Numbers - Women's Bible Study Participant Workbook Melissa Spoelstra, 2017-08-01 Something in us aches for more hope more joy more freedom All around us people are dancing to the steps of bigger better and faster and we can easily join in without even realizing it Before long complaining and comparing accompany our desire for more yet we're not any closer to filling the ache inside God offers us another way In this study of the Book of Numbers we'll find a group of people that wandered in the desert for forty years unable to enter the Promised Land because of their complaining grumbling and lack of faith The New Testament tells us that their story was written to warn us 1 Corinthians 10:6 so that we would not make the same mistakes and suffer the same consequences God sent his only Son to die to buy our freedom from the sin that leads to discontentment and we find our own promised land of peace and contentment in the life he gives us By exploring Numbers we can come to identify the reasons for our complaining learn contentment while being authentic about the difficulties of life accept short term hardship in light of the greater good of God's ultimate deliverance recognize the relationship between complaining and worry and discover how to realign with God's character and promises Together we will learn contentment as we discover more of our incredible God who truly is more than enough Only God can fill that ache inside and help us focus on his provision and purpose in the midst of life's joys and pains The participant workbook includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 20-25 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study's components

Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

Leviticus-Numbers Lloyd R Bailey, 2018-05 The contrast in appreciation of Leviticus and Numbers by the synagogue on the one hand and by the church on the other is little short of astonishing The former has considered it crucial to an understanding of God and of the nature of the chosen people Israel The latter has usually reduced it to allegory or as a mere historical record of Israelite religion In this new volume of the

Origen of Alexandria 185 254 one of the most prolific authors of antiquity and arguably the most important and influential pre Nicene Christian theologian was a man of deep learning and holiness of life Regrettably many of his works are no longer extant in part due to the condemnation of his ideas by the Fifth Ecumenical Council in 553 The condemnation however took little account of his historical circumstances and the tentative nature of his speculations The anathemas were more likely directed toward sixth century Origenist views than to the views of Origen himself though clearly he expounded some views that would be judged unacceptable today Origen s numerous homilies provide the oldest surviving corpus of Christian sermons and shaped exegesis for succeeding centuries With Jerome he was one of the early church s great critical and literal exegetes Devoutly he sought to develop a spiritual exegesis of the Old Testament grounded in the revelation of Jesus Christ The Homilies on Numbers presented here offer a splendid example of his spiritual interpretation of Old Testament texts He asks What foreshadowing what warning what instruction what encouragement reproof correction or exhortation do we find in the narratives of Numbers for our benefit as Christians Here based on Baehren s critical Latin text is the first English edition of these homilies ably translated with explanatory notes by Thomas P Scheck Ancient Christian Texts are new English translations of full length commentaries or sermon series from ancient Christian authors that allow
