The Pursuit 2 K.R. Eaton,2023-08-10 A gang of misfits brutally murder a young woman in a public park The media dismissed it as a random act of violence A rushed investigation was closed with no suspect in custody The gang thought they were in the clear when suddenly the mutilated body of a member turned up dead The Pursuit 2 is a fast paced short novel It begins with a riveting series of episodes that follow assassins Mateo Torres and Harper Mane as they round up each gang member Once the killings begin the remaining members are terrified by the increasingly gruesome nature of each assassination To evade capture they split up and go their separate ways Follow along as Mateo and Harper make the gang pay for the murder of their most valued informant Before they complete the mission however Harper is called away on a new assignment Mateo stays behind to continue the killings While away Harper stumbles onto information that changes everything she thought she knew about the case with the gang members Incredibly the plot changes as an astonishing sequence of events opens the possibility the original pursuit may be far from over Harper discovers the park murder was not a random act at all but part of a sinister plan masterminded by someone potentially involved with her new assignment The Pursuit 2 is a thriller that

clarifies details from an assumed random murder to an astonishing tale of wealth and entitlement taken to a whole new level With the help of a new friend Harper skillfully navigates a web of deceit to unravel an amazing backstory that outlines what really happened that fateful day in the park Does this new information affect the original mission Could the case be closed or is the mission just getting started Follow along as Harper meticulously peels back complex layers of secrecy that expose family friends and enemies all plotting revenge against one another **Ruby Redfort Feel the Fear** Lauren
