sisters and other female family members but that doesn't make it any less painful or destructive. Adding to the hurt of relational abuse within the family is the permanent nature of the relationship: you can sever relations with an abusive friend but you can't stop being the sister, daughter, niece of an abusive relative. Does that mean that there's no way out? In *Forced to Be Family* you'll discover how to determine whether a female family member is being abusive, recognize the sources of that abuse and break the vicious cycle that keeps the abuse alive. You don't have to choose between accepting abuse and making a scene. This insightful reassuring guide gives you the strategies and understanding you need to reestablish warm and loving relationships with the women who will always be closest to you.
