Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch's indulgence shielded from repression in an unstable time of armada and reformation But the author's identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare's Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk's learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi *A Dramatistic Analysis of Unmarried Mothers* Thomas Gerard Endres,1986 Tangled Souls Jane Dismore,2022-02-17 Outrageously handsome witty and clever Harry Cust was reputed to be one of the great womanisers of the late Victorian era In 1893 while a Member of Parliament he caused public scandal by his affair with artist and poet Nina Welby Gregory When she revealed she was pregnant horror swept through their circle known as the Souls a cultured mostly aristocratic group of writers artists and politicians who also rubbed shoulders with luminaries such as Oscar Wilde and H G Wells For the rest of their lives Harry and Nina would fight to rebuild their reputations and maintain the marriage they were pressurised to enter In Tangled Souls acclaimed biographer Jane Dismore tells the tumultuous story of the romance which threatened to tear apart this distinguished group of friends revealing pre war society at its most colourful and most conflicted *The Brazilian Millionaire's Love-Child* Anne Mather,2015-08-17 Isobel has never forgotten the night Brazilian millionaire Alejandro Cabral took her innocence The image of Alejandro's sexy body has left a lifelong impression on her as did his seed He will never know he has a daughter Until three years later when Isobel is led right back to Alejandro and she's shocked He's a changed man He's still utterly sexy but a terrible car accident has left him scarred brooding and bitter What's more he's deliberately lured Isobel to Brazil because he knows all about his child *The Publishers' Trade List Annual* ,1983 *Maddie's Love-Child* Miranda Lee,2011-07-15 FROM HERE TO PATERNITY She wanted a baby but not a man After Miles met Maddie she stayed on his mind In the end he returned to Australia to get Maddie out of his system by bedding her for six months or so marriage would never be a part of his agenda Which suited Maddie just fine She adored men but had no faith in them and no intention of marrying either But she did want a baby And Miles had all the qualities Maddie wanted in the father of her child brains breeding and beauty Not that she would ever let him know FROM HERE TO PATERNITY men who find their way to fatherhood by fair means by foul or even by default *Lastingness* Nicholas Delbanco,2011-01-24 America grows older yet stays focused on its young Whatever hill we try to climb we're over it by fifty and should that hill involve entertainment or athletics we're finished long before But if younger is better it doesn't appear that youngest is best we want our teachers doctors generals and presidents to have

reached a certain age In context after context and contest after contest we re more than a little conflicted about elders of the tribe when is it right to honor them and when to say step aside In Lastingness Nicholas Delbanco one of America s most celebrated men of letters profiles great geniuses in the fields of visual art literature and music Monet Verdi O Keeffe Yeats among others searching for the answers to why some artists work diminishes with age while others reaches its peak Both an intellectual inquiry into the essence of aging and creativity and a personal journey of discovery this is a brilliant exploration of what determines what one needs to do to keep the habits of creation and achievement alive **English Journal** ,1973
