Love Of A Stranger:

A Stranger's Love Laura Martin, 2011-07-15 You may be sweet but you're not innocent Bethany told herself she didn't care what Chad Alington thought of her He was a perfect stranger too perfect in fact a tall dark handsome millionaire with a stubborn streak which matched Bethany's So who would win the battle of wills Bethany had tried life as a rich man's plaything and now she was determined to live the simple life No frills or fuss and definitely no men But Chad had other ideas

Love and Politics Jeffery L. Nicholas, 2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros *Love and Politics* Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers

faced and resolved the challenges of daily life This Handbook introduces readers to significant topics in the thriving conversation and the rich diversity in the academic community studying Deuteronomy **For the Love of a Stranger** Erin Pizzey,1996 Here are the unforgettable life journeys that take two fascinating women from the serene countryside of Ireland to the nightclubs of New York and the life threatening dangers of war ravaged Europe Together and apart Anna and Mary Rose travel a tumultuous road through the pains and joys of love and marriage romance and passion and the search for true friendship **Love from a Stranger** ,1923 *God and the Problems of Love* Kelly James Clark,2023-12-06 Religious believers are often commanded to love like God On classical accounts God seems a poor model for human beings an immutable and impassable being seems incapable of the kind of episodic emotion sympathy empathy that seems required for the best sorts of human love Models more conducive to human love on the other hand are often rejected because they seem to limit God s power and glory This Element looks first at God and then divine love within the Abrahamic traditions Islam Christianity and Judaism It will then turn to love and the problem of hell which is argued as primarily a problem for Christians The author discusses the kind of love each tradition asks of humans and wonders given recent work in the relevant cognitive and social sciences if such love is even humanly possible This title is also available as Open Access on Cambridge Core **Black Market Truth** Sharon Kaye,2008-10-27 Vatican Inspector Domenico Conti is called to St Paul s Basilica in Rome the morning after a break in that leaves the sarcophagus empty and its guard dead Conti is told to find the perpetrators but more importantly to recover the contents of the tomb Dr Dana McCarter newly appointed director of the Advanced Institute for the Study of Antiquity at NYU has her own secrets Her groundbreaking work on the Ancient Greek philosopher Aristotle was cause for her appointment to head the billion dollar initiative to unearth the secret roots of Western civilization What no one suspects is that her success is based on an addiction to illegal trafficking in black market manuscripts When a mysterious stranger gives Dana a tantalizing glimpse of a truly surprising scroll she becomes obsessed with tracking down its source Conti follows the trail of deceit to Dana s doorstep and the two form an unlikely team each with their own motives for recovering the scrolls which turn out to be five of Aristotle s lost dialogues In their battle for the scrolls Conti and Dana must confront their own demons as well as two powerfully evil forces the Dionysian cultists who want to keep the scrolls hidden and the Muslim jihadists who want to reveal them in order to discredit Christianity once and for all

Atonement and Ethics in 1 John Christopher Armitage,2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text s birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one s neighbour This book

examines five key words from 1 John hilasmos sfazo anthropoktonos agape and adelphos looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle

Jesus or Nietzsche Raymond Angelo Belliotti, 2013 This book reconstructs the cornerstones of Jesus's moral teachings about how to lead a good even exemplary human life It does so in a way that is compatible with the most prominent competing versions of the historical Jesus The work also contrast Jesus understanding of the best way to lead our lives with that of Friedrich Nietzsche Both Jesus and Nietzsche were self consciously moral revolutionaries Jesus refashioned the imperatives of Jewish law to conform to what he was firmly convinced was the divine will Nietzsche aspired to transvalue the dominant values of his time which themselves were influenced greatly by Christianity in service of what he took to be a higher vision The interplay of these radical versions of the good human life seasoned with critical commentary emerging from modern findings in the sciences and humanities opens possibilities and lines of inquiry that can inform our choices in answering that enduring paramount question How should we live our lives
