A twentieth anniversary edition with brand new or thoroughly revised essays that reflect newer thinking in feminist interpretation and hermeneutics **The History of the Origins of Christianity - Book I: The Life of Jesus** Joseph Ernest Renan, 2016-12-29. This work had a large hand in shaping modern Biblical criticism. Using the German form of criticism in his own day, Renan goes through the Gospels and examines the miracles and other aspects of the life of Jesus. Although the work denies the divinity of Christ, this documents role in shaping how we work with the Bible is significant **History of the Church of Jesus Christ of Latter-Day Saints** Church of Jesus Christ of Latter-day Saints, 1902. *The Unity of the Bible* Duane L. Christensen, 2020-09-22. This landmark work represents an imaginative and important new analysis of the basic development of the Scriptures through the centuries. Christensen explores the overall unity of the entire Bible not just as a collection of sixty-six or seventy-two individual books nor just as the Old and New Testaments but as a single literary work that comprises today's Christian Bible. He shows how it emerged over the course of centuries in distinct stages. The Hebrew Scriptures or Old Testament developed in three steps from the formation of the Pentateuch and Prophets that took place up to the time of Josiah in the seventh century B.C.E. followed by the production of the Deuteronomic Canon during and following the Exile and then the completion of the whole Hebrew Canon as we now have it. This was followed by a second major phase, the development of the Apostolic writings to be added to the First Testament as a Second or New Testament. After tracing the growth of the Bible in these stages, Christensen examines the structure and literary art of each major section from the Pentateuch/Torah to the New Testament **All That Matters** Rick Chupek, 2022-11-03. Heaven or hell for all eternity and there's nothing in between. Are you leading a life worthy of heaven? This book will help guide you to: 1. Grow in the knowledge of God 2. Lead a life worthy of the Lord 3. Let go of this sinful world 4. Endure in times of trials 5. Multiply good works 6. Place your past in the trash 7. Recognize Satan and his deceit in our lives. Defeat all your daily temptations and totally grasp how to follow that difficult narrow path. Never again travel the wide path that Satan invites us to travel by deceiving and blinding us in thinking that it's the right path. *The New Testament ... According to the Authorised Version, with Upwards of Sixty Illustrations by Kenny Meadows ... and Notes Historical and Descriptive*, 1847 **Divine Spiritual Laws** Chantal R. Nielsen, 2012-02. When our choices and decisions are based on the Word of God, we leave no place for the enemy to misdirect our lives **Revelations of the Divine Plan of the Ages** Basil Hewitt, 2007-12. Chalk is a fictional story about a young man born in the coalmine country of rural Kentucky. He was born in 1863 to an English father and Cherokee Indian mother. Hard time and hard work filled his younger years. When his parents were both gone, he followed a life of managing horses, doing blacksmith work, and eventually found a good job on a Mississippi river boat. His experience led him to become a trail boss on a Texas bound wagon train. In Texas, he

found his life's calling got married and became a local peace officer. At the same time he started ranching. His love and skills with horses and his honest life style he practiced found favor with the Military and he became a horse supplier for the Calvary. He was later drafted into military duty and rose rapidly in rank mustering out as a decorated Colonel. As an author I used information to write the story that was handed down by my father and my wife's family. My family had Cherokee roots and the stories my grandmother told me were very real. She was born in 1847 endured the Civil war aftermath and saw the First World War take the lives of many fine young men. My father and his brothers were in Pershing's Army and the stories they brought home were never forgotten. These times were difficult for everyone and need to be remembered. The lessons they contain are the real essence of how our country was able to grow to a major work power and leader in the cause for peace. As a first time author this work is an attempt to remind everyone that our nation has learned a lot but still has a lot more to learn. A great nation will always see another opportunity to improve. This is the American tradition. We Believe Rulon T. Burton, 2004 **Anglo-American Encyclopedia**, 1910 Golden day, Scripture stories Henry William Dulcken, 1881 *The Spirit of Acceleration* Tobe Momah, MD, 2019-10-21. As many have had their hope deferred and their hearts sickened as a result The Spirit of Acceleration offers a rekindling of that hope. The Spirit of Acceleration does in seconds or minutes what would normally take months or years to accomplish. Wherever the Spirit of Acceleration dawns God quickens things up. These last days are not a time for despair but a time for delight demonstration and deliverance. According to apostle Peter it will be a time of refreshing and restitution of all things. Acts 3: 19-21. This book espouses fundamental principles that guarantee speed and strength for the last day church before Jesus returns. In this book God teaches believers to work with wisdom so they can be backed up by kingdom wealth and accomplish God's end time agenda. The last day Spirit of Acceleration is God's last push to close the age and herald the return of the Lord Jesus Christ. Only a church militant and on the move however can eject the enemy and get victory in life. It takes speed to shine in life and going to manifest his glory. God has saved the best for the last. A glory that is unprecedented is about to shine forth from the church and it will herald his coming and be characterized by unusual speed and uncommon glory. That is why in Romans 9: 28-30 the Bible says He will finish the work and cut it short in righteousness because a short work will the Lord make upon the earth so that the Gentiles which followed not after righteousness have attained to righteousness even the righteousness which is of faith. **Loving One Another** Gene A. Getz, 2002. Loving One Another focuses on an important New Testament principle. God's plan is that local bodies of believers functioning as loving and caring units provide a dynamic community in which both personal witnessing and evangelistic preaching can become intensely productive. This new updated edition of the 1979 classic includes a personal and group study guide.
