The Home Sweet Home Collection: A Little Salty to Cut the Sweet / Home Is Where My People Are Sophie Hudson, 2016-05-20

This collection bundles two of popular author Sophie Hudson's books together in one e-book for a great value. *A Little Salty to Cut the Sweet* There's nothing quite like family for good or bad. But in a world where we sometimes know more about the Kardashians than we do the people sleeping right down the hall, it's easy to forget that walking through life with our family offers all sorts of joy wrapped up in the seemingly mundane. There's even a little bit of sacred sitting smack dab in the middle of the ordinary. And since time's a wastin', we need to be careful that we don't take our people and their stories for granted. Whether it's a marathon bacon frying session, a road trip gone hysterically wrong, or a mother-in-law who makes every trip to the grocery store an adventure, author Sophie Hudson reminds us how important it is to slow down and treasure the day-to-day encounters with the people we love the most. Written in the same witty style as Sophie's BooMama blog, *A Little Salty to Cut the Sweet* is a cheerful, funny, and

tender account of Sophie's very Southern family. It's a look into the real lives of real people and a real loving God right in the middle of it all. Home Is Where My People Are. All roads lead to home. It's easy to go through life believing that we can satisfy our longing for home with a three bedroom two bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years. But ultimately in our deepest places we're really looking to belong and to be known. And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life God is at work in the journey teaching us, shaping us and refining us sometimes through the most unlikely people and circumstances. In Home Is Where My People Are, Sophie Hudson takes readers on a delightfully quirky journey through the South introducing them to an unforgettable cast of characters, places and experiences. Along the way she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth. Nobody embodies the South like Sophie Hudson and this nostalgic celebration of home is sure to make even those north of the Mason Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who related or not have come to represent home. Because at the end of the day it's not the address on the front door or even the name on the mailbox that says home but the people who live and laugh and love there wherever there might happen to be.

The Human Factor in Nursing Home Care David Oliver, Sally Tureman, 2013-05-13 In an attempt to challenge the prevailing attitudes and images of nursing homes in America the authors have written a touching book about the people and the relationships that are a part of nursing home care. Their extensive study of and experience with nursing home residents and caregivers reveal that our negative and often painful thoughts about nursing homes are not always well founded. The authors effectively use monologue and dialogue to take the reader into the world of the nursing home to observe the work of the nursing home staffs from administrators to housekeepers as they become surrogate families and friends of the patients. Most moving are the thoughts and words of the residents themselves especially as they describe their initial horror and anger at being in the nursing home and their feelings of abandonment and loss of self esteem. Valuable for both undergraduate and graduate courses in nursing, social work, psychology, death and dying, pastoral care and counseling this comprehensive volume is useful as a primary or supplementary text. **BACKCOVER COPY** In an attempt to challenge the prevailing attitudes and images of nursing homes in America David Oliver and Sally Tureman have written a touching book about the people and the relationships that are a part of nursing home care. Directory of Nursing Home Facilities: West, 1975 **(Re)designing the Continuum of Care for Older Adults** Farhana Ferdous, Emily Roberts, 2023-01-27. This book broadens the visioning on new care environments that are designed to be inclusive, progressive, and convergent with the needs of an aging population. The contents cover a range of long-term care LTC settings in a single collection to address the needs of a wide audience. Due to the recent COVID-19 pandemic, rethinking the spatial design of care facilities in order to prepare for future respiratory and contagious pathogens is one of the prime concerns across the globe, along with social connectedness and autonomy in care settings. This book contributes to the next generation of knowledge and understanding of the growing field of the design of technology programs and environments for LTC that are more effective in infection prevention and control as well as social connectedness. To address these issues, the chapters are organized in four sections: Part I Home and community-based care, Part II Facility-based care, Part III Memory care and end of life care, and Part IV Evidence-based applied projects and next steps. **Re-designing the Continuum of Care for Older Adults: The Future of Long-Term Care Settings** is an essential resource for researchers, practitioners, educators, policymakers, and students associated with LTC home and healthcare settings. With diverse topics in theory, substantive issues, and methods, the contributions from notable researchers and scholars cover a range of innovative programming environments and technologies which can impact the changing needs and support for older adults and their families across the continuum of care.
