The Lady and the Poet Michael Campbell, 2007-04 Save me oh save me I m all out of dreams Walking through Heaven s zone on 25th Street Cars are the fashion parading under neon lights Faces through tinted glass tell their stories of life You stare you frown and swear and I smile back at you Billions of stars will fall before the night is through South of Main and Hollywood is 25th Street Liquid gold in glasses is always in our reach You can soar for days and days because the magic is good Feel the fire in our veins we re the joke of the neighborhood I search to find a place to bury my head Deep within my thoughts on the night edge Lovers sending messages through crystal eyes Passing the sights unknown we want to ask Give me another shot of that whiskey man Fill up my dreamer s glass with my only friend South of Main and Hollywood is 25th Street Liquid gold in glasses is always in our reach You can soar for days because the magic is good Feel the fire in our veins we re the joke of the neighborhood

Ignored by virtually everyone upon its release in November 1968 The Kinks Are The Village Green Preservation Society is
now seen as one of the best British albums ever recorded Here Andy Miller traces the perilous circumstances surrounding its
creation and celebrates the timeless perfectly crafted songs pieced together by a band who were on the verge of
disintegration and who refused to follow fashion EXCERPT Big Sky contains some of the most beautiful thunderous music
The Kinks ever recorded aligned to a vulnerability and warmth no other group and I mean no other group could ever hope to
equal It is a perfectly balanced production On the one hand the mesh of clattering drums and electric guitar never threatens
to overwhelm the melody on the other the gossamer light harmonies Ray and Dave s vocal line traced by Rasa Davies
wordless falsetto are bursting with emotion When most of the instruments drop away at 1:20 the effect is effortlessly vivid
two lines where Davies performance is both nonchalant and impassioned The result is wonderfully enchantingly sad made
more so perhaps by the knowledge that The Kinks will never again sound so refined or so right **Dead and Gone** Joanna

Bobbi Sue Baxter has a serious choice to make because both love and murder are on the line The summer of 1988 is possibly
one of love and that s the problem Aspiring journalist Bobbi Sue Baxter has feelings for a man who s engaged But then again

he seems to return the vibe Adding more mud to the already unclear waters his fianc e might be involved in a murder that happened in the building where Bobbi Sue was taking an aerobics class So should Bobbi Sue get involved That s a definite yes Not with Hemi Miller the flutters in the stomach producing guy but with the investigation of his fianc e who screamed at Hemi s ex girlfriend to stay away Because that ex girlfriend wound up electrocuted in the community center locker room the next day So Bobbi Sue starts asking questions What she discovers is a tapestry of intrigue a secret love decades past the supposed ghost of a custodian that stalks the community center halls and a motive for murder that neither Bobbi Sue nor anyone else in town saw coming Return to Wildcat Springs Indiana for a Bobbi Sue Baxter tale even more riveting than the first

The Shelf David DeRemer,2019-10-01 Sitting down in the grass with his tiny feet barely able to touch the street Dave was scooped up off the curb and forced to leave behind the only world he knew too young to know what would happen next The years that followed were that of depression trauma and fear caused by years of abandonment and abuse and resulted in something brutal and life altering forming inside of him something he wouldn t fully discover the impact of until many years later on in his adult life

The Shelf is a truly riveting memoir that will have you questioning your own triumphs and tragedies and have you exploring your own questions about the presence of God and Jesus Christ It takes you on the journey of Dave s life from early childhood to military retirement and tells of the many amazing ways God carefully and purposefully walked Dave through forty years of his life away from near suicide and into a brand new world filled with grace forgiveness love and success These unimaginable and unbelievable accounts of God s work on Dave s life will leave you laughing crying and helping you renew your own faith in God and Jesus Christ The Shelf encourages and offers hope to those who suffer from low self esteem lack of self worth and severe depression It offers hope to those who may have struggled with always being cast aside as just someone s option or to those who have lost faith in God in people and in life Dave s faith and trust in God dramatically changed everything in his life and his story will change yours too
