Storm Peggy L Henderson, Adrian Storm has spent thirteen years far from the world of his birth growing up among the people who took him in as a boy Now a skilled warrior and hunter he thrives in the rugged wilderness where survival is both a challenge and a way of life When violence follows a group of outsiders into this untamed land Adrian is thrust into a deadly conflict that stirs long buried memories and reignites a thirst for vengeance he can no longer ignore Tessa Beckett has never shied away from a challenge As the daughter of one of the fur trade's most powerful men she's spent her life showing she can

Vance Bourjaily s classic novel of World War II dramatizes an entire generation s loss of innocence When Thomas Skinner Galt leaves Greenwich Village to volunteer as an ambulance driver with the British Army he anticipates the adventure of a lifetime What he fails to understand is that no matter where he comes from or how many books he has read once he dons a military uniform his life will cease to be his own Stationed first in the Middle East and then in Italy Skinner and his fellow American volunteers Rod Freak and Benny endure boredom fear and the exquisite frustration of following orders They seek solace in their friendship with one another and in the debauched diversions available to men during wartime But as the days and nights drag on Skinner begins to drift away from his comrades and from himself Too late he discovers that the path he has chosen leads only to tragedy Inspired by Vance Bourjaily s experiences as an ambulance driver in the American Field Service and commissioned by legendary editor Maxwell Perkins *The End of My Life* marked the arrival of a writer heralded by the New York Times as a Dostoevsky of the generation that came of age in World War II Elegant spare and fiercely honest this is a timeless portrait of the devastating effects of war on the human spirit *Soft Tender-Hearted Moments?* Nancy A.

Iron Heart Brian Boyle, 2009-10-01 It was a horrific car crash On the way home from swim practice eighteen year old Brian Boyle's future changed in an instant when a dump truck plowed into his Camaro He was airlifted to a shock trauma hospital He had lost sixty percent of his blood his heart had moved across his chest and his organs and pelvis were pulverized He was placed in a medically induced coma When Brian finally emerged from the coma two months later he had no memory of the accident He could see and hear but not move or talk Unable to communicate to his doctors nurses or frantic parents he heard words like vegetable and nursing home If he lived doctors predicted he might not be able to walk again and certainly not swim Then miraculously Brian clawed his way back to the living First blinking his eyelids then squeezing a hand then smiling he gradually emerged from his locked in state The former swimmer and bodybuilder had lost one hundred pounds Iron Heart is the first person account of his ordeal and his miraculous comeback With enormous fortitude he learned to walk then run and eventually to swim With his dream of competing in the Ironman Triathlon spurring him on Brian defied all odds and three and a half years after his accident crossed the finish line in Kona Hawaii Brian's inspiring journey from coma to Kona is brought to life in this memoir
