The Witch and Wizard Training Guide Sirona Knight, 2001 For anyone who has ever wanted to cast a spell or make a magic potion this guide can show them how It contains positive spells for love money friendship and personal empowerment and also how to make magic wands cloaks altars and more Illustrations *101 Romantic Ideas for Your Special Someone* Daniel A. Pepe, 2007 Daniel A Pepe s 101 Romantic Ideas for Your Someone Special is a tremendous resource for both men and women who desire a better more romantic nature to their relationships Chock full of refreshing ideas to add romance spontaneity and new life to your relationship whether single or married **Women and Religion in the African Diaspora** R. Marie Griffith, Barbara Dianne Savage, 2006-09-22 This landmark collection of newly commissioned essays explores how diverse women of African descent have practiced religion as part of the work of their ordinary and sometimes extraordinary lives By examining women from North America the Caribbean Brazil and Africa the contributors identify the patterns that emerge as women religion and diaspora intersect mapping fresh approaches to this emergent field of inquiry The volume focuses on issues of history tradition and the authenticity of African derived spiritual practices in a variety of contexts including those where memories of suffering remain fresh and powerful The contributors discuss matters of power and leadership and of religious expressions outside of institutional settings The essays study women of Christian denominations African and Afro Caribbean traditions and Islam addressing their roles as spiritual leaders artists and musicians preachers and participants in bible study groups This volume s transnational mixture along with its use of creative analytical approaches challenges existing paradigms and summons new models for studying women religions and diasporic shiftings across time and space **Magic Lessons** Alice Hoffman, 2021-09-07 In an unforgettable novel that traces a centuries old curse to its source beloved author Alice Hoffman unveils the story of Maria Owens accused of witchcraft in Salem and matriarch of a line of the amazing Owens women and men featured in Practical Magic and The Rules of Magic

Percolations Marilyn J. Agee, Deirdre Nielsen, Susan Lamarre, Susan Smith, Mary Ann Campbell, Thomas Blacklock, 2010-10-19 Many a famous tale began with Once upon a Time While yet others led off with It was a dark and dreary night Each author using these openings was attempting to set the tone for his or her story and poem that followed None of the stories or poetry that follow in this book set their tone with such epic or historic and yes sometimes hackneyed openings Instead they all begin with what the individual author considered a fresh perspective on a subject of either his or her choosing or one chosen for him her In order to better understand this last statement an explanation of how these authors came together to write such stories is required In 2005 Milli Thornton the author of the book Fear of Writing for writers a rail against some minor injustice or poking fun at one of lifes inane situation became fodder for these authors Just as important as the prompt or fertile material as Thornton refers to them as was the understanding that the stories and poems when read at the conclusion of each weekly meeting would not be negatively critiqued unless requested by the author

Instead each participant would receive positive feed back and encouragement on his or her works in hopes that it would inspire him her to continue writing The theory behind this kind of writing support can best be articulated in the words of Thornton when she discussed unleashing your imagination She advised The more you flex it the more limber it becomes Positive reinforcement was intended to aid in the limbering effort to encouraging them to continue to write and therefore become better writers That the theory proffered by Thorntons was effective one merely has to look at the limited success of several of the authors who have contributed to this book Two authors submitted and had their short stories selected to be read on Texas Public Radio One author received honorable mention in another short story competition Another of this group of authors finished and published a novel and has completed another book that is being readied for publication These accomplishments might have not been achieved had it not been for this writing group Moreover this book would have not been written had it not been for the desire and dedication of these authors who week in and week out continued to pour out their souls in their short stories Over the succeeding years numerous writers passed through this group Some moved on as their life situations changed others needed something other than what was offered by the group And still others decided for personal reasons that the group did not satisfy their writing needs What remained was a constant core of writers who continued to meet and toil each Tuesday or whenever possible The stories and poems contained in this book are the works of that core of writers This group of writers hope that you the reader get as much joy from reading this collection of short stories as their authors did in creating them The book has been divided Succubus Kiss: The Complete Series Jennifer Snyder, Her kiss can kill Kenna might be the only Succubus with a conscience but life isn t so bad now that she s figured out a specific way to find her male meals The only issue is her nonexistent love life That all changes when a handsome stranger walks into her life He may be a legendary vampire but at least she can kiss him without killing him However dating the inspiration for Dracula might be more than Kenna bargained for This boxed set includes all four books in the completed Succubus Kiss series If you enjoy New Adult Paranormal Romance or Urban Fantasy with mystery romance and twists you ll never see coming this series is for you *New York Magazine* ,1992-11-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Who Sang What on Broadway, 1866-1996** Ruth Benjamin,Arthur Rosenblatt ,2025-10-01 Hours of lost sleep with a tune running around one s head and that voice Whose is it and from which Broadway production Debates over a performer s repertoire devolving into acid arguments blows traded friendships torn asunder Must the maddening question of exactly who sang just what continue It cannot and thanks to this book it shall not This massive compendium lists alphabetically every performer who sang on Broadway in the role of a named character

earning mention in the program of a musical or revue Covering the period of 1866 to 1996 it is an invaluable guide to performances by the well known and the obscure the career stage performers as well as the one timers whose names never again graced a playbill Performers entries include date and place of birth date of death marital status names of performing relatives or partners appearing in the book and brief career highlights Details of specific performances follow the musical the venue or venues at which it played the character and the dates of portrayal the title of the songs performed the lyricists and composers of each song and more Indexes one of show and song titles the other of composers and lyricists allow for easy cross referencing A select bibliography is included *Rick and Morty Book of Gadgets and Inventions* Robb

A Midsummer Night's Dream Adam McKeown, 2009 A stunningly illustrated and accessible retelling of Shakespeare's gossamer tale of mixed up love among humans and fairies.

Hotel Fantastique Al Ferber, 2003-02-28 Hotel Fantastique was built in the early part of an unknown century in a part of a city that was on the edge of a town that was on the outskirts of every dream that was ever dreamt or would ever be dreamed to provide asylum and sanctuary for fugitives from the Killing Fields and the Land of the Screaming Leaves. It is owned and operated by all of those who would be so bold as to trade their grand or meager kingdoms for a dream and send out invitations to all points in geography, space and time. Gus I think it Hotel Fantastique is fantastique it should be known by the faculty who teach medical ethics, clinical care. Spencer M. Marcus M.D. Well it's a bit pricey it's in a part of town that used to be nice but has become quite seedy. I like that it is near theaters and museums as well as some very fine restaurants but I still have to explore some of the adjacent alleys. Herbert L. Martin Artist Educator Book me a suite I hear that Jean Paul is making a guest appearance this weekend. Is it true? Do I have to bring my own lesbians or are they provided? Jack Friedel Speech Therapist Hotel Fantastique is really taking my imagination on a ride I love it. Melissa Apsche Writer
