The Love of a Sailor for His Ship James D. Hutchison, 1980 Warship International ,1984 The Sailors' Magazine and Seamen's Friend ,1873 Our Navy ,1928 **Our Navy, the Standard Publication of the U.S. Navy** ,1913 **DAV** ,1983 The Sailor's Magazine ,1858 Army-Navy-Air Force Register and Defense Times ,1903 **The Fleet** ,1926 All Hands ,1947 **United States Navy Magazine** ,1927 Silver Screen ,1942 **From the Forecastle to the Pulpit** Charles J. Jones, 1884 The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1877 Battle Line Thomas C Hone, Trent Hone, 2006-04-03 A portrait in words and photographs of the interwar Navy this book examines the twenty year period that saw the U S fleet shrink under the pressure of arms limitation treaties and government economy and then grow again to a world class force The authors trace the Navy s evolution from a fleet centered around slow battleships to one that deployed most of the warship types that proved so essential in World War II including fast aircraft carriers heavy and light cruisers sleek destroyers powerful battleships and deadly submarines Both the older battleships and these newer ships are captured in stunning period photographs that have never before been published An authoritative yet lively text explains how and why the newer ships and aircraft came to be Thomas Hone and Trent Hone describe how a Navy desperately short funds and men nevertheless pioneered carrier aviation shipboard electronics code breaking and with the Marines amphibious warfare elements that made America s later victory in the Pacific possible Based on years of study of official Navy department records their book presents a comprehensive view of the foundations of a navy that would become the world s largest and most formidable At the same time the heart of the book draws on memoirs novels and oral histories to reveal the work and the skills of sailors and officers that contributed to successes in World War II From their service on such battleships as West Virginia to their efforts ashore to develop and procure the most effective aircraft electronics and ships from their adventures on Yangtze River gunboats to carrier landings on the converted battle cruisers Saratoga and Lexington the men are profiled along with their ships This combination of popular history with archival history will appeal to a general audience of naval enthusiasts **Stateline** ,2005 Motion Picture News ,1911 The Nation ,1928 **So Long for Now** Jerry L. Rogers, 2017-03-09 Elden Duane Rogers died on March 19 1945 one of the eight hundred who perished on the aircraft carrier USS Franklin that day It was his nineteenth birthday Write home often the navy told sailors like Elden thinking it would keep up morale among sailors and those waiting for them stateside But they were told not to write anything about where they were where they had been where they were going what they were doing or even what the weather was like Spies were presumed everywhere and loose lips could sink ships Before a sailor s letter could be sealed and sent a censor read it and with a razor blade cut out words that told too much So Long for Now reconstructs the lost world of a sailor s daily life in World War II piecing together letters from Elden s family in Vega Texas and from his girlfriend the untold stories behind Elden s own letters and the context of the war itself Historian Jerry L Rogers delves past

censored letters limited to small talk and local gossip to conjure the danger excitement boredom and sacrifices that sailors in the Pacific theater endured He follows Elden from enlistment in the navy through every battle the USS Franklin saw Flight deck crashes kamikaze hits and tensions and alliances aboard ship all built to the unprecedented chaos and casualties of the Japanese air attack on March 19 So long for now Elden signed off never Goodbye This moving work poignantly confronts the horrors of war giving voice to a young sailor the country he served the family and friends he left behind and the hope that has sustained them
