Novel by Anthony Trollope (Com.Set Vol.1, and 2)* Anthony Trollope, 2016-03-10 The second of Trollope s Palliser novels introduces its title character Phineas Finn a talented but naive doctor s son from Ireland with Parliamentary aspirations He must make numerous practical and ethical choices regarding his career his political beliefs and his romantic life in hopes of emerging with his character reputation and prospects intact Phineas Finn Anthony Trollope, 2013-06-12 Dr Finn of Killaloe in county Clare was as well known in those parts the confines that is of the counties Clare Limerick Tipperary and Galway as was the bishop himself who lived in the same town and was as much respected Many said that the doctor was the richer man of the two and the practice of his profession was extended over almost as wide a district Indeed the bishop whom he was privileged to attend although a Roman Catholic always spoke of their dioceses being conterminant It will therefore be understood that Dr Finn Malachi Finn was his full name had obtained a wide reputation as a country practitioner in the west of Ireland And he was a man sufficiently well to do

though that boast made by his friends that he was as warm a man as the bishop had but little truth to support it Bishops in Ireland if they live at home even in these days are very warm men and Dr Finn had not a penny in the world for which he had not worked hard He had moreover a costly family five daughters and one son and at the time of which we are speaking no provision in the way of marriage or profession had been made for any of them Of the one son Phineas the hero of the following pages the mother and five sisters were very proud The doctor was accustomed to say that his goose was as good as any other man's goose as far as he could see as yet but that he should like some very strong evidence before he allowed himself to express an opinion that the young bird partook in any degree of the qualities of a swan From which it may be gathered that Dr Finn was a man of common sense Phineas had come to be a swan in the estimation of his mother and sisters by reason of certain early successes at college His father whose religion was not of that bitter kind in which we in England are apt to suppose that all the Irish Roman Catholics indulge had sent his son to Trinity and there were some in the neighbourhood of Killaloe patients probably of Dr Duggin of Castle Connell a learned physician who had spent a fruitless life in endeavouring to make head against Dr Finn who declared that old Finn would not be sorry if his son were to turn Protestant and go in for a fellowship Mrs Finn was a Protestant and the five Miss Finns were Protestants and the doctor himself was very much given to dining out among his Protestant friends on a Friday Our Phineas however did not turn Protestant up in Dublin whatever his father's secret wishes on that subject may have been He did join a debating society to success in which his religion was no bar and he there achieved a sort of distinction which was both easy and pleasant and which making its way down to Killaloe assisted in engendering those ideas as to swanhood of which maternal and sisterly minds are so sweetly susceptible I know half a dozen old windbags at the present moment said the doctor who were great fellows at debating clubs when they were boys Phineas is not a boy any longer said Mrs Finn And windbags don't get college scholarships said Matilda Finn the second daughter But papa always snubs Phinny said Barbara the youngest I'll snub you if you don't take care said the doctor taking Barbara tenderly by the ear for his youngest daughter was the doctor's pet
