Nurses The First Of Series:

The Nurse in Popular Media Marcus K. Harmes, Barbara Harmes, Meredith A. Harmes, 2021-10-28 The image of the nurse is ubiquitous both in life and in popular media One of the earliest instances of nursing and media intersecting is the Edison phonographic recording of Florence Nightingale's voice in 1890 Since then a parade of nurses good bad or otherwise has appeared on both cinema and television screens How do we interpret the many different types of nurses real and fictional lifelike and distorted sexual and forbidding who are so visible in the public consciousness This book is a comprehensive collection of unique insights from scholars across the Western world Essays explore a diversity of nursing types that traverse popular characterizations of nurses from various time periods The shifting roles of nurses are explored across media including picture postcards film television journalism and the collection and preservation of uniforms and memorabilia

Current Catalog National Library of Medicine (U.S.), 1980 First multi year cumulation covers six years 1965-70

Federal Register, 1969-08 **Becoming a Registered Nurse** Jenny Temple, 2012-07-18 Final year nursing students are often nervous about making the transition to being a registered nurse This book helps students prepare for their first nursing role and uses real life scenarios to consolidate their skills It guides students through the final year with its increased demands and assists them in meeting the NMC requirements for registration It covers content commonly found on final year transition to practice modules including coping with stress applying for jobs what to expect from your first role dealing with change delegating and managing junior staff handling risky situations managing priorities and developing your career
