Personal Disciplemaking:

Personal Disciplemaking Christopher B. Adsit, 1988 The Question how can I Disciple someone how can i motivate them to deepen and broaden relationship with God and to go on with him for the long haul **Personal Disciplemaking** Christopher B. Adsit, 1992-09-01 **EFFECTIVE PERSONAL DISCIPLE-MAKING A Qualitative Study** Yau Cheuk Ngok Daniel, 2022-11-01 The approach of personal disciple making to help fulfil the Great Commission is presented at a conceptual level By examining the experiences of twelve individuals from three countries facilitative factors of disciple making were identified At a practice level each facilitative factor showed a distinct and vivid aspect of disciple making especially during personal moments and in real life living situations *Disciplemaking* Judy Streeter, 2012-01-05 For a person of faith life can be a smorgasbord of choices often described as exciting opportunities Conferences seminars classes book studies CD s retreats videos workshops and need specific Bible studies abound all designed to encourage spiritual growth But are Christians truly grounded in the bedrock of doctrine that supports and enriches their faith Can they explain what they believe Are they equipped so they can teach others Do they have any cultural impact at all In these post Christian times Judy Streeter encourages a return to the example of Jesus Christ while He was on earth His primary plan was to disciple a few men It was where He invested most of His time knowing that the continuation of His teachings rested on their shoulders The combination of good instruction plus accountability within a small group makes for a fertile environment where solid growth can occur Convinced that the church needs this kind of dynamic to nurture its own and to withstand the influences of a secular culture Judy makes a strong case for the importance and effectiveness of obeying Christ s command to go and make disciples Beginning with the convicting principles of Scripture and moving into a clear definition of discipleship this book is doctrinally solid yet practical and obviously written by someone who has spent years doing what is recommended Saint Paul as Spiritual Director Victor A. Copan, 2008-02-01 In recent years much has been written on spiritual direction However confusion and at times outright contradiction exist between the aims and methodologies of various models of Christian spiritual direction In order to develop solid criteria for evaluating and critiquing these models it is necessary to root the practice of spiritual direction in the biblical record The intention of this study is to provide such biblical moorings by examining the Apostle Paul as a case study in his function as a spiritual director with respect to his aims and praxis of spiritually forming the members of the congregations he founded **Personal Disciplemaking Toolkit** Christopher B. Adsit, **Progress in the Pulpit** Jerry Vines, Jim Shaddix, 2017-06-06 Take your preaching to the next level Like musical instruments preachers get better over time unless of course they neglect maintenance Progress in the Pulpit is for seasoned preachers looking to refresh their craft and receive guidance for contemporary challenges to preaching While most preaching books are geared toward new preachers Progress in the Pulpit builds on the basics and focuses on what often falls into neglect You will learn to better Connect to audiences without compromising biblical truth Plan evaluate and get

feedback on sermons Battle biblical illiteracy in your congregation Employ word studies and other technical aspects of biblical interpretation Increase imagination and creativity in sermon writing Extend the life of a sermon via social media small groups and more Establish habits for continued growth Take advantage of guidance that will help you stay sharp and grow in the craft of faithfully proclaiming God's Word Discipleship in the Postmodern Age Dan Kohn,2010-02-20 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today's disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church **Satan and His Kingdom** Dennis McCallum,2009-06-01 This highly readable and useful examination of Satan and spiritual warfare was written out of necessity In recent years pastor and teacher Dennis McCallum found himself fielding more and more questions about Satan He wanted to recommend a book on the subject but those he found either reflected extreme beliefs contained little biblical instruction used fear tactics or were poorly written In *Satan and His Kingdom* McCallum clarifies what is true and what is false about Satan demons and demonic control both historically and today He shows readers how to effectively battle the enemy individually and corporately all the while keeping their focus on Christ not Satan A reliable resource for pastors lay leaders and any Christian wanting to know more about evil in the world **Stepping into Discipleship - Our Journey Begins** Mary Venable-Vaughn,2015-05-27 We have not received the spirit of the world but the Spirit who is from God so that we may understand what God has freely given us 1Corinthians 2:12 NIV In life we have to make many decisions about which roads in life we will travel will we walk down the road on the right or will we walk down the road on the left or just walk straight down the middle road We have to make choices every day to follow God or follow Satan From the beginning of humankind God has been directing us in the right direction but sometimes we choose to go in the wrong direction God sent Jesus down to earth to live among us and to experience the life that His people lived each day Jesus died on the cross for our sins to provide us with a second chance to get it right The day we accepted Jesus in our lives as our Lord and Savior He gave us the gift of sanctification If we follow this process we can thrive to be more like Jesus Christ becoming a disciple of God with the determination to keep our eyes on the prize Jesus Christ *Mentoring for Mission* Günter Krallmann,2014-12-17 Gunter Krallmann seeks to explain in this book the ministry of Christ Gunter shows from Scripture how Jesus modeled witness to build His ministry In reading Krallmann's book you will learn how Jesus Christ chose twelve men that would be with Him and would later turn world upside down and be challenged to apply these same principles in building your own ministry

Personal Discipleship Benjamin Maira, 2013-05-08 The term discipleship comes from the word disciple What is discipleship Who is a disciple These are two key questions we must answer if we want to understand personal discipleship Discipleship is adherence to the Master and Lord's faith Discipleship has to do with two things following Christ and making disciples Discipleship happens when a person believes Jesus Christ for their Salvation and continues to grow to be like him daily A disciple on the other hand is a devoted person to the Lord Jesus Christ an adherent or follower of the Lord's faith Personal discipleship is for today Personal discipleship is of God The Holy Spirit wants you to be a disciple and make other people disciples of the Lord To be a disciple you need to have the following salvation the Holy Spirit the anointing devotions witnessing local church and pastoral ministry Personal discipleship is new life of total commitment to the Lord I have written Personal Discipleship book with one aim to introduce to you the best thing in the world which is to know the Lord and make Him known to multitude of souls Making New Disciples Also like Jesus Christ brought to us two things apostleship and discipleship you too may be able to do these two things in your lifetime Notice Discipleship is to find and follow the Lord while Apostleship is sending away for the gospel and the work of the Lord *Making Disciples* Ralph Moore, 2012-12-21 The Great Commission is to make disciples Renowned church planter and pastor Ralph Moore shows leaders why a focus on making disciples is the essential next step once a church is planted This biblical practical handbook will guide churches of any size to focus their ministries around Jesus's command to his followers to make disciples of all nations Making Disciples offers a model of church ministry that sees every member as a minister and it will become an indispensable resource for equipping a new generation of disciple makers **Growing Up** Robby Gallaty, 2013-11-11 If you are serious about being a disciple of Jesus Christ really truly serious a discipleship group can help you achieve that goal Jesus established this model for us by forming and leading the first discipleship group and it worked The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ Discipleship groups can create an atmosphere for fellowship encouragement and accountability building an environment where God can work In *Growing Up How to Be a Disciple Who Makes Disciples* Robby Gallaty presents a practical easy to implement system for growing in one's faith This guide offers a manual for making disciples addressing the what why where and how of discipleship D Groups as Gallaty calls them can teach you and others how to grow your relationship with God how to defend your faith and how to guide others in their relationships with God *Growing Up* provides you with an interactive manual and resource for creating and working with discipleship groups allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ **The Cost Of The Disconnect** Dirk Helmling, 2011-04 Have you ever wondered why so many people in other countries are willing to abandon everything they have for the sake of the gospel Do you ever think about the millions of people who have lost their lives because of their commitment to the cause of Christ It seems there exists an enormous disconnect between the faith we claim to embrace here in America and the radical call of Jesus to surrender the

whole of our lives in our pursuit of becoming a disciple and making other disciples HAVE YOU BOUGHT INTO THE SHAM OF AMERICAN CHRISTIANITY OR ARE YOU TRULY FOLLOWING THE JESUS OF THE BIBLE In The Cost of the Disconnect Dirk Helmling challenges readers to look at the unmistakable call of Jesus to abandon everything to invest the totality of our lives in radical Biblical discipleship He shows how the sham of American Christianity is so vastly disconnected from Biblical Christianity and the radical life of authentic discipleship that Jesus has called us to Dirk shows what this disconnect costs in terms of the consequences of embracing a faith that really has no biblical foundation And finally he challenges his readers to consider embracing the real call of Christ by abandoning the whole of their lives to making His name great among the nations DIRK HELMLING has devoted his life to preaching the gospel to the world and making disciples of the nations His love for God s Word and his exceptional expository skills enable him to effectively teach God s Word to people of all ages Dirk Julie and their seven kids live in the mountains of Western North Carolina *Invitation to Educational Ministry* George Hillman,Sue Edwards,2018-09-25 Because teaching is at the heart of Christian ministry the editors of Invitation to Educational Ministry have assembled a team of seasoned experts to present a comprehensive plan of Christian education This volume will help church staff parachurch leaders and small group teachers become more effective influential and creative After laying a biblical and practical foundation for Christian education the contributors provide specific guidance on teaching a variety of individuals and groups including children adults singles seniors and non Christians The final section shares valuable insights on leading small groups teaching innovatively and overseeing a healthy educational ministry among other topics Each chapter is designed to equip educators with the most relevant information and includes many useful features Real life case studies Scriptural support Explanations of key terms and concepts Practical suggestions Resources for additional study Sidebars illustrating best principles and practices Disciple Making in a Culture of Power, Comfort, and Fear Matthew T. Dickerson,2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ s command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul s Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson s own experiences in disciple making ministry on college campuses and his local church Dickerson s writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years **Where'S Your Focus?** Joseph W. Segree,2014-08-26 In a society consumed with materialistic

indulgence and a relentless quest for contentment. *Where's Your Focus* reminds us that God does indeed have a purpose for each of our lives. *Where's Your Focus* has a threefold premise. Much of the busyness and activity of the Christian community may be without relevance or eternal significance. All ministry, indeed all activity in the church, must be evaluated in light of the biblical mandate to bear fruit for the kingdom of God. The church must never lose sight of the essentials: salvation of the lost, training of disciples, and building up of the body of Christ. A properly focused life is one that invests in the lives of people while maintaining a consistent walk with Jesus Christ through prayer and the application of God's word. *Where's Your Focus* comes from the life and ministry of one who for forty years has traveled the parallel paths of Christian ministry and the practice of optometry. The inspiration and authority of the Bible, the lordship of Jesus Christ, and the reality of eternal life come through loud and clear. *Where's Your Focus* is a welcomed resource for anyone who wants to live a life properly focused.
