My Years With Louis St Laurent A Political Memoir:

My Years with Louis St. Laurent J. W. Pickersgill, 1975

My Years with Louis St. Laurent J. W. Pickersgill, 1975

Louis St Laurent was appointed to the Cabinet in 1941 and seven years later succeeded Mackenzie King as Leader of the Liberal party and as Prime Minister J W Pickersgill was then head of the Prime Minister's Office In a sense he writes King handed me on to St Laurent with the rest of the furniture Thus began the relationship which is the theme of this book It portrays St Laurent's leadership from his initial appointment to his retirement after the 1957 election and it describes Mr Pickersgill's own career in the East Block and later as a Member of Parliament and Minister It relates the changing parliamentary and electoral fortunes of the Liberal party and recalls the legislative achievements of the time along with many of the considerations behind them All in all it offers the reader a history of these years and a frank account of Canadian political life that cannot fail to interest and inform Mr Pickersgill found that he and St Laurent shared a sense of values about Canada even though they came from vastly different backgrounds He also found him an admirable person to work for and with Clear sighted and with a straightforward dignity and integrity Louis St Laurent never sought power but when it came to him he exercised it with such skill that for once under his leadership Canada seemed an easy country to govern Only one to closely associated with St Laurent could have written a book so fascinating and full of insight *The Unexpected Louis St-Laurent* Patrice Dutil, 2020-11-01 Much of Canada's modern identity emerged from the innovative social policies and ambitious foreign policy of Louis St Laurent's Liberal government His extraordinarily creative administration made decisions that still resonate today on health care pensions and housing on infrastructure and intergovernmental issues and further afield in developing Canada's global middle power role in global affairs and resolving the Suez Crisis Yet St Laurent remains an enigmatic figure Contributors to *The Unexpected Louis St Laurent* assess the degree to which he set the policy agenda They explore the features of his personality that made him effective or sometimes less so the changes he wrought on the state apparatus and federal provincial relations and the substance of his government's policies This wide ranging collection fills a great void in Canadian political history bringing together seasoned professionals and new scholars to investigate the far reaching influence of a politician whose astute policies and bold resolve moved Canada into the modern era Canadian History: Confederation to the present Martin Brook Taylor, Doug O'Wram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Rise to Greatness, Volume 1: Colony (1000-1867)** Conrad Black, 2017-03-07 Masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a revealing groundbreaking account of the people and events that shaped a nation The first of three volumes spanning from the year 1000 to 1867 and beginning with Canada's first

inhabitants and the early explorers this masterful history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today

Rise to Greatness, Volume 3: Realm (1949-2017) Conrad Black, 2017-05-05 Colourful comprehensive and masterfully written this is the third and final volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a vivid revelatory account of the people and events that shaped a nation The final of three volumes spanning from the year 1949-2014 this compelling history challenges our perception of our Canada's role in the world taking on sweeping themes and recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today

Behind the Scenes Robert Alexander Wardhaugh, Douglas MacEwan, 2010-01-01 Robert A Wardhaugh chronicles Clark's contributions to Canada's modern state in Behind the Scenes which reconstructs the public life and ideas of one of Canada's most important bureaucrats

Canada's Deep Crown David E. Smith, Christopher McCreery, Jonathan Shanks, 2021-12-02 The Crown in Canada has had a profound influence in shaping a country and a constitution that embraces the promotion of political moderation societal accommodation adaptable constitutional structures and pluralistic governing practices While none of these features themselves originated through legislative or constitutional action David E Smith Christopher McCreery and Jonathan Shanks propose that all reflect the presence and actions of the Crown Examining how a constitutional monarchy functions Canada's Deep Crown discusses how the legal and institutional abstractions of the Crown vary depending on the circumstances and the context in which it is found The Crown presents differently depending on who is observing it who is representing it and what role it is performing With a focus on the changes that have taken place over the last fifty years this book addresses the role of the Crown in dispersing power throughout Canada's system of government the function the sovereign governor general and lieutenant governors play and how the demise of the Crown and transition to a new sovereign is likely to unfold

Dynasties and Interludes Lawrence LeDuc, Jon H. Pammett, 2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political

landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty Death Penalty and Sex Murder in Canadian History Carolyn Strange,2020-10-21 This is the first historical study to examine changing perceptions of sexual murder and the treatment of sex killers while the death penalty was in effect in Canada **King** Allan Gerald Levine,2011 Advance Praise for King Here we have Allan Levine one of the aces of Canadian historical chronicles channelling Mackenzie King And what a story they have to tell our longest serving prime minister getting advice from his dog and having two way conversations with his long dead mother If Canadian history was ever dull it isn't now Get this book Book jacket **Rise to Greatness, Volume 2: Dominion (1867-1949)** Conrad Black,2017-04-04 Sweeping ambitious and revelatory this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today Canadians at Last Raymond B. Blake,1994-12-15 History provides some interesting case studies of what happens when trade barriers come down Among them is the story told in this book of Newfoundland's integration into Canada in the aftermath of the province's 1948 referendum Raymond B Blake takes a refreshing approach to this episode in Canadian history avoiding the old shibboleths of conspiracy and local nationalism and instead making a down to earth study of economic and political events Canadians at Last explores the efforts of the many Canadians and Newfoundlanders who tried to make Confederation work Blake argues that Canada wanted union to remove any uncertainty in its dealings with Newfoundland over civil aviation defence and trade Newfoundland opted for union largely because Canada's burgeoning social welfare system promised a more secure existence Investigating the complex problems they encountered Blake details changes in trade fishing and manufacturing and in the political process in Newfoundland He also looks at the introduction and impact of social programs and the terms of the US military presence there Finally he demonstrates that by 1957 Newfoundland's integration into Canada was essentially complete it was being treated the same as the other provinces subject to the terms of union By beginning with the 1949 Confederation rather than the activities leading up to it and by thoroughly documenting areas of agreement contention and neglect Blake writes a solid

contemporary history of Newfoundland's integration into Canada Virtually the only complete academic treatment of this subject Canadians at Last offers much basic information that so far has not been made available

Planners and Politicians Penny Bryden, 1997 This text explores the interrelationship between social programmes federal provincial relations the role of the bureaucracy in devising and legitimizing policy and the nature of political power in the modern Canadian state

Korea John Melady, 2011-12-10 In this revised edition men from the army navy and air force are honoured for their bravery in the Korean War The Korean War 1950-53 forms a little known but exciting part of Canada's military history The heroism and sacrifice of Canadians who fought in this conflict as part of the United Nations force has often been ignored In this lively anecdotal book John Melady combines archival material and interviews with many Korean veterans The result is a vivid intensely human account of the war from its first days to heroic battles such as Kapyong to fascinating and more obscure incidents such as the Koje prison camp insurrection as well as personal stories of doctors POWs and journalists who witnessed the conflict including Pierre Berton and Rene Levesque The men from across Canada who served and fought were forever changed by what they saw and experienced in this faraway land Army navy air force all receive their share of long overdue praise in this important book which was originally published in 1983 but is now fully revised

Being Prime Minister J.D.M. Stewart, 2018-06-16 Behind the politics discover the lives of Canada's leaders What a life it is to be prime minister John Diefenbaker Canada has had twenty three prime ministers all with views and policies that have differed as widely as the ages in which they lived But what were they like as people Being Prime Minister takes you behind the scenes to tell the story of Canada's leaders and the job they do as it has never been told before From John A Macdonald to Justin Trudeau readers get a glimpse of the prime ministers as they travelled dealt with invasions of privacy met with celebrities and managed the stress of the nation's top job Humorous and hard working vain and vulnerable Canada leaders are revealed as they truly were

Learning to Love the Bomb Sean M. Maloney, 2007 In Learning to Love the Bomb Sean M Maloney explores the controversial subject of Canada's acquisition of nuclear weapons during the Cold War Based on newly declassified Canadian and U S documents it examines policy strategy operational and technical matters and weaves these seemingly disparate elements into a compelling story that finally unlocks several Cold War mysteries For example while U S military forces during the 1962 Cuban Missile Crisis were focused on the Caribbean Sea and the southeastern United States Canadian forces assumed responsibility for defending the northern United States with aircraft armed with nuclear depth charges flying patrols and guarding against missile attack by Soviet submarines This defensive strategy was a closely guarded secret because it conflicted with Canada's image as a peacekeeper and therefore a more passive member of NATO than its ally to the south It is revealed here for the first time The place of nuclear weapons in Canadian history has until now been a highly secret and misunderstood field subject to rumor rhetoric half truths and propaganda Learning to Love the Bomb reveals the truth about Canada's role as a nuclear power

Dangerous Writing

Carmen Luz Fuentes-Vásquez, 2013 This book examines the literary construction of personal identity through autobiographical narratives by three significant writers analysed together for the first time the Scottish Willa Muir 1890 1970 the Canadian Margaret Laurence 1926 1987 and the New Zealander Janet Frame 1924 2004 These apparently dissimilar authors suffered not only geographical but also political marginality they were women from the working class or struggling middle class striving to be considered as professional writers and emerging from countries that might be felt to be under the shadows of economic and political world powers such as England and the United States During their lifetimes they exerted themselves to overcome prejudices about class gender and ethnicity They experienced war and the post war era and lived through most of the twentieth century being accurate witnesses and critics of their times As it discusses major writers who are iconic for the development of the literatures of their respective countries this book also attracts readers who are interested in learning more about the lives of these remarkable women the way their socio historical and geographical circumstances affected their writing and how they expressed such concerns in their autobiographies and other fictional and non fictional works besides considering them in relation to contemporary women writers and autobiographers who underwent similar experiences

Equal as Citizens Richard Starr, 2014-05-30 No matter where they live Canadians expect and receive equal benefits from their government when it comes to old age pensions consular services when travelling abroad and airline safety Canadians also expect the same quality of education medical care and social benefits anywhere in the country But when government services come from provinces and not Ottawa differences in the quality of services can be enormous Canada's provinces have equal responsibilities but very unequal means to pay for those responsibilities Equal citizenship for all Canadians is an idea that has a long and distinguished pedigree in Canadian life When differences between the provinces grew dramatically in the early twentieth century politicians crafted a response that sought to equalize services across the country They called these measures equalization and the idea was deemed so fundamental that it was embodied in the 1982 Canadian constitution But Canada has changed The centre of wealth has been shifting from Ontario toward the resource rich provinces The wealth gap between provinces has grown and with it disparities in taxes and services available to citizens Regionalism and neoconservative ideas have undermined support for equal citizenship In this compelling new book Richard Starr traces the history of this idea He tracks how it has been undermined and attacked and proposes how it can be reframed in a twenty first century context to attract the support of most Canadians

Art of Sharing Mary Janigan, 2020-07-23 In 1957 after a century of scathing debates and threats of provincial separation Ottawa finally tackled the dangerous fiscal inequalities among its richer and poorer provinces Equalization grants allowed the poorer provinces to provide relatively equal services for relatively equal levels of taxation The Art of Sharing tells the dramatic history of Canada's efforts to save itself The introduction of federal equalization grants was controversial and wealthier provinces such as Alberta wanting to keep more of their taxpayers money for their own governments continue to attack them today Mary

Janigan argues that the elusive ideal of fiscal equity in spite of dissent from richer provinces has helped preserve Canada as a united nation Janigan goes back to Confederation to trace the escalating tensions among the provinces across decades as voters demanded more services to survive in a changing world She also uncovers the continuing contacts between Canada and Australia as both dominions struggled to placate disgruntled member states and provinces that blamed the very act of federation for their woes By the mid twentieth century trapped between the demands of social activists and Quebec s insistence on its right to run its own social programs Ottawa adopted non conditional grants in compromise The history of equalization in Canada has never been fully explored Introducing the idealistic Canadians who fought for equity along with their radically different proposals to achieve it The Art of Sharing makes the case that a willingness to share financial resources is the real tie that has bound the federation together into the twenty first century

My Years With Louis St Laurent A Political Memoir Introduction

In the digital age, access to information has become easier than ever before. The ability to download My Years With Louis St Laurent A Political Memoir has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download My Years With Louis St Laurent A Political Memoir has opened up a world of possibilities. Downloading My Years With Louis St Laurent A Political Memoir provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading My Years With Louis St Laurent A Political Memoir has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download My Years With Louis St Laurent A Political Memoir. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading My Years With Louis St Laurent A Political Memoir. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading My Years With Louis St Laurent A Political Memoir, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download My Years With Louis St Laurent A Political Memoir has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About My Years With Louis St Laurent A Political Memoir Books

1. Where can I buy My Years With Louis St Laurent A Political Memoir books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
