Zephaniah Walter Dietrich, 2016-04-27 The distinctiveness of this commentary lies in its consistent rotation between synchronic and diachronic views This double perspective is directed toward the three prophetic books as a single entity toward each individual book and toward the interpretation of each pericope The result is a sophisticated picture on the one hand of the structure and intention of the texts in their final form and on the other hand of their compositional history from the second half of the 7th century to the late Old Testament period Each exegetical section opens with a precise text critically supported translation and finishes with a synthesis that attempts to make note of the lasting insights from each text and the most important results of the analysis **The Works of Aleister Crowley: Aceidama. Douglas Hood, Nathanael Cameron Hood, 2022-08-12 The great Christian thinker and author C S Lewis said that often it is not teaching that we require occasionally what we need is a reminder of what we already know In this collection of meditations my son Nathanael and I hope to remind you of what you already know that we belong to a God that seeks a relationship with us God is not content with our admiration God desires a relationship in which we are eager to know more and to experience

more of God's power, love and strength for the challenges that we must confront each day. Intentional time each day engaging God's word in the Bible provides fresh inspiration and increases our desire to reach the next concentric circle in our relationship with God. Nurture in Time and Eternity Robert Cummings Neville, 2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness. Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil. Spiritual life however also requires nurturing a sense of eternity within time. These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life. The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture.

Nurturing Your Child's Soul Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents. We try to shout over the roar of media blitzes, misguided values in the schools and peer pressure. And we wonder how to raise faithful children. For parents who sometimes feel they haven't done enough, Jones provides ideas for taking small steps toward communication and intimacy, showing you how to take advantage of teachable moments by fully focusing on the present. Bloody Williamson Paul M. Angle, 2014-10-15 This is a horror story of native American violence. It carries a grim lesson for the whole country. Political doctrines have played no part in the violence and murder that have brought much ill fame to one corner of Illinois. On the map, Williamson is just another county. But in history it is a place in which a strange disease has raged for more than eighty years, a disease marked by a pathological tendency to settle differences by force. Fascinated by this, Paul M. Angle, the well-known historian, set out to discover what really had happened. Through enormous research, he has been able to reconstruct the whole story in all its horrible, scarifying detail. Using the best techniques of reportage without editorializing, without subjective coloration, he has produced a narrative beyond imagination. It begins with the Bloody Vengeance, a feud that rampaged in the 1870s. It deals with labor's success in organizing coal mines in southern Illinois, an affair that twice blew up in violence. It covers the Herrin Massacre of 1922, perhaps the most shocking episode in the history of organized labor in this country and the subsequent trials. The Ku Klux Klan provides material for four chapters that come to a climax in a fatal duel between the Klan and its opponents. And it ends with the story of the gang war between Charlie Birger and the Shelton brothers. It is a tale to shake the most phlegmatic reader. Friendly leaves, ed. by Mrs. J. Mercier, Girls' friendly society, 1880. **Nurturing Faith and Hope** Anne E. Streaty Wimberly, 2010-02-01 Wimberly's latest work presents pastors, church lay leaders and scholars with a new lens to think critically and joyously about how Christian education undergirds and supports the worship experience in nurturing faith and hope in black parishioners. David L. Wallace Sr., Dean Johnson C. Smith Theological Seminary, The Interdenominational Theological Center, Atlanta, Georgia.
