Thinking Spiritually in Small Groups Dann Wigner,2022-05-09 Mystical experiences are happening every day yet as amazing as the experiences can be it is often difficult to integrate these experiences into the rest of life In light of this difficulty I have created mystical reflection as a simple method for sharing one s own mystical experiences in a group setting and listening to the experiences of others in a non judgmental way The theological principle at work here is that if God speaks then everyone can benefit from it Mystical reflection takes this principle seriously and offers a method of application for integrating the spiritual insights into each person s spirituality The Golden Scarecrow Horace Walpole,2018-04-05

Reproduction of the original *The Golden Scarecrow* by Horace Walpole *The Print of His Hand* Willia Winnie Momberere,2008-09-18 The idea of writing this poetry devotional book was born after prayer and fasting It was inspired by the Holy Spirit when I asked God to breathe an idea into me Most of the poems in this book are experiences of the things I have faced how God has lifted me up and given me strength to pull through An intense war was going on inside me Knowing the grace of God as I struggled to live right and hold on to my faith has turned me into a great worshiper My faith has been shifted to another level During writing God was working through me and He has transformed me in an amazing way I pray that the Holy Spirit will minister to you as you read and that the poems will inspire encourage counsel and change you
