Lost In Space 25th Anniversary Tribute

John E. Simkin

Lost In Space 25th Anniversary Tribute:

Lost in Space James Van Hise,1990 Recounts the history of the television series profiles the writers and cast members and discusses each episode **Television Western Players, 1960-1975** Everett Aaker,2017-05-16 This biographical encyclopedia covers every actor and actress who had a regular role in a Western series on American television from 1960 through 1975 with analyses of key players The entries provide birth and death dates family information and accounts of each player s career with a cross referenced videography An appendix gives details about all Western series network or syndicated 1960 1975 The book is fully indexed **Societies in Space** Gary Westfahl,2024-08-29 Science fiction films and television programs about space travel have undergone a significant transformation since their inception In contrast to the early depictions of small spaceship crews on exploratory missions recent film and television portrayals depict much larger societies in space as well as the obstacles that arise with them This collection of essays examines many aspects of making space travel films from the process of screenwriting to the impact of Greek myth on modern film with illuminating commentary on contemporary problems including class distinction racism and sexism Contributors to this volume including several extensively published scholars and science fiction writers analyze a wide variety of relevant science fiction films and television programs ranging from Star Trek Silent Running the Alien films and Japanese anime to more recent works like Battlestar Galactica Avatar Elysium The Martian Passengers and Ad Astra **TVparty!** Billy Ingram,2002 Why watch TV when you can read about it Featuring more than 600 previously unpublished photos TVparty offers fascinating untold stories from TV s golden age **Encyclopedia of Early Television Crime Fighters** Everett Aaker,2024-10-17 Any episode of a crime or mystery series involves some or all of the following the perpetration of a crime its investigation the analytical process which involves the determination of the villain the arrest and trial of the culprit and the handing out of the appropriate punishment Such series involving the exploits of a wide variety of courageous heroes and heroines were very popular during the 1950s and they featured a host of actors and actresses including famous television detectives e g Raymond Burr those famous in other genres e g Boris Karloff Charles Bronson and over 250 other players with recurring roles This reference work lists every player who had a regular role in a crime or mystery series during the early era of television All covered series offered live or filmed episodes of a crime or mystery nature and all were shown on American television All series had either regular stars or a recognizable host Entries cover the player s real name family information and education how the player originally broke into show business the player s career preceding the series and his or her marriage children death date and film and television credits Appendices provide a catalog of American mystery series and a list of regular mystery series players whose roles began after December 31 1959 **Television Western Players of the Fifties** Everett Aaker,2024-10-15 Modeled after the Mack V Wright 1920 film version the 1949 western television series The Lone Ranger made Clayton Moore s masked character one of the most recognized in American popular culture Other

westerns followed and by 1959 there were 32 being shown daily on prime time television. Many of the stars of the nearly 75 westerns went on to become American icons and symbols of the Hollywood West. This encyclopedia includes every actor and actress who had a regular role in a television western from 1949 through 1959. The entries cite biographical and family details, accounts of how the player first broke into show business and details of roles played as well as opinions from the actors and their contemporaries. A full accounting of film serial and television credits is also included. The appendix lists 84 television westerns with dates, show times, themes, and stars.

TV in the USA Vincent LoBrutto, 2018-01-04. This three volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three volume encyclopedia **TV in the USA: A History of Icons, Idols, and Ideas**. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well known programs, and short lived series alike broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered. Each entry on a specific show investigates the narrative, themes, and history of the program, provides comprehensive information about when the show started and ended and why, and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter.

Robots in American Popular Culture Steve Carper, 2019-06-26. They are invincible warriors of steel, silky skinned enticers, stealers of jobs, and lovable goofball sidekicks. Legions of robots and androids star in the dream factories of Hollywood and leer on pulp magazine covers, instantly recognizable icons of American popular culture. For two centuries we have been told tales of encounters with creatures stronger, faster, and smarter than ourselves, making us wonder who would win in a battle between machine and human. This book examines society's introduction to robots and androids such as Robby and Rosie, Elektro and Sparko, Data, WALL-E, C-3PO, and the Terminator, particularly before and after World War II when the power of technology exploded. Learn how robots evolved with the times and then eventually caught up with and surpassed them.

A Matrix of Meanings (Engaging Culture) Craig Detweiler, Barry Taylor, 2003-11-01. From the glittering tinsel of Hollywood to the advertising slogan you can't get out of your head, we are surrounded by popular culture. In **A Matrix of Meanings**, Craig Detweiler and Barry Taylor analyze aspects of popular culture and ask: What are they doing? What do they represent? and What do they say about the world in

which we live Rather than deciding whether Bono deserves our admiration the authors examine the phenomenon of celebrity idolization Instead of deciding whether Nike s Just do it campaign is morally questionable they ask what its success reflects about our society A Matrix of Meanings is a hip entertaining guide to the maze of popular culture Plentiful photos artwork and humorous sidebars make for delightful reading Readers who distrust popular culture as well as those who love it will find useful insight into developing a Christian worldview in a secular culture **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences

The History of Trek James Van Hise,James V. Hise,1991 *Science Fiction & Fantasy Book Review Annual* ,1991
