The Quotidian Politics of a Love Story: Researching, Assembling, and Mobilizing the Lunda Legend in the Late Nineteenth Century

(Received 4 January 2023; revised 12 January 2023; accepted 18 April 2023)

Abstract

The love story between Chibinda Ilunga and Lueji, one of the best-known legends of Central African history, recounts the genesis of the Mwant Yav dynasty of the Lunda polity. Previous discussions of the narrative pitted symbolic interpretations against historical findings. This article asks why the Lunda love story became so influential from the middle of the nineteenth century. Instead of being an exclusively Lunda genesis narrative, the love story represented the interests and narratives of societies brought together by the caravan trade in Kasai and eastern Angola, including Chokwe, Ambakista, Luba, and Imbangala, all of whom added components to the legend compiled by Portuguese explorer and diplomat Henrique Dias de Carvalho. The legend took on importance as diverse factions competed for political titles and trading profits. In the hands of Carvalho and his informants the love story became a tool to construct a Pax Lunda guaranteed by the Portuguese. By demonstrating the quotidian politics of the love story, the article suggests the utility in the historical contextualization of the telling of oral traditions to appreciate their multiple meanings.

Keywords: Central Africa; Angola; Democratic Republic of the Congo; oral tradition; legend; precolonial; historiography; Lunda; Chokwe; Caravan Trade

The peoples of eastern Angolan and Kasai regions tell the story of a leader, Yal Mak who, disappointed with the uncivilized behavior of his sons and would be heirs, Kinguri and Kinyama, decided to give the insignia of rule, the *lukano* bracelet, to his youngest daughter, Lueji.¹ One day, her courtiers encountered strangers bathing in the river. They asked the leader of the group who they were. 'A hunter of the *Mulopwe* [sacred king] Mutombo, we have meat, we want salt', he replied.² After her courtiers told Lueji of this hunting man, 'Chibinda Ilunga', she went to meet him. The following are some of the key incidents of the encounter, one of the most famous and influential legends of southern Central Africa, translated directly from the account of the diplomat, explorer, and ethnographer, Henrique Augusto Dias de Carvalho (henceforth Carvalho), the source most relevant to this article:

¹Orthography of names and titles differs in several European and African languages, as well as renditions of Lunda history. Titles are introduced in *italics*. For titles and names that are not common, to avoid confusion and demonstrate equivalence with primary sources, I have used the spelling found in the primary sources, particularly Henrique Dias de Carvalho; where there are clear English conventions, I have followed J. Thornton, *A History of West Central Africa* (Cambridge, 2020). Following Carvalho, I do not distinguish between Lunda and Ru[un]d.

²As cited in Thornton, *History*, 218, from H. Dias de Carvalho, *Ethnographia e história tradicional dos povos da Lunda* (Lisbon, 1890), 66–7.
