Nurse in the Shadows Bernadette O'Brien, 1970 **Nurse in the Shadows** Peggy GADDIS, 1993 **Shadows** Harold Grahame Richards, 1917 **Nurse in the Shadows** Peggy Gaddis, 1965 **Shadows of an Iron Kingdom** C. Litka, 2021-07-15

I'd like to believe that I can take the rough with the smooth I didn't complain about the hundred petty inconveniences of the Iron Kingdom Not too much It was the werewolves super humans and mad scientists who haunted its black forests and ruined castles that got to me Still what did I expect in the company of Vaun Di Ai Rafe d Mere from *Shadows of an Iron Kingdom* Rafe d Mere and Vaun Di Ai return in this sequel to *The Secrets of Valsummer House* Rafe d Mere after turning the Fix it all Shop back over to its owner follows his heart instead of his head Concerned after not receiving a radio packet from Lieutenant JG Vaun Di Ai for months he sets out for the planet of VanTre to assure himself that she's fine There he finds that she has resigned from the Patrol an unthinkable act on her part So with some help he follows her to the small airless planet of Ironlode merely he tells himself to find out what she's gotten herself into this time It was danger of course Danger in a Gothic inspired throw back society A primitive almost feudal society where mythical werewolves the size of large bears were said to roam its dark forests As d Mere discovered they were more than imaginary And even so they weren't the most dangerous creatures that inhabited those forests Di Ai d Mere and Di Ai's new colleague the all too handsome and charming in d Mere's opinion Tarvis Byn set out to find the secret of these monsters *Shadows of an Iron Kingdom* is the third book in the Nine Star Nebula Mystery Adventure series Set in the same universe of *The Bright Black Sea* these stories chronicle the early adventures of a character we first met in *The Bright Black Sea* Systems Tech Rafe GilGiles a man of a hundred names C Litka writes old fashioned stories with modern sensibilities humor and romance He spins tales of adventure mystery and travel set in richly imagined worlds with casts of colorful fully realized characters If you seek an escape from your everyday life you will find no better company nor more wonderful worlds to travel and explore than in the stories of C Litka

Shadow Caster Stephen Colter, 2012-11-16 Bobby hasn't seen his grandmother Mae for a while When she shows up he isn't sure if it's really her since she arrives while he's dreaming She returns each time he dreams and then tells him what's going on he is a Shadow Caster Strange things continue to happen when he dreams and even stranger things when he's awake Then his shadow begins to do things not things that are under his control at least not at first He has to figure out how to use mystical abilities to save Mae because she has answers to his questions since she too is a Shadow Caster A fast paced energetic story about Bobby a boy who discovers a new world around him and inside himself He and his two friends provide an innocent lighthearted and sometimes comical approach to dealing with situations from saving a dog to fighting with evil spirits Bobby goes from geek to a supernatural powered geek by discovering the lost practice of Shadow Casting With a little help from his friends the walking dead and spirits from the past he overcomes some bizarre obstacles in order to release Mae from being held captive by a evil foe Many ancient cultures looked to spirits for guidance religion

healing physical strength and protection against evil The back ground of the Shadow Caster is derived from Native American lore which provides the underlying theme of spiritualism and atonement with nature *Shadow in the Mirror* Adele Hewett Veal,2015-05-21 Leslee Cramer suffers from multiple personality disorder the result of childhood abuse Because of this illness she has been known to find herself suddenly in strange places with no understanding of how she got there having lost time along the way But when she wakes up in a strange bed with a strange man who claims to be her husband she knows something drastic has changed It turns out that Lee Leslee s alter ego has been in control for ten years During that time she married and had two children only to have her escapades terrify the kids and alienate her husband Kevin Les at sea in a life she doesn t recognize turns to her longtime friend Veronica Moore for help Along with her doctor Alex Whitfield Veronica is one of the few people who are aware of Les s disorder With their help Les must find the strength to hold onto her true identity and to recover the family that she is on the brink of losing *Shadow in the Mirror* reaches beneath the surface of one woman s life and peers into the mirrored image of her soul to tell a story of love and forgiveness Cartoons Magazine,1916 **The Shadow of the Second Mother** Prophecy Coles,2015-02-20 The Shadow of the Second Mother explores why has there been such little interest in psychology social history and biography in the important contribution that second mothers such as wet nurses and nannies have had upon the emotional life of the children they have nursed For the last three thousand years and throughout most civilisations they have nurtured the children of the privileged and kept alive the abandoned and unwanted child and yet there has been a profound silence surrounding the influence they may have had The author explores the lives of several well known people who have been wet nursed such as Michelangelo Rousseau Jack London Nabokov and Klein She speculates that they all were affected emotionally by their second mother and concludes that a universal feature of such delegated mothering seems to be that the bond between mother and child is broken and the child may be left with a life long distrust of close relationships In The Shadow of the Second Mother Coles combines an exploration of attachment theory with neurology making it possible to give an explanation as to why these important figures have lain unnamed and ignored in our social and psychological consciousness This intriguing new approach to an ancient practice will be fascinating reading for psychotherapists psychoanalysts sociologist and students of social history *In the Shadow of the Greatest Generation* Melinda L. Pash,2014-05-22 Largely overshadowed by World War II s greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture
