Communities of the Qur'an Emran Iqbal El-Badawi, Paula Sanders, 2019-06-06 What is the nature of the Qur'an? It might seem a straightforward question but there is no consensus among modern communities of the Qur'an both Muslim and non-Muslim about the answer. And why should there be? On numerous occasions throughout history believers from different schools and denominations and at different times and places have agreed to disagree. The Qur'anic interpreters, jurists and theologians of medieval Baghdad, Cairo and Cordoba coexisted peacefully in spite of their diverging beliefs. Seeking to revive this ethics of disagreement of Classical Islam, this volume explores the different relationships societies around the world have with the Qur'an and how our understanding of the text can be shaped by studying the interpretations of others. From LGBT groups to urban African American communities, this book aims to represent the true diversity of communities of the Qur'an in the twenty-first century and the dialogue and debate that can flow among them.

The Naked Voice Chloe Goodchild, 2015-05-05 Both science and spirituality agree that every particle of matter, every phenomenon we experience is a form of resonance or vibration. The human voice is quite literally a mouthpiece of this truth: there is no form of expression more personal, more tied to our identities than our voices. With simple inspirational exercises, this book by renowned voice teacher Chloe Goodchild gives readers the tools to guide them in a process of sound healing and soul communication that is guaranteed to open the heart and restore forgiveness, compassion and interconnectedness between individuals and in their communities. At the heart of every human journey exists the longing to feel at home in one's self and in the world. In a unique response to meet this longing, Chloe Goodchild invites you on a compelling adventure of self-discovery and creative fulfillment through a direct experience of your own authentic voice: the voice of your personal authority, the song of your soul.
