The Beginner's Guide To Metaphysics Kimberly A. James,2025-02-28 The Beginner's Guide to Metaphysics is an introduction into certain types of metaphysical knowledge that has been presented throughout time immemorial It is by no means all inclusive Some of the material presented dates back to Atlantis Mu Lemurian and Ancient Egyptian times Recent discoveries are now indicating that Atlantis existed well over 13 000 years ago It is the hope of this author to provide some basic insight into our Earthly perspective of the Universe for our true understanding has been hidden for thousands of years It should also be noted that the ultimate goal of this project is to broaden one's perspective and provide opportunities to expand one's consciousness and not just individually or even globally but on a galactic level The world in which we live is based upon metaphysics The Greeks considered metaphysics to be one of the branches of philosophy Merriam Webster defines metaphysics as a division of philosophy that is concerned with the fundamental nature of reality and being emphasis added which also includes the study of ontology cosmology and epistemology While physics is based upon our three dimensional existence and concerns the nature of matter and energy the prefix meta refers to going beyond nature and the origin of reality itself A few topics discussed in this Beginner's Guide include Chakras Numerology Intuition and Reincarnation By having basic knowledge of each topic contained in this book the opportunity to hone in on a specific subject that resonates with one's understanding of the universe will become clear In turn this will provide the reader the jump start needed to pursue a specific field of interest's and gain a greater understanding of the true limitlessness of every human being **The Way of Tarot** Alejandro Jodorowsky,Marianne Costa,2009-11-17 Filmmaker Alejandro Jodorowsky's insights

into the Tarot as a spiritual path Works with the original Marseille Tarot to reveal the roots of Western wisdom Provides the key to the symbolic language of the Tarot s nomadic cathedral Transforms a simple divination tool into a vehicle for self realization and healing Alejandro Jodorowsky s profound study of the Tarot which began in the early 1950s reveals it to be far more than a simple divination device The Tarot is first and foremost a powerful instrument of self knowledge and a representation of the structure of the soul The Way of Tarot shows that the entire deck is structured like a temple or a mandala which is both an image of the world and a representation of the divine The authors use the sacred art of the original Marseille Tarot created during a time of religious tolerance in the 11th century to reconnect with the roots of the Tarot s Western esoteric wisdom They explain that the Tarot is a nomadic cathedral whose parts the 78 cards or arcana should always be viewed with an awareness of the whole structure This understanding is essential to fully grasp the Tarot s hermetic symbolism The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings Each description of the Major Arcana includes key word summaries symbolic meanings traditional interpretations and a section where the card speaks for itself Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible Using their work with Tarology a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality they offer a powerful tool for self realization creativity and healing
