Hill, John H. Walton, 2024-02-13 An indispensable guide for exploring the literary historical and theological issues behind the Old Testament now fully updated The purpose of studying the Old Testament is to understand God and his redemptive work more fully However this goal is complicated by the fact that it was transmitted through a very different

language and culture from our own A Survey of the Old Testament addresses background information purpose message structure and major themes of the Old Testament to help readers understand its message and relevance Chapters introducing each major section of the Old Testament are included as are chapters dealing with issues of interpretation hermeneutics theology geography archaeology history formation of the Old Testament canon and the Old Testament s relationship to the New Testament The fourth edition features a renewed focus on purpose theology and message while also providing a more succinct textbook less intimidating to students Features included for each book of the Old Testament Writing of the Book Background Outline of the Book Purpose and Message Structure and Organization Major Themes Questions for Further Study and Discussion Further Reading Complete with updated full color maps photos timelines and charts the latest edition of this widely acclaimed textbook is a useful and readable tool for students and other readers who wish to better understand the Old Testament and God s redemptive work

An Annotated Guide to Biblical Resources for Ministry David R. Bauer, 2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia *Encountering the Old Testament (Encountering Biblical Studies)* Bill T. Arnold, Bryan E. Beyer, 2015-08-11 This new edition of a bestselling evangelical survey of the Old Testament over 180 000 copies sold has been thoroughly updated and features a beautiful new interior design It is lavishly illustrated with four color images maps and charts and retains the pedagogical features that have made the book so popular chapter outlines objectives and summaries study questions sidebars featuring primary source material ethical and theological issues and contemporary applications lists of key terms people and places further reading recommendations endnotes and indexes The book is supplemented by web based resources through Baker Academic s Textbook eSources offering course help for professors and study aids for students [The Understanding of Adultery in the Hebrew Bible](#) Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all

biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples

Leviticus, Numbers, Deuteronomy David Weston Baker, David Baker, Dale A. Brueggemann, Eugene H. Merrill, 2008 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It s designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God s Word by presenting the message of each passage as well as an overview of other issues surrounding the text Publisher *The Sin of Moses and the Staff of God* Johnson Lim Teng Kok, 2018-07-17 According to the opinio communis of the exegetes the sin of Moses is one of the most difficult conundrums to resolve in the history of interpretation This Pentateuchal puzzle has not only perplexed ancient and modern exegetes but has also produced a multiplicity of answers A plethora of explanations proposed by exegetes on the sin of Moses appears to be strong on conjectural ingenuity but weak on textual evidence A fresh exegetical probe is therefore warranted using a hermeneutical strategy whereby a narrative approach is attempted in order to understand Num 20 1 13 in the light of Exodus 17 1 7 These narrative analogies are part of a distinctive feature in the Hebrew narrative style labelled Type scene The main thrust of this book is that the sin of Moses recorded in Numbers 20 1 13 is linked to the unlawful and wilful act of trifling with the sacred staff in striking the rock This is because the staff of Moses has already become the staff of God Exod 4 20 17 9 Moses abuse and misuse of the staff constitutes an act of lese majeste because it is seen as an act of rebellion against YHWH s authority Inevitably Moses eclipses YHWH s personality presence and power in the eyes of the people His condign punishment is the forfeiture of the privilege of leading the people into the Promised Land

De-demonising the Old Testament Judit M. Blair, 2009 Judit M Blair challenges the common view that azazel lilith deber qeteb and reshef are names of demons in the Hebrew Bible claiming that major works on the subject proceed from the assumption that these terms were demons in the ancient Near East and or later or that they were deities who became demonised by the authors of the Hebrew Bible Without questioning the validity of traditional methods she supplements the existing works by making an exegesis based on a close reading of all the relevant texts of the Hebrew Bible in which these five terms occur Close attention is paid to the linguistic semantic and structural levels of the texts The emphasis is on a close examination of the immediate context in order to determine the function of each term The author notes different signals within the texts especially the use of the

Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship **NIVAC Bundle 1: Pentateuch** John H. Walton, Roy Gane, Daniel I. Block, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for

today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written Mission Possible Julie C.

Ma,2005 **Sacrifice and Gender in Biblical Law** Nicole J. Ruane,2013-08-06 This book examines the Hebrew Bible's numerous laws about sacrificial procedure to understand the significance of gender in sacrificial rituals and the reasons that gender distinctions are so vital in these acts Gender selection of both victims and participants is an intrinsic aspect of the nature and purpose of each rite affecting its form and function as well as its legitimacy Sacrifice and Gender in Biblical Law considers the laws of the firstborn the rite of the red cow laws of slaughter rituals of purification and other offerings It shows that these laws regulate material wealth and contribute to the construction of social roles *Retiring Retirement* Rodney Macready,2022-05-03 In *Retiring Retirement* Rodney Macready doesn't believe retirement is a biblical concept especially the way it's practiced in today's Western culture with a sense of entitlement His aim is to challenge readers to think about retirement and what the Bible has to say in relation to it He encourages retirees to continue to be productive and contribute to the Kingdom and challenges us to evaluate our current concept of retirement by exploring what the Bible says about it

Reconciliation Janez Juhant,Bojan Žalec,2012 The book considers reconciliation from various points of view biblical foundations of reconciliation philosophical aspects Girardian and Bonhoefferian reflections on reconciliation intellectual and post totalitarian history psychotherapeutic approaches The authors consider reconciliation also in very concrete historical contexts Hungary Russia Slovenia Islam and Christianity Despite some disagreements their common message is clear human history and present times are covered with blood suffering of innocent victims and negative emotions Hence the only acceptable way is cultivation of the culture of reconciliation **The American Church Review Volume XLII**
