British Books ,1904 *Impulse Archaeology* Eldon Garnet,2005-01-01 Impulse Archaeology honours this important period in Canadian art and cultural history recalling the early influence of like minded publications from New York and the import of French theorists and European artists and writers into North America **Becoming Sexual** R. Danielle Egan,2013-05-13 The sexualization of girls has captured the attention of the media advocacy groups and politicians in recent years This prolific discourse sets alarm bells ringing sexualization is said to lead to depression promiscuity and compassion deficit disorder and rob young girls of their childhood However measuring such claims against a wide range of data sources reveals a far more complicated picture *Becoming Sexual* begins with a simple question why does this discourse feel so natural Analyzing potent cultural and historical assumptions and subjecting them to measured investigation R Danielle Egan illuminates the implications of dominant thinking on sexualization The sexualized girl functions as a metaphor for cultural decay and as a common enemy through which adult rage discontent and anxiety regarding class gender sexuality race and the future can be expressed Egan argues that ultimately the popular literature on sexualization is more reflective of adult disquiet than it is about the lives and practices of girls *Becoming Sexual* will be a welcome intervention into these fraught polemics for anyone interested in engaging with a high profile contemporary debate and will be particularly useful for students of sociology cultural studies childhood studies gender studies and media studies *The Bookman* ,1895
