The Longings of Women Marge Piercy, 1996-04-21 **Marge Piercy** T. A. Bergin, 1994 **The Five Longings** David Richo, 2017-04-18 How identifying what you want can reveal deep truths about yourself and how working with those longings can lead to a happier more satisfying life If you've ever had a vague sense that something's missing from your life congratulations that longing for something better is a sign of being fully human fully alive But what's even more wonderful according to Dave Richo is that when you identify and carefully examine the things you long for like love meaning freedom happiness and growth you not only discover deep truths about yourself but you also find that the things you long for were never really missing at all Richo provides enlightening advice and practices for accessing just this kind of profound self discovery illustrated by a wealth of examples from depth psychology religion and literature Our longings in fact point to the presence of something transcendent in us he shows In seeking something better we are seeking that which we already are David Richo does a brilliant job unpacking the unhealthy versions of ego that confine us Through psychological and Buddhist wisdom teachings and a range of powerful practices and meditations we are guided beyond the identity of separate self to the loving awareness that is our deepest essence Tara Brach PhD author of *Radical Acceptance* and *True Refuge* [A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature](#) Gordon Williams, 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the

entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden

Grey, 2004 This book explores what is happening to the human spirit in a culture shaped and driven by globalization a culture where dreams imaginations and desires are all manipulated What do we really want Noted theologian Mary Grey believes we have gotten out of touch with our deepest desires and that the root problem is our acquiescence in global capitalism s most problematic characteristics Story and symbol she argues can put us back in touch with our sacred longings Focusing on such simple yet profound symbols as water light and sacred space she tries to reestablish a spiritual quest In the end she envisions spirituality a kind of ecomystical renewal as an element in the transformation of desire lived out in Christian community For desire to be reborn for sacred longings even to be named not to mention fulfilled there needs to be an embracing of the way of renunciation simplicity and sacrifice And that is counter cultural As Part One looks at how our culture has lost heart and Part Two analyzes restless hearts Part Three asks us to take heart and rekindle our thirst for righteousness

Song Dynasty Figures of Longing and Desire Lara C.W. Blanchard, 2018-06-05 This book is the winner of the 2020 Joseph Levenson Pre 1900 Book Prize awarded by the Association for Asian Studies In Song Dynasty Figures of Longing and Desire Lara Blanchard analyzes images of women in painting and poetry of China s middle imperial period focusing on works that represent female figures as preoccupied with romance She discusses examples of visual and literary culture in regard to their authorship and audience examining the role of interiority in constructions of gender exploring the rhetorical functions of romantic images and considering connections between subjectivity and representation The paintings in particular have sometimes been interpreted as simple representations of the daily lives of women or as straightforward artifacts of heteroerotic desire Blanchard proposes that such works could additionally be interpreted as political allegories representations of the artist s or patron s interiorities or models of idealized femininity
