Lost On The Amazon:

Lost in the Amazon Tod Olson, 2018-01-30 In this true story written for young readers a teen is the only survivor of a plane crash and must stay alive in the South American jungle until rescue Peru Christmas Eve 1970 It was supposed to be a routine flight carrying eighty six passengers across the Andes Mountains and home for the holiday But high above the Amazon rainforest a roiling storm engulfs the plane Lightning strikes A deafening whoosh sweeps through the cabin And suddenly seventeen year old Juliane Koepcke is alone The plane has vanished She is strapped to her seat and plunging 3 500 feet to the forest floor On Christmas Day she wakes She is injured covered in mud but strangely miraculously alive And now in a remote corner of the largest rainforest on Earth the real battle for survival begins **Lost on the Amazon** R. A. A. Montgomery, 2005 The Amazon River basin is home to the greatest biodiversity on planet earth Will it yield up its potential cures or sink you in its depths Lost in the Amazon Stephen Kirkpatrick, 2023-12-19 In 1995 Stephen Kirkpatrick joined a five man expedition into the remote jungles of the Peruvian Amazon Kirkpatrick s assignment was to document an area of the rainforest that had never before been photographed nor by most accounts ever explored by white men Within hours of their departure an inaccurate map and a series of bad decisions leave the group hopelessly lost in the depths of the Amazon jungle What began as a career making photo expedition quickly turned into a desperate struggle for survival The five men battle poisonous reptiles hungry bugs torrential rains brutal heat and an unforgiving landscape in an attempt to find their way back to civilization They soon learn that survival is not only a physical but a mental and spiritual challenge as well Lost in the Amazon is a gripping sometimes humorous and ultimately inspirational story about the human drive to survive and about clinging to faith in the worst circumstances imaginable Exploration of the Valley of the Amazon William Lewis Herndon, Lardner Gibbon, 1854 In 1857 Captain William Lewis Herndon sacrificed his life trying to save 600 passengers and crew when his ship foundered in a hurricane off the Carolina coast Memorialized in Gary Kinder s best selling book Ship of Gold in the Deep Blue Sea Herndon with this final courageous act epitomized a lifetime of heroism Seven years earlier the secretary of the Navy had appointed Herndon to lead the first American expedition into the Amazon Valley Herndon departed Lima Peru on May 20 1851 and arrived at Para Brazil nearly a year later traveling 4 000 miles by foot mule canoe and small boat He cataloged the scientific and commercial observations requested by Congress but he filed his report as a narrative creating an intimate portrait of an exotic land before the outside world rushed in Herndon s report so far surpassed his

superior expectations that instead of printing the obligatory few hundred copies for Congress the secretary of the Navy ordered 10 000 copies in the first print run three months later he ordered 20 000 more Herndon described his adventures with such insight such compassion and wit and such literary grace that he came to symbolize the new spirit of exploration and discovery sweeping mid nineteenth century America For the next hundred years Herndon's report languished out of print before being revived briefly in 1951 Now for the first time in nearly fifty years Gary Kinder and Grove Press bring to readers one of the greatest chronicles of travel and exploration ever written Publisher *Amazon.com For Dummies* Mara Friedman, 2003-01-16 If you've surfed the Web more than once you've probably visited Amazon.com Originally you may have gone there searching for books but Amazon.com is so much more than a bookstore The author of Amazon.com For Dummies who has been involved with the site from its beginnings describes it as a shopping mall home improvement store bazaar travel agency newsstand car lot but most importantly a community of buyers and sellers people like you Countless opportunities exist for those who join this community and Amazon.com For Dummies gives you a smorgasbord sampling of what they are and how to take advantage of every one For example you can Set up an account and buy things Bid on an auction Sell your items Personalize your shopping experience Open your own online store Join the Amazon.com community Written by Mara Friedman who has held several positions with Amazon.com including marketing communications manager Amazon.com For Dummies takes you from your first venture into the Amazon all the way to making money from your Amazon.com experience Discover how to Find your way around the marketplace and scout out the best deals Get local movie showtimes view restaurant menus chat with other shoppers send free e cards or sign up for a free reminder service Track orders and manage your account Browse specialty shops and check out international merchandise Take advantage of reviews from other shoppers Set up and use wish lists for yourself and your friends Create your own online Zshop set the right prices and take photos that help sell your items Take advantage of the Amazon.com Advantage or become an Associate Whether you're a complete novice who'd like a guide to help you with your first online purchases or a longtime Amazon.com shopper who wants to become an online entrepreneur Amazon.com For Dummies has what you need Use it today to get started and tomorrow to help you manage your own successful online business [Exploration of the Valley of the Amazon: pt. 2.
