Numerology Sonia Ducie,2009 The ancient practice of numerology offers us insight and guidance for dealing with the modern world Internationally recognized numerology expert

Sonia Ducie Dip explains how each of us has numbers that dramatically impact our lives. By breaking down the numbers in our birthdates and our names we can determine our key numbers. Dip provides simple strategies for turning these numbers to our advantage in our careers at home and in our relationships with loved ones. Further she explains how numerology can help us become more intuitive aware of our subconscious and in tune with our place in the world. [A Practical Introduction to Numerology](#) Sonia Ducie, 2019-12-10 Numerology the science psychology and philosophy of numbers enables us to use our mind and intuition to observe connect with and interpret the cycle of numbers governing all aspects of life 1 to 9 Each of these numbers has its own set of qualities and meanings that can influence us at different levels physical emotional mental and spiritual in order to really make the most of life After an insightful introduction about why the subject of Numerology is so worth exploring and the benefits it can bring each main chapter then addresses key questions such as Where does Numerology come from and how does it work What are the benefits of applying Numerology to our lives Can Numerology give me more insight into my own or others character Can Numerology influence my aspirations and decisions in life And finally how can Numerology help me to become more aware of the bigger picture in life and make a wider contribution to society [Numerology for the New Age](#) Lynn Buess, 1978 Our own vibrations and cyclical patterns are numerologically determined by our dates of birth and given names By understanding these cycles we can learn to more efficiently express our potential human and divine This volume concentrates more on the experiential value of numerology than the historical Lynn Buess has come into national prominence since the success of his first book The Tarot and Transformation His popularity as a speaker and instructor has taken him across the country many times to universities churches professional organizations and New Age Centers of Light He has appeared on numerous television shows and on radio talk shows from coast to coast Although his work with Tarot and Numerology causes most people to associate him with symbolical studies Lynn spends most of his time today working with various alternative metaphysical healing methods Since his gift of healing awakened years ago he has demonstrated and taught numerous techniques of psycho spiritual healing He is also the author of Synergy Session R which teaches an entirely new system of multiple level wholistic counseling healing Along with his national tours he has taught courses on parapsychology healing Tarot meditation and self awareness at several colleges and one university within the University System of Georgia As a tireless worker Lynn is dedicated to bringing sincere seekers into a deeper awareness of the LIGHT within **Numerology** Ishieta Chopra, Neera Sawhney Chopra, 2020-07 The human mind is remarkable is to say the least It is a mystery how the simple concept of numbers which was basically intended to keep a count of what we saw around us or belonged to us has over the centuries evolved into complicated calculations as mathematics On the other hand by a select few it has progressed into numerology which gives formulae and procedures to understand ourselves and our destiny A trained numerologist keeping our neurological constants in mind can tweak around the variables a bit to simplify and even resolve some issues confronting us time and again The techniques specified in this book will be a good way for

beginners to understand the principals of numerology and understand how numbers govern our lives They may after adequate study of this book and practice be on the road to developing into capable numerologists themselves The book gives comprehensive information for that

Numerology Colin M Baker,2014-02-25 On a simplistic level numbers are used to measure age or time solve a mathematical puzzle or define weight and size Materialistically they are used to attribute a numerical value to possessions income and homes But numbers influence us in ways we may not be aware of and can actually affect our destiny Numerology is the science of numbers and cycles that has a specific application to each individual and this book shows how numbers and their various attributes can shape our lives Working out a personal number is easy and fun using the number derived from a person s name to assess personality and motivation while the birth date gives signals about how a person develops their potential At a psychological level each number is assigned a series of qualities that can assist in mapping a life path This is a fascinating little book that provides an intriguing insight into a subject that can change our perception of the world
