Percentage classifying each state as part of the Midwest, from a survey of 1,357 people identifying "some" or "a lot" as a Midwesterner

Look At America The Midwest

Neil Larry Shumsky

Look At America The Midwest:

Look at America The Midwest The Editors of Look, 1974 *Look at America* , 1947 *Look at America: The Midwest* ,
Look at America: The Midwest, By the Editors of Look in Collaboration with Louis Bromfield , 1947 **The American Midwest** Andrew R. L. Cayton, Susan E. Gray, 2001-09-28 The American Midwest Essays on Regional History Edited by Andrew R L Cayton and Susan E Gray Is there a Midwest regional identity Read this lively exploration of the Midwestern identity crisis and find out Many would say that ordinariness is the Midwest s historic burden A writer living in Dayton Ohio recently suggested that dullness is a Midwestern trait The Midwest lacks grand scenery Just cornfields silos prairies and the occasional hill Dull He tries to put a nice face on Midwestern dullness by saying that Midwesterners I like Shaker furniture are plain in the best sense unadorned Others have found Midwestern ordinariness stultifying Neil LaBute who makes films about mean and nasty people said he was negative because he came from Indiana We re brutally honest in Indiana We realize we re in the middle of nowhere and we re very sore about it from Chapter Five Barbecued Kentuckians and Six Foot Texas Rangers by Nicole Etcheson In a series of often highly personal essays the authors of The American Midwest all of whom are experts on various aspects of Midwestern history consider the question of regional identity as a useful way of thinking about the history of the American Midwest They begin with the assumption that Midwesterners have never been as consciously regional as Western or Southern Americans They note the peculiar absence of the Midwest from the recent revival of interest in American regionalism among both scholars and journalists These lively and well written chapters draw on personal experiences as well as a wide variety of scholarship This book will stimulate readers into thinking more concretely about what it has meant to be from the Midwest and why Midwesterners have traditionally been less assertive about their regional identity than other Americans It suggests that the best place to find Midwesternness is in the stories the residents of the region have told about themselves and each other Being Midwestern is mostly a state of mind It is always fluid always contested always being renegotiated Even the most frequent objection to the existence of Midwestern identity the fact that no one can agree on its borders is part of a larger regional conversation about the ways in which Midwesterners imagine themselves and their relationships with other Americans Andrew R L Cayton Distinguished Professor of History at Miami University in Oxford Ohio is author of numerous books and articles dealing with the history of the Midwest including Frontier Indiana Indiana University Press and with Peter S Onuf The Midwest and the Nation Susan E Gray Associate Professor of History at Arizona State University is author of Yankee West Community Life on the Michigan Frontier as well as numerous articles about Midwest history Midwestern History and Culture James H Madison and Andrew R L Cayton editors July 2001 256 pages 6 1 8 x 9 1 4 index append cloth 0 253 33941 3 35 00 s 26 50 Contents The Story of the Midwest An Introduction Seeing the Midwest with Peripheral Vision Identities Narratives and Region Liberating Contrivances Narrative and Identity in Ohio Valley Histories Pigs in Space or What Shapes American Regional Cultures Barbecued Kentuckians and

Six Foot Texas Rangers The Construction of Midwestern Identity Pi ing the Type Jane Grey Swisshelm and the Contest of Midwestern Regionality The Great Body of the Republic Abraham Lincoln and the Idea of a Middle West Stories Written in the Blood Race Identity and the Middle West The Anti region Place and Identity in the History of the American Middle West Midwestern Distinctiveness Middleness and the Middle West **The American Midwest in Film and Literature** Adam R. Ochonicky, 2021-12-22 A critical overview of the evolution contestation and fragmentation of the Midwest s symbolic and often contradictory meanings in American culture How do works from film and literature Sister Carrie Native Son Meet Me in St Louis Halloween and A History of Violence for example imagine reify and reproduce Midwestern identity And what are the repercussions of such regional narratives and images circulating in American culture In The American Midwest in Film and Literature Nostalgia Violence and Regionalism Adam R Ochonicky provides a critical overview of the evolution contestation and fragmentation of the Midwest s symbolic and often contradictory meanings Using the frontier writings of Frederick Jackson Turner as a starting point this book establishes a succession of Midwestern filmic and literary texts stretching from the late 19th century through the beginning of the 21st century and argues that the manifold properties of nostalgia have continually transformed popular understandings and ideological uses of the Midwest s place identity Ochonicky identifies three primary modes of nostalgia at play across a set of textual objects the projection of nostalgia onto physical landscapes and into the cultural sphere nostalgic spatiality nostalgia as a cultural force that regulates behaviors identities and appearances nostalgic violence and the progressive potential of nostalgia to generate an acknowledgment and possible rectification of ways in which the flawed past negatively affects the present nostalgic atonement While developing these new conceptions of nostalgia Ochonicky reveals how an under examined area of regional study has received critical attention throughout the histories of American film and literature as well as in related materials and discourses From the closing of the Western frontier to the polarized political and cultural climate of the 21st century this book demonstrates how film and literature have been and continue to be vital forums for illuminating the complex interplay of regionalism and nostalgia Ochonicky presents an important reading of how nostalgia shapes the Midwest in the American imagination as a place of identity and violence Past and present slip in this compelling and well researched approach to the workings of contemporary culture Vera Dika author of Recycled Culture in Contemporary Art and Film The Use of Nostalgia By centering the concept of region Adam Ochonicky provides an insightful and refreshing reading of American popular culture In texts ranging from Richard Wright s Native Son to John Carpenter s Halloween Ochonicky demonstrates the complex terrain of the Midwest in our cultural imaginary and the diverse memories and meanings we project upon it Kendall R Phillips author of A Place of Darkness The Rhetoric of Horror in Early American Cinema Syracuse University Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich

racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature Homelessness Neil Larry

Shumsky,2012-01-16 This book presents an unflinching investigation of homelessness in the United States a problem that has been with us since the arrival of the first English settlers nearly 400 years ago The terms historically used to describe them include bums hoboes migrants street people transients tramps and vagrants Just as varied as the words we have used to describe them are the reasons many people have found themselves living in the land of opportunity without permanent residence The book considers homelessness and its distinctive character in three periods of American history the era of tramps and hoboes in the late 1800s early 1900s the era of transients and migrants in the 1930s and the era of homeless and street people in the last 40 years It clarifies the multiple meanings of the word homeless today and demonstrates that homelessness is a symptom of more than one problem leading to confusion about the issue of homelessness and hampering attempts to reduce its occurrence Author Neil Larry Shumsky PhD also postulates that the treatment of homelessness in England before the colonization of North America laid the foundation of pervasive American attitudes and practices **A**

History of American Literature and Culture of the First World War Tim Dayton,Mark W. Van Wienen,2021-02-04 In the years of and around the First World War American poets fiction writers and dramatists came to the forefront of the international movement we call Modernism At the same time a vast amount of non and anti Modernist culture was produced mostly supporting but also critical of the US war effort A History of American Literature and Culture of the First World War explores this fraught cultural moment teasing out the multiple and intricate relationships between an insurgent Modernism a still powerful traditional culture and a variety of cultural and social forces that interacted with and influenced them Including genre studies focused analyses of important wartime movements and groups and broad historical assessments of the significance of the war as prosecuted by the United States on the world stage this book presents original essays defining the state of scholarship on the American culture of the First World War **Saturday Review** ,1955 **The Oxford Handbook**

of Midwestern History Jon Lauck,2025 The Midwest region holds a pivotal place in the tapestry of American history The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes the emergence of Midwest regional consciousness after the Civil War and the role of the Midwest's natural resources in the region's economic success and later decline It presents the newest research on race ethnicity culture politics and economic development It also considers the role of religion organized labor the presence of a diverse population of Germans Irish Dutch and Latinos and

the influence of sports nostalgia populism and isolationism This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture literary realism visual culture and constitutionalism This treatment of Midwestern history marks a major turn towards the history of the American interior In many ways The Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History

The Best American Essays 2013 Cheryl Strayed, Robert Atwan, 2021-02-10
Curated by the 1 New York Times bestselling author of Wild this volume shares intimate perspectives from some of today's most acclaimed writers As Cheryl Strayed explains in her introduction the invisible unwritten last line of every essay should be and nothing was ever the same again The reader in other words should feel the ground shift if even only a bit In this edition of the acclaimed anthology series Strayed has gathered twenty six essays that each capture an inexorable tectonic shift in life Personal and deeply perceptive this collection examines a broad range of life experiences from a man's relationship with Mormonism to a woman's search for a serial killer from listening to the music of Joni Mitchell to surviving five months at sea from triaging injured soldiers to giving birth to a daughter and much more The Best American Essays 2013 includes entries by Alice Munro Zadie Smith John Jeremiah Sullivan Dagoberto Gilb Vicki Weiqi Yang J D Daniels Michelle Mirsky and others

The Routledge History of Rural America Pamela Riney-Kehrberg, 2016-04-14 The Routledge History of Rural America charts the course of rural life in the United States raising questions about what makes a place rural and how rural places have shaped the history of the nation Bringing together leading scholars to analyze a wide array of themes in rural history and culture this text is a state of the art resource for students scholars and educators at all levels This Routledge History provides a regional context for understanding change in rural communities across America and examines a number of areas where the history of rural people has deviated from the American mainstream Readers will come away with an enhanced understanding of the interplay between urban and rural areas a knowledge of the regional differences within the rural United States and an awareness of the importance of agriculture and rural life to American society The book is divided into four main sections regions of rural America rural lives in context change and development and resources for scholars and teachers Examining the essays on the regions of rural America readers can discover what makes New England different from the South and why the Midwest and Mountain West are quite different places The chapters on rural lives provide an entrance into the social and cultural history of rural peoples women children and men as well as a description of some of the forces shaping rural communities such as immigration race and religious difference Chapters on change and development examine the forces molding the countryside such as rural urban tensions technological change and increasing globalization The final section will help scholars and educators integrate rural history into their research writing and classrooms By breaking the field of rural history into so many pieces this volume adds depth and complexity to the history of the United States shedding light on an understudied aspect of the American mythology and beliefs about the American dream

Imagining the Heartland Britt E. Halvorson, 2022-06-21 An overdue examination of the Midwest's long influence on nationalism and white supremacy. Though many associate racism with the regional legacy of the South, it is the Midwest that has upheld some of the nation's most deep-seated convictions about the value of whiteness. From Jefferson's noble farmer to The Wizard of Oz, imagining the Midwest has quietly gone hand in hand with imagining whiteness as desirable and virtuous. Since at least the U.S. Civil War, the imagined Midwest has served as a screen or canvas projecting and absorbing tropes and values of virtuous whiteness and its opposite, white depravity, with national and global significance. Imagining the Heartland provides a poignant and timely answer to how and why the Midwest has played this role in the American imagination. In *Imagining the Heartland*, anthropologists Britt Halvorson and Josh Reno argue that there is an unexamined affinity between whiteness, Midwestness, and Americanness anchored in their shared ordinary and homogenized qualities. These seemingly unremarkable qualities of the Midwest take work; they do not happen by default. Instead, creating successful representations of ordinary Midwestness in both positive and negative senses has required cultural expression through media ranging from Henry Ford's assembly line to Grant Wood's famous *American Gothic*. Far from being just another region, among others, the Midwest is a political and affective logic in racial projects of global white supremacy. Neglecting the Midwest means neglecting the production of white supremacist imaginings at their most banal and at their most influential, their most locally situated and their most globally dispersed.

Ethnic Landscapes of America John A. Cross, 2017-06-19 This volume provides a comprehensive catalog of how various ethnic groups in the United States of America have differently shaped their cultural landscape. Author John Cross links an overview of the spatial distributions of many of the ethnic populations of the United States with highly detailed discussions of specific local cultural landscapes associated with various ethnic groups. This book provides coverage of several ethnic groups that were omitted from previous literature, including Italian Americans, Chinese Americans, Japanese Americans, and Arab Americans, plus several smaller European ethnic populations. The book is organized to provide an overview of each of the substantive ethnic landscapes in the United States. Between its introduction and conclusion, which looks towards the future, the chapters on the various ethnic landscapes are arranged roughly in chronological order such that the timing of the earliest significant surviving landscape contribution determines the order the groups will be viewed. Within each chapter, the contemporary and historical spatial distribution of the ethnic groups are described, the historical geography of the group's settlement is reviewed, and the salient aspects of material culture that characterize or distinguish the group's ethnic landscape are discussed. *Ethnic Landscapes of America* is designed for use in the classroom as a textbook or as a reader in a North American regional course or a cultural geography course. This volume also can function as a detailed summary reference that should be of interest to geographers, historians, ethnic scholars, other social scientists, and the educated public who wish to understand the visible elements of material culture that various ethnic populations have created on the landscape.

The Looking Glass Within: Reflections of a

Midwestern Memoir Pasquale De Marco, 2025-05-09 In this heartwarming and evocative memoir the author takes us on a journey through the heart of the American Midwest capturing the essence of this special region and the lives of its people Through vivid storytelling and rich descriptions the author paints a portrait of a place where values run deep communities thrive and the land itself holds a sacred place in the hearts of its inhabitants We meet a cast of unforgettable characters each with their own unique story to tell There s the wise old farmer who has witnessed generations of change the young entrepreneur who is daring to dream big and the small town doctor who is the heart and soul of the community Through their eyes we gain a glimpse into the challenges and triumphs that define life in this special corner of the world The author explores the small towns that dot the landscape where everyone knows everyone else and a sense of community prevails We gather around the kitchen table for hearty meals and lively conversations sharing stories and laughter with friends and family We experience the changing seasons from the vibrant hues of autumn to the tranquil beauty of winter snow The Midwest is a place where hard work and determination are valued above all else It s a place where people are known for their honesty integrity and unwavering resilience It s a place where tradition and innovation coexist where the past is remembered and the future is embraced As we journey through the heartland we discover the values that have shaped this region and the people who live here We learn about the importance of family community and the land itself We come to appreciate the simple pleasures of life and the enduring spirit of the American Midwest This book is a celebration of the Midwest and its people It s a reminder of the values that truly matter and the power of community It s a story that will touch your soul and stay with you long after you finish reading If you like this book write a review on google books Contracted to the Italian Prince Sandra Marton, 2020-04-13 Read this classic romance by USA Today bestselling author Sandra Marton Previously published as Roman Spring in 1993 Destination Rome Attractions the Colosseum Vatican City and Nicolo Sabatini New World woman versus Old World man it s more than just a culture clash when American fashion model Caroline Bishop meets Prince Nicolo Sabatini Certainly to a woman of the nineties this Roman hunk s views on love are as antiquated as the ruins of his city And given half a chance perhaps as eternal *Great Lakes--St. Lawrence Basin* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Senate Joint Resolution 104, 1946 Considers 79 S J Res 104 **Great Lakes - St. Lawrence Basin. Hearings Before a Subcommittee ... on S. J. Res. 104 ... Feb. 18 - March 9, 1946** United States. Congress. Senate. Foreign Relations, 1946 Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time

Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

Look At America The Midwest Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Look At America The Midwest PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Look At America The Midwest PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Look At America The Midwest free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
