Marion L. Soards

Paul The Apostle:

Paul, Apostle of the Heart Set Free Frederick Fyvie Bruce, 2000 Written by one of the best known and most respected evangelical biblical scholars of all time Paul explores the primary themes in Paul's thought as they developed in the historical context of his life and travels

Paul The Apostle Robert E. Picirilli, 1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul's life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his missionary journeys Introductions and brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom

Apostle Paul Udo Schnelle, 2013-10-15 Paul's writings are centrally important not only for the establishment of the Christian faith but also for the whole history of Western culture Senior New Testament scholar Udo Schnelle offers a comprehensive introduction to the life and thought of Paul that combines historical and theological analysis The work was translated into clear fluent English from the original German with additional English language bibliographical reference materials by leading American scholar M Eugene Boring First released in hardcover to strong acclaim the book is now available in paperback It is essential reading for professors students clergy and others with a scholarly interest in Paul

One Untimely Born Robert L. Cate, 2006 This book traces the life and ministry of Paul Like a modern Sherlock Holmes the author examines the clues available from the most current evidence in the earliest biblical texts archaeological discoveries and histories of the period from the earliest Roman historians through the most recent modern interpreters to set forth what we know about the life and work of Paul

An Illustrated Guide to the Apostle Paul Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome An Illustrated Guide to the Apostle Paul brings his remarkable story to life Drawing from the book of Acts Paul's many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource

Paul, the Apostle of Jesus Christ

Ferdinand Christian Baur, 2021-05-28 Baur's *Paul the Apostle of Jesus Christ* was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, *The Life and Activity of the Apostle Paul*, consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, *The Epistles of the Apostle Paul*, is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans, the deutero-Pauline epistles Ephesians, Colossians, Philippians, Thessalonians, Philemon) and the Pastoral Epistles (1 and 2 Timothy, Titus). In the first two parts, Baur's historical critical skills are at their finest. The third part, *The Apostle's Theological Framework*, draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident. The earlier English translation is no longer adequate. Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek. Baur on Paul truly becomes available in English for the first time. **Paul, the Apostle of Christ**

Ferdinand Christian Baur, 2023-04-27 F. C. Baur's monumental study *Paul the Apostle of Jesus Christ* (1845) is one of the greatest works of all time on the Apostle to the Gentiles. Laying the basis for modern Pauline scholarship, its three sections in turn thoroughly deconstruct the account of Paul found in Acts, examine the authentic deutero-Pauline and Pastoral Epistles, and draw the various strands of Paul's thought into a cohesive whole. In the first two parts, Baur's historical critical skills are at their finest, while in the third, the influence of Hegel and Schleiermacher can be seen as Baur presents a comprehensive synthesis of Pauline theology. Since the original nineteenth-century English translation of Baur's masterpiece is no longer adequate, Hodgson and Brown's new edition will serve as the definitive resource for future scholarship. They not only present a new translation of the German but also provide critical annotations and translations of all the scriptural passages originally quoted in Greek. Baur on Paul becomes truly available in English for the first time. *Paul* E. P. Sanders, 2015-12-01 E. P. Sanders offers an expansive introduction to the apostle, navigating some of the thorniest issues in scholarship using language accessible to the novice and seasoned scholar alike. Always careful to distinguish what we can know historically from what we may only conjecture, and these from dogmatically driven misrepresentations, Sanders sketches a fresh picture of the apostle as an ardent defender of his own convictions, ever ready to craft the sorts of arguments that now fill his letters. *The Apostle Paul* Marion L. Soards, 1987 This dynamic new consideration of Paul addresses the three basic subjects that make up Pauline studies: Paul's life, letters, and theology, and argues that these elements must be treated together since to do otherwise risks distorting one or more of the arguments. *The Apostle: a Life of Paul* John Pollock, 1969 Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him. Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In St Paul the Apostle author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ St Paul the Apostle also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today

The Apostle Paul Stanley E. Porter,2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul s thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul s life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul s thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all thirteen of Paul s letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter The result is a thorough balanced treatment of one of the most important figures in Christianity

Apostle Paul and His Companions Rev. Dr. Hem Sagar Rasaily,2017-12-29 In the history of the first century church the ministry of Apostle Paul was well recorded by Dr Luke in the Book of Acts If Dr Luke had not taken the time to write the Book of Acts we would probably know hardly anything about him today The Bible tells us that Barnabas one of Paul s companions introduced him to the other apostles He was responsible for recognizing Paul s efficiency and the one who brought him to a minister in Antioch Sadly Barnabas himself was not well known by most Christians It was Paul s friends who helped his ministry spread wide and become effective As you read this book I pray that the Holy Spirit will enlighten your heart and mind to help you understand the importance of Divine guidance and mission through spiritual mentors and be strengthened in faith

Paul the Apostle Jimmy Swaggart,2011 Paul in my opinion was the greatest example for Christianity ever produced by Christ The great Word given to Paul which was the meaning of the New Covenant which was the meaning of the Cross presents itself as the greatest Word ever given to a human being I think it can be safely said and believed that it is Paul who gave the world the great Christian Faith to whom we must give the credit for the beginning of western civilization No human being has ever been

brought from a hatred of Jesus Christ to an unfathomable love as was the Apostle Paul on the road to Damascus It was a confrontation that would change the world In this Volume I think you will learn not only about Paul but about yourself and above all the Lord Jesus Christ **Paul, Apostle of Liberty** Richard N. Longenecker,1964 The Apostle John Pollock,2012-01-01 Enter the world of ancient Rome through the eyes of one of history s most transformative figures The Apostle by John Pollock seamlessly weaves together drama scholarship and historical accuracy in this book about the apostle Paul s extraordinary life Starting with the dramatic death of Stephen you ll witness Paul s incredible transformation from persecutor to preacher Follow him on his daring missionary journeys that took him to the far corners of the Roman Empire where he spread the teachings of Christianity Through detailed maps and a study guide readers can choose to look deeper into the historical and New Testament aspects of Paul s life or simply enjoy it as a compelling true life story Originally published in 1969 and later revised this newer edition breathes fresh life into a timeless tale As you immerse yourself in this rich narrative you ll find yourself on a journey of discovery uncovering the complexities of Paul s character his unwavering faith and the profound impact he had on the world **Paul the Apostle** J. Albert Harrill,2012-09-24 A controversial new biography of the apostle Paul that argues for his inclusion in the pantheon of key figures of classical antiquity Paul, Apostle of Grace Frank Thielman,2025-03-27 An engaging and accessible introduction to the life and world of Paul In this fresh and engaging survey Frank Thielman introduces readers to the life and world of the apostle Paul Drawing on the Acts of the Apostles and Paul s canonical letters as well as noncanonical sources and archaeological records Thielman constructs a vivid picture of the complex historical period and fascinating cultures in which Paul worked At the same time Thielman guides readers toward a deeper understanding of who Paul was what he believed and how he carried out his ministry Solidly grounded in Paul s own writings as well as scholarly research the book explores a wide range of compelling questions What drove Paul to endure often treacherous journeys of hundreds of miles to establish like minded communities around the world as he knew it What spurred him to recruit a network of co workers who were willing to help him in this vast project What kept him at the task even when it landed him in prison What prompted him to produce a body of letters to these communities of such depth that millions of people still read them with profit today Addressing these questions through careful and conservative research Paul Apostle of Grace is a worthy successor to F F Bruce s classic study and an essential resource for scholars and students of the Bible today **The Mysticism of Paul the Apostle** Albert Schweitzer,1931 *The Apostle Paul and His Letters* Edwin D. Freed,2005 Looks at Paul and the book of Acts the circumstances that led Paul to write each letter and his response to those circumstances
