Measure Twice, Love Once Yvonne Kohano,2015-04-21 Fortune smiles upon the brave and frowns upon the coward For Geno Altimari the old Latin proverb proved to be true One pivotal night and a denied entreaty changed everything It cost him years of friendship and missed opportunity for a life that might have been his destiny simply because he was afraid Love was never the same Burying his caution under a laid back smile made it easier to hide his regrets When karma offers him a second chance he wants to be the man everyone believes he is His personal apprehension is harder to conquer But Agnes Amendola needs him and her daughter longs for something special to make her life complete something in Geno's power to provide Can he overcome his anxiety over his past mistakes As their teacher said in first grade Altimari and Amendola sound destined to be together Maybe this time fortune will smile upon them The Flynn's Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises
