Lost And Gone Seeking:

Under Old Rooftrees Eliza Benedict Hornby, 1908 **A Sociology of Seeking** Kieran Flanagan, 2023-01-30 A response to the depletion of the rhetoric of sociology and the spiritual capital of theology this volume explores the remains of Christianity that still lurk as portents in a progressively de Christianised society seeking replacements for belief With the sociologist set in the role of an oracle seeking traces of Christianity in a discipline in which the intrusion of theological understandings has become harder to resist it offers a narrative of belief following the direction of an exemplary portent the finger Through the exploration of broad trends in culture and modern history this study informed by interactionist thought examines both the place of sociology in Christian theology and the failure of theology to connect to its surrounding culture asking how the two disciplines might meld profitably together As such it will appeal to social theorists and theologians as well as sociologists with interests in religion culture and secularisation **(I am) Nobody's Lunch / Gone Missing** Steven Cosson, 2017-03-22 Written and directed by Steven Cosson with songs by Michael Friedman I am Nobody's Lunch is a dark ride through the landscape of American public culture This latest creation from the Obie winning company The Civilians asks the thorny question how do we know what we know when everyone in power seems to be lying Is it possible to know what's really going on in the world when information is manipulated to serve particular interests Does anyone really care Turning extensive interviews into a mercurial cabaret play a versatile cast inhabits an eccentric cast of characters all taken from real life I am Nobody's Lunch opened at the Assembly Rooms at the Edinburgh Fringe festival in August 2006 transferring to the Soho Theatre London in September Published alongside a second short play **Gone Missing** **Taking Away The Veil** Sebastian Fisichella, 2003-07 All things natural tend to disguise the Truth and language brings even more distortion to the absolute Word of God This is precisely why so many have said that they do not understand the mysteries of the Bible The author takes you beyond the veil to reveal the hidden realities of the Kingdom and bring forth answers to questions with Truth that has remained concealed for centuries Are you really born again The Nicodemian Theory Who are the lost What is the beginning of eternal life Are we adopted What is the great deception Who is the only begotten Son of God Who are the firstborn Which is the generation that shall not pass away until all be fulfilled What is the second coming Matt 16 28 Luke 9 27 Pentecost Will you ever be taken bodily into heaven as many claim in their teaching of the rapture How do you receive the gift of salvation What is Divine Proclamation Find the answers to these and scores of crucial questions that have gone unanswered for generations Many of the so called contradictions in the Bible will melt away with these profound discoveries *Preacher's Outline and Sermon Bible* Leadership Ministries Worldwide, 2003-09 What if you could study Matthew with your favorite Bible scholars from across the ages With The Preacher's Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher's

The Parables Brad H. Young, 2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty

Secondhand Jesus Glenn Packiam, 2010-01-01 God has offered us firsthand knowledge of His love His grace and His power Yet so often we too easily settle for someone else s descriptions the Cliff notes from another s spiritual journey We are content for God experts to do the heavy lifting and then give us the bottom line And like any secondhand information after enough times through the grapevine the truth about God deteriorates and crumbs of rumor are all that remain But when life derails and things don t go as we had planned our thin view of God is challenged In those critical moments we can choose to walk away from God or to let our questions lead us home When we choose to wrestle with God to engage Him for ourselves we like Jacob and Job and David will see rumors die and revelation come alive It s time to hear the magnificent Divine Invitation It s time to take God up on His offer and embrace the mystery and majesty of knowing Him for ourselves
