The Monday Rhetoric of the Love Club, and Other Parables Marvin Cohen, 1973 What Mr Cohen has is a joy in language and an eye at once innocent and shrewd for the paradoxes inherent in the human condition P 4 of cover **The Erotic Phenomenon** Jean-Luc Marion, 2024-07-12 While humanists have pondered the subject of love to the point of obsessiveness philosophers have steadfastly ignored it One might wonder whether the discipline of philosophy even recognizes love The word philosophy means love of wisdom but the absence of love from philosophical discourse is curiously glaring So where did the love go In *The Erotic Phenomenon* Jean Luc Marion asks this fundamental question of philosophy while reviving inquiry into the concept of love itself Marion begins his profound and personal book with a critique of Descartes equation of the ego s ability to doubt with the certainty that one exists I think therefore I am arguing that this is worse than vain We encounter being he says when we first experience love I am loved therefore I am and this love is the reason I care whether I exist or not This philosophical base allows Marion to probe several manifestations of love and its variations including carnal excitement self hate lying and perversion fidelity the generation of children and the love of God Throughout Marion stresses that all erotic phenomena including sentimentality pornography and even boasts about one s sexual conquests stem not from the ego as popularly understood but instead from love A thoroughly enlightening and captivating philosophical investigation of a strangely neglected subject *The Erotic Phenomenon* is certain to initiate feverish new dialogue about the philosophical meanings of that most desirable and mysterious of all concepts love *The Game* Jan Gayle, 2022-03-15 Ryan Gibbs was the best thing to hit the LPGA from New Mexico since Nancy Lopez but that was two years ago when her rookie year tour made the history books Since she left the world of professional golf to be with her sick mother she hasn t played outside of her home course in Los Alamos where she now works as a coach Katherine Reese has the drive to be the best but since her second season when she landed herself in the top ten in nearly every tournament she s barely been able to make the cut Unable to let go of her ghosts Katherine is in danger of tanking her career before it even begins Ryan and Katherine are natural competitors thrown together by their swing coach Maggie Hart Both have so much to prove and so little time for the inconveniences of falling in love But if they can figure out how to work together they just might be a force for women s sports and a beautiful match for each other Poems of Sidney Lanier, ed. by his wife [M. Lanier]. Sidney Clopton Lanier, 1891

In the mind of each person on the planet a set of notions and ideas of God or gods reside Some of these systems are basic and simple Others are highly complex and complicated Some borrow their God god notions from authority or from others they know Others are much more original eclectically piecing together many separate parts from multiple sources No two people in the world experience and translate God gods in the same way And this is what makes things so interesting As I have encountered this wonderful life I have also bumped up against countless people who were in the position to explain exactly who God was and was not They were quite sure of themselves and anxious to impart this wisdom to me But because I had a mind and heart of my own this put me on the outside looking in for much of my life We all come to a place where we realize we must make our minds up as to what we will and will not do how we will think and who we will be As I have encountered them and their God gods I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2 part book *Antiques* ,1925 Catalog of Copyright Entries.
