tables not to control but to free Faith Beyond the Divide is for everyone ready to believe again but differently More honestly More bravely And more like Jesus
