Love Found Love Lost Esther Jane Berman,2013-01-10 This fun and helpful book is one s girl s autobiography She grew with many of life s experiences meeting all kinds of people from all walks of life Learn how to keep the love of friendship strong and well in spite of the odds Learn how to experience nature and reap its benefits Learn the nature of true love The main reason we lose love is because it was not true love to begin with Then there are people who come into our lives to give us temporary help They serve a good purpose but these relationships usually fade when the help is no longer needed Her first husband claimed to love her but he did not show it He was seldom home The heroine shows how to get what you want when you want something so badly She reaches her goals against all odds Nothing stops her from getting an education Her love for the French language came to her quite by chance She seized the opportunity to learn French and fell in love with it The heroine s son also learned how to cope with life s problems Like his mother he beat the bullies without lifting a finger He has the gift of gab His mother has the gift of writing He can talk to anyone anytime about anything His mother will write down every happening She is also his confidant and ally against a sometimes cruel world He is an only child but he is not spoiled As you will see he is quite an actor You will laugh through the book At times you may cry but not for long The book is up beat with a little drama as life unfolds So hold onto your seat for the ride of your life

Toddler Storytimes II Diane Briggs,2008 School Library Journal With 25 theme based chapters this is a handy resource Each theme includes book recommendations often 10 or more with a nice mixture of classic and newer titles and a suggestion to choose two or three per session Words and instructions for fingerplays rhymes and songs are provided while a discography provides melody sources for all songs Each theme includes a flannel board activity complete with reproducible patterns and brief directions on how to present the story or song on the board Safe and simple crafts ideas are presented as optional activities Activities are listed by type rather than in an ordered list so tellers can pick choose and order according to individual style and preference An introduction provides tips and rationale for all of the types of activities A couple of sentences note the potential impact on brain development and early literacy skills but the focus is on the activities themselves strategies for sharing early literacy information with parents and caregivers are not addressed Judy Nichols s *Storytimes for Two Year Olds* ALA 2007 and Linda L Ernst s *Baby Rhyming Time* Neal Schuman 2008 provide more comprehensive looks at all aspects of storytime planning and presentation This update of Briggs s *Toddler Storytime Programs* Scarecrow 1993 will be most useful as a resource for programming ideas and fleshing out themes
