## Love Brian:

*Love's Sight* Betty McLain, 2022-01-13 Love does not need eyes to see Love's Sight comes from the heart Laura didn't think much about the magic mirror at Danny's Bar and Grill What good was a mirror that showed your true love to a girl who could not see Yet as she sat before it she had the strangest feeling she was being watched Joseph was on his way to class when he glanced in a hall mirror and saw a woman sitting in a restaurant Thinking she must be a ghost he shook off the strange event and continued to class But the girl in the mirror would not leave his mind Will the Magic Mirror help Laura find true love or will she close her heart and deny its magic Betty's note each book in the Love's Magic series is a standalone romance novel and can be enjoyed even if you haven't read other books in the series **Love's Plea** Betty

McLain, 2022-01-18 It was just a normal bachelorette party at the local bar and grill Charise got together with her closest friends to have a good time and prepare for the wedding But this restaurant was special it showcased one of the three magic mirrors capable of showing a girl her true love All the girls took their turns at the mirror and then it was Charise's turn But what do you do when you are the bride and the reflection you see in the mirror is not that of your soon to be husband On his way to Sharpville to meet up with his Marine buddies and start his new life away from the Navy Seals Zachary had heard several of his friends found true love through the magic of the mirror When he saw her face everything seemed to be coming together for him Then he found out she was engaged Would she listen to his plea and hold off on the wedding long enough for him to make it home from his last mission and prove that he was the man for her **The Beach Boys**, **Love's**

**Magic** Betty McLain, 2021-12-27 The magic of love is in the air College student Mallie is on her way home when she gets hit by a car and falls into a coma she can't awaken from Daniel is a lawyer whose plans change drastically because of a brain aneurysm From two different worlds they find themselves unconscious and fighting for their lives two doors away from each other in the same hospital What they don't expect is the magic that brings their souls together But can a love found in such a way survive the journey back to the physical world Love's Reflections Betty McLain, 2021-12-02 Who's the hunk Cindy

sees in the mirror Life working at the art gallery was pretty ordinary until Cindy's employers brought home three antique mirrors from Italy Rumored to be magic they boasted the ability to show a girl her true love As Cindy unpacked the mirrors she was startled to see a man looking back where her reflection should have been James Michaels was shocked to see the woman's face in his mirror while he shaved A police officer he was accustomed to things he could explain What he couldn't explain was how this woman he'd never met kept appearing in mirrors throughout town Through intrigue and danger Cindy and James try to discover who lives behind the reflections in the mirror But will the two ever meet or will they have to be content with only the mirror image Betty's note each book in the Love's Magic series is a standalone romance novel and can be enjoyed even if you haven't read other books in the series **Love's Confusions** C. D. C. Reeve, 2005-03-31 Love's

confusions are legion We promise to love but we cannot love at will Love God we're commanded but we cannot love on

command And given the vicissitudes of self love even if we could love our neighbors as we love ourselves would it be a good thing to do so These are a few of the paradoxes that typically lead philosophers to oversimplify love and that draw C D C Reeve to explore it in all its complexity searching for the lessons to be found within love s confusions Ranging from Plato who wrote so eloquently on the subject to writers as diverse as Shakespeare Proust Forster Beckett Huxley Lawrence and Larkin Reeve brings the vast resources of Western literature and philosophy to bear on the question of love As he explores the origins of Western thought on the subject he also turns to the origins of individual experience the relationship of mother and child the template of all possible permutations of love and to the views of such theorists as Freud Melanie Klein and Carol Gilligan At the same time he uses the story of the prototypical absent father Odysseus to demonstrate the importance of reconciling a desire for tenderness with a desire for strength if we are to make the most of love s potentials Looking at love in light of the classical world and Christianity and in its complex relationship with pornography violence sadomasochism fantasy sentimentality and jealousy Reeve invites us to think more broadly about love and to find the confusions that inevitably result to be creative rather than disturbing
