Debell, 2008 In the first age of Andeira men and dragons brought together the two halves of the elemental magic of the world to create a union through which their magic and the world could support and renew itself When war broke out that union was destroyed deliberately severed by the ancient mages in a desperate attempt to stop their enemies They knew the price of their actions the dragons would disappear from Andeira until such time as it would be safe for them to return stripping the world of half the elemental magic it needed to survive What the mages did not realise was that their enemies would survive the severing of the bond threatening the prophecy created by the dragons to ensure their return in a later age Three thousand years on the world is slowly dying and the dragons have been forgotten by all but a few This is the story of one man s search across their ancient homeland and his desperate bid to fulfil the prophecy and bring the dragons back into the world The Works of Henry Ware, Jr., D.D. Henry Ware, 1847 The African Bible Embaye Melekin, 2011-03 The African Bible is the record of the Abyssinian prophets who came to Africa from Jerusalem in around 600 BC The Sabeans Nephites and the Agazians Lamanites will become the ancestors of the African people The prophecies of the African Bible have been entirely fulfilled upon Africans Jews and Gentiles The Agazians or black Africans were prophesied to dwindle in unbelief as was apparent in the history of the continent Also black Africans were prophesied to be scourged slaved and scattered by the Gentiles and that was the experience of Africans The African Bible the Book of Mormon was prophesied to be hidden from the African people until God s own time and will first be discovered by the Gentiles Hence the prophet Joseph Smith translated them into English from the Sabeian script and the Mormon Church had them for almost two centuries without knowing the authentic owners of the records The records were then to be revealed to the African people by one of their descendants and that is what I am doing now I have convincingly proven the Book of Mormon to be the record of the

African ancestors and is therefore an African Bible Hence Africans are the remnants of the house of Israel and descendants of Manasseh
