Love Has His Way:

Love has his way Barbara Cartland,2021-07-01 After an evening dinner with renowned French ballet dancer and beauty Nicole de Pr t handsome young buck about town the Marquis of Sarne is stirred from a deep sleep to realise that he has been drugged and then rendered unconscious And he is in a strange bed in a strange house somewhere in London Far worse though is the revelation that in his stupor someone has married him to some young servant girl he does not even know by his bitter enemy Lord Kirkhampton To avoid the likely scandal and humiliation that his predicament will bring him he decides to take his bride to his house in Grosvenor Square and there to arrange a divorce as best he can But soon he realises that this girl was not a willing participant in Lord Kirkhampton s deceitful trick nor is she the plain servant girl he had assumed at first In fact Romana Wardell is startlingly beautiful and attractive remarkably intelligent and every bit as appalled by their situation as he is Then the more that the reluctant newlyweds become acquainted the less the urgency they feel to put this forced marriage to an early end Perhaps after all she has the makings of a Marchioness of Sarne **Love Has a Story**

Juanita Tischendorf,2018-09-04 Is it ever too late to have a last chance at love Who knows but the heartwarming book Love Will Find A Way may have the answer This book carries itself with grace and class despite its tough subject matter And that s due largely to the persons of Parker and Trinity Parker learns that he has inoperable cancer and not long to live A stock broker by trade and use to overcoming obstacles and predicting outcomes he finds himself at a loss on how to close the deal It is by chance he runs into Trinity a will o the wisp free spirit who has hidden issues of her own one of which is learning she has terminal cancer But sometimes chemistry overshadows practicality and the two are drawn together in ways both heartwarming and sad Despite the subject matter the book provides humor to soften the absurdities of life Humor is splatter through the pages giving definition to the characters demonstrating what is

L. Welch,2018-10-09 GOD IS THE VOICE OF LOVE God is Love I John 4 18 This book was inspired by God to heal relationships of all kind not just marriages God s plan is to ultimately bring healing to dysfunctional relationships by turning people hearts back to him where Love began God wants people to seek him for guidance and instruction on how to really Love someone If you believe that you have found that special person to share your life with and everything is going good but you know deep within your soul it could be better and you would like it to be what God has planned it to be I pray that as you read this book you can began to hear the voice of God talking to you For those who are hoping to one day find that special someone to fulfill your life PLEASE wait on God Understand that God knows what He has placed in you and He knows that you are unique in Him He has invested so much in you as a person His desire is to please you and give you the desires of your heart You must know that He has the perfect person that he s preparing for you one that will love you in a very special way Understand who you are and how unique you are Unique means that you are the only one designed for that particular person That particular person is hard to find when we don t want to wait on God so that He can lead us to them You must decide to wait on God by

telling yourself you are special you have value and you have worth because you can't think more highly of someone else than you think of yourself So put a price on what God has placed in you and see how much a person is willing to pay for it don't sell yourself cheap Learn to hold on to that special gift God has given you and preserve yourself for that special person God has prepared for you to Love you with the Love that God has given them to love only you Remember you deserve God's best don't settle for less You have to listen to the Voice of Love that is in you and that voice is God allow him to talk to you Trust me it's real Be anxious for nothing but in everything by prayer and supplication with thanksgiving let your requests be made known to God Philippians 4:6-7 Real Love is out there you just have to wait on it and with God's help it will come **Love**

Love Is a Story Robert J. Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating

examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out
