Rehabilitation Nursing Shirley P. Hoeman, 2008-01-01 Providing a solid foundation of concepts and principles this book maintains the fundamental focus of rehabilitation nursing holistic care of the rehabilitation client to achieve maximum potential outcomes in functional and lifestyle independence

Health Care Financial Management for Nurse Managers Janne Dunham-Taylor, Joseph Z. Pinczuk, 2005 Enhances the financial skills that nurse managers and administrators need to navigate the health care system and the varying reimbursement issues facing different health care settings

An Introduction to Hospitals and Inpatient Care Saeid Mirafzali, MD, Janice Foust, PhD, RN, Eugenia L. Siegler, MD, FACP, 2003-02-01 This book offers an overview of key elements of the hospital its structure administration and its functioning Students and new clinicians may be so focused on mastering specific clinical skills that they have little time to observe or question the whole process of care This book looks beyond acute disease to the environment of care how it works how it doesn't work and how it might improve Issues discussed include understanding and communicating with families the basics of hospital finance how dangerous hospitalization can be to the elderly and how to minimize errors Medical students and residents advanced practice nurses and physician's assistants are among the many potential readers for this book

Healthcare Management Volker Eric Amelung, 2019-10-10 This textbook on Healthcare Management provides a systematic and comprehensive overview of the organisational forms and management instruments implemented in managed care Within the international discussion on the structure of healthcare systems managed care is an increasingly important topic Over more than twenty years managed care approaches have fundamentally influenced healthcare systems in terms of patient orientation efficiency and quality Experts assume that up to 20% of healthcare expenses can be saved by applying high quality managed care approaches By using suitable organisational forms and management principles not only can costs be reduced but the quality of medical service provision can be augmented Managed care is therefore much more than a cost cutting strategy Advocates consider managed care to be a logical and necessary developmental step in modern healthcare systems An increase in quality and at the same time a reduction of costs is not seen as contradictory but rather as consistent Therefore managed care is a response to changed challenges in the provision of healthcare

Health Care Quality Management Thomas K. Ross, 2014-01-07 In today's challenging health care environment health care organizations are faced with improving patient outcomes redesigning business processes and executing quality and risk management initiatives Health Care Quality Management offers an introduction to the field and practice of quality management and reveals the best practices and strategies health care organizations can adopt to improve

patient outcomes and program quality Filled with illustrative case studies that show how business processes can be restructured to achieve improvements in quality risk reduction and other key business results and outcomes Clearly demonstrates how to effectively use process analysis tools to identify issues and causes select corrective actions and monitor implemented solutions Includes vital information on the use of statistical process control to monitor system performance variables and outcomes attributes Also contains multiple data sets that can be used to practice the skills and tools discussed and reviews examples of where and how the tools have been applied in health care Provides information on root cause analysis and failure mode effects analysis and offers as discussion the clinical tools and applications that are used to improve patient care By emphasizing the tools of statistics and information technology this book teaches future health care professionals how to identify opportunities for quality improvement and use the tools to make those improvements
