She was the job and off limits but his heart wanted so much more. Heath Kubiak jumped at the chance when a Holt Agency job came up in the Apostle Islands. After years of working back to back missions all over the world, he longed to take some much needed time off. He knew that area of Lake Superior extremely well. He'd take lead of the team this time; they'd find whoever was lost in the National Park, then he'd stay for a week or two fishing and camping. Sounded like a perfect plan. All Annali Frantz wanted to do for the summer was get away from teenagers, her parents, and Washington D.C. She loved teaching biology to high school students but she also needed a break from them. When the opportunity arose for her to work at a research station and get a full semester credit toward her second master's degree, she couldn't pack her bags fast enough. For the past two years, her mother had been on a mission to find her the right husband for when her father, the senator, made a run for the White House. Ali, who preferred her nickname, found trout more interesting than politics, the only subject discussed inside the Beltway. Avoiding boring first dates and spending time on the Great Lakes with other scientists and forest rangers was the perfect summer plan. You know what they say about best laid plans. Will they work out right this time for Heath and Ali? *Unrestrained* KaLyn Cooper, 2023-09-26

Unidentified floating objects over the U.S.A. force the Holt Agency and Black Swan Team 2 into the frozen Alaskan winter. Kenner Lane grew up struggling in the unforgiving Alaskan interior. He knew what it meant to be freezing cold and how to avoid it. Move away. Joining the Navy the day after high school graduation was step one. Becoming a SEAL was step two. Subzero temperatures for months had been all the motivation he'd needed to earn his Trident. Now medically retired and a Holt Agency employee, he went where they paid him to go. Even if that meant guiding a bunch of women through his godforsaken birth state. Lieutenant Piper Knight always expected the best of herself. She would have made the Olympic swim team but instead took a commission in the United States Navy. She'd been accused of being half fish because of her love of all things water related: swimming, snorkeling, SCUBA diving, even fishing. Completing the Joint All Female Special Operations School at the top and joining Black Swan Team 2 accomplished her next goals. However, she had never aspired to go to Alaska in the dead of winter hunting what might be nothing more than a high school science experiment gone wrong. Opposites can attract but can Piper get Kenner past his preconceived notions of women and his loathing of the cold and allow her to warm his heart? *ELITE Redemption* KaLyn Cooper, 2022-02-22

Have they set her up to fail as the first female field agent at Guardian Security's New York City Center? Ryleigh Davenport was trained in SpecOps equally as qualified as any man who works for Guardian Security. Unchained (Holt Agency Book 2) KaLyn Cooper, 2023-01-24 After being rescued from the Ethiopian rebels' prisoner of war camp, Keene Soto returned to the United States a broken man. His torture had been of an especially personal nature. He believed himself to be only half a man and that half hadn't worked since his return to the USA. He was too damaged for any female, so he gave up hope of finding love. Until she touched him. Kelly Edson had moved to the Holt farm with her son Jock when her stepbrother and his best friend opened the Holt Agency. She'd hoped living on the farm in the middle of nowhere Indiana would change her luck. She'd been a loser magnet. Almost every man she'd ever dated was a failure at life, pulling Kelly and her son down with him. Working two jobs and studying for her next nursing certification while raising a son, she hadn't dated a loser in over two years. Because she hadn't been on a date, she was surrounded by hot single men who all worked for her brother and considered her a little sister. Except Keene. She looked forward to their nightly conversations on the porch swing. When Kelly and Keene discover she's the only one who can help him recover from his POW physical and emotional damage, will her brother keep them apart? When Kelly disappears, will the truth keep Keene from helping them find her? Unconventional Beginnings KaLyn Cooper, 2017-12-11 He's dead. But they can't allow it to affect her. She's too important. Nine months into the pilot program for the top secret Joint All Female Special Operations School, Katlin Callahan Malone's husband is killed in action along with his entire SEAL team. The Pentagon brass wants to know how that happened, but the four highest ranking women in all the military services are more concerned about its effect on Katlin. She is pivotal to the success of their test project. Will the death of her husband change her mind about women being allowed in SpecOps? Unconventional Beginnings sets the stage for the Black Swan series by giving you a glimpse into the lives of several main characters three years before Unrelenting Love, the first book in the series. **Shadow In the Daylight** KaLyn Cooper, 2022-08-23 He was done with missions, but Charley wasn't done with him. After he left the Navy, stripped of his SEAL Trident and his pride, Andrew did a quick covert job for Charley before parting ways. As the Security Officer aboard a cruise ship, he invited several SEAL friends to travel as his guests through the Panama Canal. He never imagined he'd need his highly trained skills for another of Charley's missions in the middle of the cruise. Kendra had worked her way up the male-dominated bridge crew, first in the U.S. Navy then for Monarch Cruise Lines to Staff Captain, second in command of a huge cruise ship. Her crew was well trained and respectful, except for the too sexy bossy Security Officer who reported directly to her. After succumbing to him, she discovers she enjoys their life.
