## Nurse On Call:

On Call Lois Rowe,2004 On Call delivers a vital prescription 366 devotions that help busy nurses go directly to the source of all hope and healing These daily meditations are brief uplifting and supplemented by Scripture The Nurse's Calling Mary Elizabeth O'Brien,2001 A veteran nurse researcher and educator provides a spiritual perspective on the professional nurse's vocation of caring Grounding each chapter in Scripture O'Brien explores the Christian nurse's call to love as Jesus loved without discrimination reserve and sometimes reward *The Call of Nursing* William B. Patrick,2013-05-30 The Call of Nursing is not a typical book about nurses It takes us behind the curtain of silence that often hangs between us the patients who rely on the health care system and the women and men who form the backbone of that system and who are entrusted with our intimate care It lets us hear why nurses today do what they do and it allows those nurses to show us in their own words what has mattered most to them in their professional careers The twenty three intimate self portraits in The Call of Nursing help us see more clearly the kinds of challenges nurses face and accept on a routine basis and offer a rare glimpse into lives of women and men committed to care and service Foreword Magazine 2013 Book of the Year Finalist Education **Hospital Reference Number, December 1922** ,1922 ANNA VESELENAK V SIDNEY E.
