stereotyped or selectively analyzed so seldom been seen as women and religious In *Veiled Desires* a unique full length in depth look at nuns in film Maureen Sabine explores these questions in a groundbreaking interdisciplinary study covering more than sixty years of cinema She looks at an impressive breadth of films in which the nun features as an ardent lead character including *The Bells of St Mary's* 1945 *Black Narcissus* 1947 *Heaven Knows Mr Allison* 1957 *Sea Wife* 1957 *The Nun's Story* 1959 *The Sound of Music* 1965 *Change of Habit* 1969 *In This House of Brede* 1975 *Agnes of God* 1985 *Dead Man Walking* 1995 and *Doubt* 2008 *Veiled Desires* considers how the beautiful and charismatic stars who play chaste nuns from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep call attention to desires that the veil concealed and the habit was thought to stifle In a theologically and psychoanalytically informed argument Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women's Christian call to serve sacrifice and dedicate themselves to God and their erotic desire for intimacy agency achievement and fulfillment **Gus** Patricia Nolan Savas, 1993 What really goes on behind convent walls Learn the secrets of life in a Catholic convent as author Patricia Nolan Savas recounts the fascinating true story of her ten years as Sister Augusta GUS a Sister of Charity This is a compassionate often heartbreaking sometimes humorous retelling of the author's search for love acceptance closeness with God In vivid spell binding prose she recounts the petty rivalries infighting jealousy sexual intrigue trauma physical mental breakdowns that resulted from women living in close quarters striving for perfection Eventually everything took its toll As she relates the suffocating blackness had become quicksand I was sinking In desperation she left the convent a broken woman only to come face to face with further hardships in trying to adjust to a world that was now foreign to her But the book doesn't end there This is a story of tenacious hope triumphing over pain fulfilling the promise offered by Dr Robert C Frost in his foreword For those whose lives are empty lonely strangely sad take courage for this is a true story which ends with a happy beginning

Nuns in Popular Culture Marcus K. Harmes, Meredith A. Harmes, 2024-08-14 Films and television programs about nuns women in a religious order are among the most successful and popular we watch from old favorites like *The Sound of Music* to recent smash hits like *Call the Midwife* and *Mrs Davis* This new collection studies the fascinating and often controversial ways nuns have been portrayed in popular media such as warriors career women and agents of supernatural horror Specialist contributors in popular culture study more than a century of works from around the globe in genres as diverse as musicals horror films and even heavy metal music videos **Devadasi, "A Nun's Story"** Tom Matthews, 2012-09-05 The author wonderfully captures the powerful emotions and human condition of each character The book is filled with interesting episodes and incidents and it is a fascinating journey for the reader Well crafted plot Escaped Nuns Cassandra L. Yacovazzi, 2018-08-21 Just five weeks after its publication in January 1836 *Awful Disclosures of the Hotel Dieu Nunnery* billed

as an escaped nun's shocking exposé of convent life had already sold more than 20 000 copies. The book detailed gothic style horror stories of licentious priests and abusive mothers, superior tortured nuns and novices and infanticide. By the time the book was revealed to be a fiction and the author Maria Monk an imposter, it had already become one of the nineteenth century's best selling books. In antebellum America only one book, *Uncle Tom's Cabin*, outsold it. The success of Monk's book was no fluke but rather a part of a larger phenomenon of anti-Catholic propaganda, riots and nativist politics. The secrecy of convents stood as an oblique justification for suspicion of Catholics and the campaigns against them, which were intimately connected with cultural concerns regarding reform, religion, immigration and in particular the role of women in the Republic. At a time when the term female virtue pervaded popular rhetoric, the image of the veiled nun represented a threat to the established American ideal of womanhood. Unable to marry, she was instead a captive of a foreign foe, a fallen woman, a white slave and a foolish virgin. In the first half of the nineteenth century, ministers, vigilantes, politicians and writers, male and female, forged this image of the nun, locking arms against convents. The result was a far-reaching antebellum movement that would shape perceptions of nuns and women more broadly in America.

A Nun's Story - The Deeply Moving True Story of Giving Up a Life of Love and Luxury in a Single Irresistible Moment Sister Agatha, 2017-01-05 THE SUNDAY TIMES

BESTSELLER Shirley Leach lived in a world of extreme comfort, wealth and status. With every good thing life had to offer, she was due to marry the man she loved, a man who in turn adored her. But all this was to change in a single moment. One happy day in the midst of writing to her fiancé, her hand stopped writing unbidden, then it continued by itself, etching the words which would change her life forever, but there's no point now as I am going to be a nun. That bolt from the blue set events in motion that caused Shirley to lose her mother and sisters, her husband to be her horses, her parties and life of ease. Within months, Shirley had become Sister Agatha. But her faith in her choice never faltered, despite years of great difficulty when her Convent was close to bankruptcy. Her belief took her to London to knock on the infamously intimidating and tight-fisted Sir Paul Getty's door to secure the money to ensure her community would not lose their home and getting it. Now eighty-five, she looks back on an incredible life of love, loss and belief. This is at once a deeply poignant tale of doomed romance and a heart-warming story of taking a leap of faith and finding a meaning in life beyond the wealth and comfort she was born into. Whether a believer or not, Sister Agatha's momentous life will touch and inspire whilst reminding us that it is perhaps better to accept that not everything in the world is yet explained.

Predatory Nuns Brian Tittley, 2022-06-08 Since the first scandals broke in the mid 1980s, the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation. Although their crimes have attracted far less attention, predatory nuns have also caused harm. The depredations of these nuns took place in convent novitiates, orphanages, boarding schools for Native Americans and in Catholic schools, both elementary and secondary. Their victims, male and female, ranged in age from six-year-olds to young adults. This book focuses on the criminal behavior of North American nuns and the

responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings

Hulme,1996 **Missionaries in the Golden Age of Hollywood** Douglas Carl Abrams,2022-12-15 This book examines major British and American missionary films during the Golden Age of Hollywood to explore the significance of race gender and spirituality in relation to the lives of the missionaries portrayed in film during the middle third of the twentieth century Film both influences and reflects culture and racial gender and religious identities are some of the most debated issues globally today In the movies explored in this book missionary interactions with various people groups reflect the historical changes which took place during this time

Particular Friendships: a Convent Memoir Kathleen J. Waites,2006-05-15 Particular Friendships A Convent Memoir offers a rare glimpse inside the walls of a Roman Catholic convent in the late 1960s The young narrator arrives with gentle visions spawned by The Sound of Music only to encounter the harshness of life in this secretive society Her wit compassion and musicality foment a rebellion against rules forbidding expressions of joy and intimacy as she struggles between allegiance to the heart and her vow of blind obedience to flawed and abusive superiors Recently filed lawsuits against the Church suggest that the timing could not be better for an ex nuns memoir Part mystery part coming of age story this narrative seeks neither to damn nor to exonerate but to uncover the truth

Fred Zinnemann and the Cinema of Resistance J.E. Smyth,2014-02-06 A compelling history of the director s films of war and resistance

The Tulip and the Pope Deborah Larsen,2007-12-18 The story of novelist and poet Deborah Larsen s young womanhood The Tulip and the Pope is both an exquisitely crafted spiritual memoir and a beautifully nuanced view of life in the convent In midsummer of 1960 nineteen year old Deborah shares a cab to a convent She and the teenage girls with her passionate to become nuns heedless of all they are leaving behind smoke their last cigarettes before entering their new lives In the same artful prose that distinguished her novel The White Larsen s memoir lets us into the hushed life of the convent She captures the exquisite peace she found there as well as the extreme constriction of the rules and her gradual awareness of all that she is missing

Eventually the physical world the lush tulip she remembers seeing as a girl the snow she tunneled in and even the mystery of sex begins to seem to her an alternative theater for a deep understanding and love of God
