Stand Up Oliver Double, 2014-01-22 Stand Up is the first book to both analyse the background of stand up comedy and take us inside the world of being a solo comedian Oliver Double writes a lively history of the traditions of British stand up comedy from its roots in music hall and variety to today's club and alternative comedy scene and also engages in a serious exploration of what it is like to be a comedian onstage in front of a sometimes adoring and sometimes hostile audience He looks critically at the work of such stand up stars as Frankie Howerd Les Dawson Billy Connolly Victoria Wood Ben Elton and Eddie Izzard And he looks at himself as a performer [The Complete Works of H. C. McNeile \(Sapper\)](#) H. C.

McNeile, 2023-12-07 The Complete Works of H C McNeile Sapper presents a comprehensive collection of one of the early 20th century's notable literary figures known for his gripping storytelling and exploration of themes related to war adventure and human perseverance McNeile writing under the pseudonym Sapper employs a distinct engaging narrative style infused with vivid characterizations and intricate plot developments The collection reflects the ethos of the post World War I era where the disillusionment of war intertwines with a burgeoning fascination for heroism notably epitomized in works like Bulldog Drummond which combines elements of mystery and action revealing both the thrills and perils of a changing societal landscape H C McNeile himself a decorated veteran of World War I drew from his personal experiences in his writing capturing the zeitgeist of his generation and the complexities of post war life His military background heavily influenced his characterization of the quintessential British hero brave witty and steadfast often battling against nefarious forces McNeile's literary career marked by an extensive output showcases not only his prowess in crafting enthralling narratives but also his desire to resonate with a readership eager for escapism amidst the aftermath of conflict This collection is an essential read for enthusiasts of classic adventure literature and those seeking to understand the cultural narratives shaped by the early 20th century McNeile's works offer a remarkable blend of excitement and insight making them not only entertaining but also a valuable lens through which to examine the evolution of contemporary British literature Readers will find themselves immersed in the adventures and moral quandaries faced by his characters as they navigate a world irrevocably altered by war

Learning Through Talk in the Early Years Elizabeth Sharp, 2005-09-14 This book is aimed at class teachers of Reception to Year 3 seeking ideas to develop their pupils' speaking and listening skills The author describes each activity in an easy to follow format with links to the relevant curriculum targets The most valuable part of the book is the commentary from the author's own teaching experience This provides some useful insights such as the fact that the flow of children's ideas was improved while they had a discussion while engaged in drawing The book is easy to read It provides a practical guide to some tried and tested speaking and listening activities which may be useful for the beginning Foundation or Key Stage 1 teacher Special Do the children in your class need help with language and listening skills Lots of ideas and

suggestions for activities using and encouraging talk in the classroom make this book a lively practical guide to encouraging young children to develop their verbal reasoning skills and to communicate more effectively There is advice on how to tie in these activities with the various curriculum subjects and the following are covered setting up a talk corner using story bags and story boxes using Circle Time and playing games to encourage talk In each activity there are directions for helping children with Special Educational Needs working with Teaching Assistants TAs and other adults in the classroom planning and assessing work and finding suitable resources A selection of photocopiable material is included and all the suggestions and ideas in the book have been tried and tested by the author in her own classroom The focus of this book is on young children aged 5 to 8 but the activities can be adapted to suit those younger or older *The Reference Catalogue of Current Literature* ,1906 McClure's Magazine ,1923 Reading with Babies, Toddlers and Twos Susan Straub,KJ
