## **Lord Mountbatten The Last Viceroy:**

*Lord Mountbatten*, 1985      *Lord Mountbatten* David Butler, 1985      ,      **Return of the Rishi** Deepak Chopra, 1991

With his earlier books *Quantum Healing Perfect Health* and *Creating Health* Dr Chopra developed a blend of Eastern and Western medical philosophy with the intention of creating a cleaner richer view of the road to perfect health a balance of mind body and spirit He now continues his prescription as he describes his journey from India to the West and from a formal practice as a board certified endocrinologist to a wider view of the primacy of the mind and spirit      **India After Gandhi:**

**The History of the World's Largest Democracy** Ramachandra Guha, 2017-07-13 Ramachandra Guha's *India after Gandhi* is a magisterial account of the pains struggles humiliations and glories of the world's largest and least likely democracy A riveting chronicle of the often brutal conflicts that have rocked a giant nation and of the extraordinary individuals and institutions who held it together it established itself as a classic when it was first published in 2007 In the last decade India has witnessed among other things two general elections the fall of the Congress and the rise of Narendra Modi a major anti corruption movement more violence against women Dalits and religious minorities a wave of prosperity for some but the persistence of poverty for others comparative peace in Nagaland but greater discontent in Kashmir than ever before This tenth anniversary edition updated and expanded brings the narrative up to the present Published to coincide with seventy years of the country's independence this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers      *My Life, Pakistan and the Great Balidan* Zaki Sabih, 2025-09-10 Every act of creation has the

potential to change the world whether a little bit at a time or all at once The creation of Pakistan in 1947 certainly changed the geopolitical landscape of the world forever But the lives of more than fifteen million people were changed as well with the partitioning of India sowing hatred and division between generational neighbors turning long standing harmony into brutally violent dissonance and displacing entire families from their ancestral homes This is the personal memoir of Author Zaki Sabih who nearly eighty years ago found himself among those displaced millions torn from both his homeland and his idyllic childhood for reasons he was far too young at the time to understand But it is more than a memoir as well It is the story of the millions of Indian Muslims who were slaughtered and betrayed in the name of Pakistan an overt criticism of religious extremism and ultranationalism and finally a fiercely taken stance on the vital importance of secularism in all aspects of the political sphere      *The Story of Bhimrao Ramji Ambedkar* Sushmita Dutta, 2023-08-02 Bhimrao Ramji Ambedkar Architect of

Equality and Justice is a compelling biography that delves into the life and achievements of an iconic figure who reshaped the socio political landscape of India Born into a marginalized community Bhimrao Ambedkar's journey from facing caste based discrimination to becoming the chief architect of the Indian Constitution is a testament to his indomitable spirit This book meticulously traces Ambedkar's early struggles academic brilliance and transformative years abroad which fueled his determination to combat social injustices As a fierce advocate for the oppressed he championed the eradication of

**A Concise History of British Presence in India: Establishing and Withdrawing an Empire** Barid Baran Mukherjee, 2024-10-10 This book provides a linear history beginning at the time of the East India Company's arrival with its near 250 year struggle to the formation of the British Raj and the withdrawal of the Raj in the 90 years following, highlighting how the EIC rode to power and its administration replaced the Mughal's system while describing how the Indian intellectual middle class developed. This work then describes how the Indian National Congress was established as a platform for nationalism and opposed British ambitions. This work emphasizes the events of about the last fifty years of the Raj which survived with domestic pressure and two great wars. It is a complicated political history of conflicts between nationalists and Imperialists surrounding communal agendas of the Muslim League and interprets how two great wars consumed the resources of Britain as well as caused the decline of the Indian economy and how the British trajectory tended to swing towards its withdrawal. The last chapter describes how Lord Mountbatten endeavored to effectuate the transfer of power which was constrained due to communal passion.
