Lose Your Accent In 28 Days:

Lose Your Accent in 28 Days Judy Ravin, 2004 *Lose Your Accent in 28 Days* is the powerful proven system that will help you master American English pronunciation in weeks not months or years Practice 30 minutes a day for 4 weeks and greatly improve your pronunciation No more being asked to repeat yourself No more being asked What did you say Discover the pronunciation system preferred by faculty and students at America's most prestigious universities including Cornell UC Berkeley Middlebury and University of Southern California *Lose Your Accent in 28 Days* features an interactive CD ROM that shows you exactly how to pronounce EVERY vowel and consonant through hundreds of video clips The Audio CD includes over 70 minutes of material on rhythm stress and everyday speech patterns The Workbook offers 80 techniques for better pronunciation In all you'll learn from 956 guided examples What an easy and enjoyable way to lose your accent *Lose Your Accent in 28 Days* is complete There are no extras to buy You get all this with your system A CD ROM Learn to position your mouth and make those difficult vowel and consonant sounds you never thought you could If you use a system without video you'll miss the picture An Audio CD Join Ravin and her expert team to practice rhythm stress and everyday speech patterns Develop perfect pronunciation and total confidence A Workbook Master pronunciation techniques that will make you sound native born People will no longer ask What did you say A Carrying Case Study both at home and on the go with this durable and attractive case Why do people choose this system over the others Most accent reduction training systems have audio only It is very helpful to see the instructor's mouth so you know how to position your own mouth to make the sounds correctly Systems that use a video cassette or DVD do not allow you the incredible flexibility of being able to click with your mouse on the sounds you need to practice and click over and over again until you've mastered the target sound Many systems are complicated and difficult to use After a few chapters many people just give up in frustration *Lose Your Accent in 28 Days* is clear and user friendly so you look forward to studying every day *Lose Your Accent in 28 Days* also helps you master new vocabulary as you go The system includes a handy idioms glossary defining every idiom used in the book

Speak English Like an American Amy Gillett, 2004 The audio CD contains all of the dialogues in the book **Hable Inglés Como Los Americanos** Amy Gillett, 2003 Teaches idioms and expressions used in the American business world

Mastering Meaning: Harnessing the Power of American English Judith L. Bergman, 2012-02-01 You will never have true mastery of English as a second language until you understand its non literal meanings until you really know how and when to use idioms metaphors and multiple meaning words and until you can pronounce these words correctly so that you are easily understood Get the inside story in four areas Playing with Words Painting with Words Grappling with Grammar and Pronouncing Words and have fun with short chapter quizzes answers provided **Say Goodbye to Your Southern Accent** Jennifer Adams, Johanna Chapman, 2009-07 *Master the American Accent* Judy Ravin, Barb Niemann, Sherlyn Houk, 2009-03 A comprehensive accent reduction guide for self study including a book an interactive CD ROM and 4 audio

CDs With a hard plastic media case What is English? Tim William Machan, 2013-08-22 Tim Machan explores the nature of English present and past and its role in shaping the identity of those who speak it He pursues his object through episodes in its history around the globe from Caxton to Churchill and from rural America to colonial Australia This is a book for everyone interested in English and the role of language in society **The Sociolinguistics of Globalization** Jan

Blommaert, 2010-04-08 Human language has changed in the age of globalization no longer tied to stable and resident communities it moves across the globe and it changes in the process The world has become a complex web of villages towns neighbourhoods and settlements connected by material and symbolic ties in often unpredictable ways This phenomenon requires us to revise our understanding of linguistic communication In *The Sociolinguistics of Globalization* Jan Blommaert constructs a theory of changing language in a changing society reconsidering locality repertoires competence history and sociolinguistic inequality Foreign Accent Perception Agnieszka Bryla-Cruz, 2016-04-26 The phenomenon of foreign

accents and their perception have received considerable attention from pronunciation specialists and academic researchers working within different fields of study such as phonetics phonology foreign language teaching sociolinguistics psycholinguistics social psychology anthropology and even law The reason for this widespread interdisciplinary interest is caused by the fact that in addition to revealing the speaker's origin accent carries significant social connotations and evokes various ethnic racial religious and socio economic stereotypes This book represents the largest up to date qualitative and quantitative investigation into the accentedness acceptability intelligibility and comprehensibility of Polish English of three groups of native speakers the English the Irish and the Scottish comparing the ways in which it is perceived by members of three nations and establishing pronunciation priorities The book will be of interest not only to phoneticians pronunciation specialists and sociolinguists but also to EFL teachers and students **Intercultural Twinings** , 2022-08-15 In an ever

changing and interdependent world diversity has become the norm not the exception Our constantly evolving understanding of intercultural communication and its rich complexities calls us to question review and renew our intervention practices *Intercultural Twinings A Commitment for a Pluralistic Society* examines the impact of intercultural twinings when people of different backgrounds ethnicities languages and religions come into contact with each other in a variety of learning and work environments These twinings are more than language exchanges because they promote intercultural contacts constructive individual interactions and ultimately more harmonious intergroup relations Whether face to face or virtual it is through these exchanges that participants learn from each other and appreciate the challenges and benefits of discovering the Other The contributors to this volume explore theoretical models methods and intervention tools to support the work of teachers researchers practitioners and university students **Computerworld** , 2004-10-04 For more than 40 years
