Love and Sexual Relationships**

Love Between Equals A Philosophical

Stuart Brown

Love Between Equals A Philosophical:

Love between Equals John Wilson, 2016-07-27 This book is a philosophical study of love between equals intended for the general reader The Introduction explains the importance of analytic philosophy Subsequent chapters deal with 1 love as desire or need 2 love as intrinsic friendship 3 the politics of love 4 altruism and paranoia 5 justice and communication 6 sex and 7 the value in loving an equal together with some remarks on the human condition in general and the importance of reason in dealing with it A brief list of further reading is appended *The Concept of Love in 17th and 18th Century Philosophy* Herman de Dijn, 2007 Love is joy with the accompanying idea of an external cause Spinoza's definition of love manifests a major paradigm shift achieved by seventeenth century Europe in which the emotions formerly seen as normative forces of nature were embraced by the new science of the mind This shift has often been seen as a transition from a philosophy laden with implicit values and assumptions to a more scientific and value free way of understanding human action But is this rational approach really value free Today we tend to believe that values are inescapable and that the descriptive mechanical method implies its own set of values Yet the assertion by Spinoza Malebranche Leibniz and Enlightenment thinkers that love guides us to wisdom and even that the love of a god who creates and maintains order and harmony in the world forms the core of ethical behavior still resonates powerfully with us It is evidently an idea Western culture is unwilling to relinquish This collection of insightful essays offers a range of interesting perspectives on how the triumph of reason affected not only the scientific philosophical understanding of the emotions and especially of love but our everyday understanding as well Dictionary of Twentieth-Century British Philosophers Stuart Brown, 2005-06-01 This is a two volume work with entries on individuals who made some contribution to philosophy in the period 1900 to 1960 or soon after The entries deal with the whole philosophical work of an individual or in the case of philosophers still living their whole work to date Typically the individuals included have been born by 1935 and by now have made their main contributions Contributions to the subject typically take the form of books or journal articles but influential teachers and people otherwise important in the world of philosophy may also be included The dictionary includes amateurs as well as professional philosophers and where appropriate thinkers whose main discipline was outside philosophy There are special problems about the term British in the twentieth century partly because of human migration partly because of decolonialization and the changing denotation of the term The intention has been to include not only those who were British subjects at least for a significant part of their lives even if they mostly lived outside what is now the U K but also people who spent a significant part of their lives in Britain itself irrespective of their nationality or country of origin In the first category are included for instance a number of people who were born and educated in Britain but who subsequently taught in universities abroad In the second category are included those who were born elsewhere but who came to Britain and contributed to its philosophical culture Feminist Perspectives in Philosophy Morwenna Griffiths, Margaret Whitford, 1988-02-19 **Moving**

beyond Theoria toward Theosis Justin A. Davis, 2024-06-10 Moving Beyond Theoria Towards Theosis focuses on the telos of man as understood in Plato's theoria envisioned in the allegory of the cave and early Christian reinterpretation of theoria as theosis. In his famed allegory of the cave, Plato maintains that real life exists beyond our base perceptions of reality and is found in the realm of ideas. Theoria is eternal rest in this realm and is understood as the telos of mankind. Plato's theoria underwent change as it was reinterpreted under middle Platonic and neo-Platonic thought. These systems incorporated a more mature idea of the divine than Plato but still minimized the material world. This book explores how early Christianity inherited Plato's cosmology and terminology. Theoria was also reinterpreted within the Christian context. Eventually, the term was abandoned for theosis. Theosis is beyond theoria as it includes contemplation of the forms as well as union with the source of the forms and the affirmation of the material realm. In this volume, Justin A. Davis shows how the Orthodox use of icons can be key to understanding theosis. The icon is a material object that connects to a higher reality and ultimately toward union with the divine. Plato's cosmology is collapsed and transfigured in union with the uncreated energy of God. Icons are the depiction of spiritual ascesis and the new telos of man: theosis. *Macedonio Fernández: Between Literature, Philosophy, and the Avant-Garde* Federico Fridman, 2022-01-13 At Macedonio Fernández's funeral in 1952, Jorge Luis Borges delivered the following elegy: "In those years I imitated him to the point of transcription to the point of devout and passionate plagiarism. I felt Macedonio is metaphysics. Macedonio is literature." This is the first book available in English that collects essays by the world's leading scholars on Macedonio Fernández, one of Borges's most important mentors and a still enigmatic thinker of the early 20th century. Macedonio's philosophy, metaphysics, ethics, and experimental writing laid the foundations for Borges's own theoretical and literary matrix. Nonetheless, Borges helped shape a myth of Macedonio as a thinker who could not translate his oratorical geniality into written intelligibility. So despite the centrality of Macedonio to Borges's thought, his work has remained almost unknown to English-speaking readers. Contributors to this volume demonstrate, however, that this myth reduces the complexities of Macedonio's life and creative process as each chapter shines new light on his texts. Conceived as both a companion for new readers of Macedonio's writings and an invitation for specialists to revisit his work through new perspectives, essays in this volume provide extensive background and bibliographical references as well as English translations of Macedonio's original texts. This collection seeks to serve as a catalyst for the continued discovery and rediscovery of Macedonio Fernández's texts and the ways they might help us to rediscover the singularities of our own present moment. *Psychology and the Perennial Philosophy* Samuel Bendeck Sotillos, 2013-02-26 Modern psychology is at an impasse as it searches anxiously for new therapies to address the increasing occurrence of mental illness in contemporary society. In this groundbreaking anthology, leading authors from the perennialist school, including Huston Smith, Seyyed Hossein Nasr, and Frithjof Schuon, draw on the age-old insights of the world's wisdom traditions to argue that modern psychology, behaviorism, psychoanalysis, humanistic, and transpersonal psychology overlooks the specifically spiritual factors

contributing to mental health and illness Emotion and Cognitive Life in Medieval and Early Modern Philosophy Martin Pickavé, Lisa Shapiro, 2012-10-04 This volume explores emotion in medieval and early modern thought and opens a contemporary debate on the way emotions figure in our cognitive lives Thirteen original essays explore the key themes of emotion within the mind the intentionality of emotions emotions and action and the role of emotion in self understanding and social situations The Practical Philosophy Robert Lewis Dabney, 1897 50 Christian Books - Scripture, Theology, Philosophy and Spirituality (Including Christian Novels) Johann Wolfgang von Goethe, Martin Luther, Henryk Sienkiewicz, Henry Van Dyke, David Hume, James Allen, Ralph Waldo Emerson, Andrew Murray, John Bunyan, Grace Livingston Hill, Thomas Paine, Voltaire, Lew Wallace, John Milton, Charles M. today pragmatism *Iris Murdoch, Philosopher Meets Novelist* Sofia de Melo Araújo, Fátima Vieira, 2011-05-25 Iris Murdoch Philosopher Meets Novelist aims to gather some of the world's present experts on Iris Murdoch in an effort to promote dialogue between philosophy and literature. This is due not only to the nature of Iris Murdoch's work itself but also to our belief that within Humanistic Studies there is a constant need for breaking down disciplinary barriers and reaching a deeper, fuller awareness of human thinking. Thus the book brings together scholars from a variety of fields and places: Brazil, England, Iran, Ireland, Italy, Portugal, Spain, Turkey, Taiwan, and the United States, and testifies to the interest that the work of Murdoch continues to inspire. The book is divided into two major sections. Part A, Reading Philosophies in Literature, includes articles focusing on Iris Murdoch's philosophical concerns and their general influence in her work. Part B, Reading Literature through Philosophy, is intended as a sort of application ground: a series of case studies wherein authors depart from novels to retrieve the underlying philosophical thinking.

Feminism and Philosophy Mary Vetterling-Braggin, Frederick Elliston, Jane English, 1977 Contemporary philosophers explore both sides of the moral issues involved in feminism: sex roles, the language of sexism, preferential hiring, marriage, rape, and abortion.

Philosophy and Life A. C. Grayling, 2023-04-06 Grayling brings satisfying order to daunting subjects. Steven Pinker: An enthusiastic thinker who embraces humour, common sense, and lucidity. Independent _____ From the eminent philosopher, an authoritative exploration of the great questions of how to live. There is a question everyone has to ask and answer in fact has to keep on asking and keep on answering: It is, How should I live? my life meaning? What values shall I live by? What sort of person should I be? What shall I aim for? The great majority of people do not ask this question; they merely answer it unthinkingly by adopting conventional views of life and what matters in it. From Stoics to existentialists, in philosophy and literature, discussion of the philosophy of life, of love and death, of courage, fortitude, and wisdom challenges us all to think about what kinds of life are truly worth living. In this summation of a lifetime thinking and writing about this great question, A. C. Grayling explores with clarity and depth the ideas that each of us must use in answering it for ourselves. Drawing on the lives, experiences, and works of a fantastically eclectic range of thinkers, taking in not only philosophers such as Confucius, Seneca, and Nietzsche, but also authors from Shakespeare to Ursula LeGuin and modern thinkers such as Martha Nussbaum and Bernard Williams, *Philosophy and Life* brings together wisdom from across eras and continents in a tour de force on the philosophy of being human in a complicated world.

Stephen King and Philosophy Jacob M. Held, 2016-08-15 Haunting us with such unforgettable stories as *The Shining*, *The Shawshank Redemption*, *Salem's Lot*, *Carrie*, *The Green Mile*, and *Pet Sematary*, Stephen King has been an anchor of American horror, science fiction, psychological thrillers, and suspense for more than forty years. His characters have brought chills to our spines and challenged our notions of reality while leaving us in awe of the perseverance of the human spirit. The first book in the new Great Authors and Philosophy series, *Stephen King and Philosophy* reveals some of the deeper issues raised by King's work. From retribution, freedom, and moral relativity to death and insanity, the chapters of this book expose

how King's stories access the questions and fears that haunt each of us in the middle of the night Contributions by Katherine Allen Randall E Auxier Charles Bane Matthew Butkus Kellye Byal Cam Cobb Timothy Dale Paul R Daniels Joseph J Foy Bertha Alvarez Manninen Tuomas W Manninen Garret Merriam Michael K Potter and C Taylor Sutton **Sexual Identity: The Harmony of Philosophy, Science, and Revelation** John D. Finley, PhD, Cara Buskmiller, MD, Paul W. Hruz, MD, PhD, Patrick W. Lappert, MD, Andrew Sodergren, PsyD, Lawrence J. Welch, PhD, 2022-07-01 Have man and woman become meaningless categories Public promotion of transgender identities same sex marriage and surrogate parenthood indicate that we no longer view male and female as central to human flourishing Perhaps man and woman amount to nothing more than one's own self expression Many intuitively resist such a view but feel unable to respond in light of woke rhetoric from media driven voices carrying the apparent blessings of science We need to recall who and what we are Sexual Identity The Harmony of Philosophy Science and Revelation takes up anew the questions What is a man and What is a woman Taking a holistic approach the book is co authored by experts from different fields philosophy obstetrics and gynecology endocrinology psychology plastic surgery and theology For the sake of accessibility the style is thoughtful but not academic Each chapter includes review points along with suggestions for further reading The authors include recognized practitioners in their fields who have spoken nationally and internationally to audiences concerned with today's crisis over the meaning of sexuality Sexual Identity assembles these voices into a coherent whole Written by experts for non specialists it offers a comprehensive vision of the human sexual identity male and female It offers much needed wisdom to see through the deceptions that afflict our time Contributors Cara Buskmiller MD John D Finley PhD Paul W Hruz MD PhD Patrick W Lappert MD Andrew Sodergren PsyD Lawrence J Welch PhD **Friendship in Medieval Iberia** Antonella Liuzzo Scorpo, 2016-04-15 Private and public relationships frequently labelled as friendships have always played a crucial role in human societies Yet over the centuries ideas and meanings of friendship transformed adapting to the political and social climates of different periods Changing concepts and practices of friendship characterized the intellectual social political and cultural panorama of medieval Europe including that of thirteenth century Iberia Subject of conquests and Reconquest land of convivencia but also of political instability as well as of secular and religious international power struggles the articulation of friendship within its borders is a particularly fraught subject to study Drawing on some of the encyclopaedic vernacular masterpieces produced in the scriptorium of The Wise King Alfonso X of Castile 1252-84 this study explores the political religious and social networks inter faith and gender relationships legal definitions as well as bonds of tutorship and companionship which were frequently defined through the vocabulary and rhetoric of friendship This study demonstrates how the values and meanings of amicitia often associated with classical Roman Visigothic and Eastern traditions were transformed to adapt to Alfonso X's cultural projects and political propaganda This book contributes to the study of the history of emotions and cultural histories of the Middle Ages while also emphasizing how Iberia was a peripheral but still vital ring in a chain which linked it to the rest of

Europe while also occupying a central role in the historical and cultural developments of the Western Mediterranean

Essays in the Philosophy of Religion Philip L. Quinn, 2006-10-12 This volume presents a selection of essays by the late Philip Quinn one of the world's leading philosophers of religion Quinn left behind an influential body of work on a wide variety of topics He was the author of *Divine Commands and Moral Requirements* 1978 and of more than two hundred papers in philosophy Fourteen of his best and most influential contributions to the philosophy of religion are gathered here The papers have been organized around the following topics religious epistemology religious ethics religion and tragic dilemmas religion and political liberalism topics in Christian philosophy and religious diversity

Tragedy and Philosophy. A Parallel History Agnes Heller†, 2021-03-08 Completed shortly before her death in 2019 *Tragedy and Philosophy* is the sum of Agnes Heller's reflections on European history and culture seen through the prism of Europe's two unique literary creations tragedy and philosophy Part 1 traces their parallel history from ancient Athens to rebirth in early modern London and Paris Part 2 explores the interactions between post-metaphysical philosophy and post-tragic drama from the eighteenth through to the twentieth centuries Heller's perspective is post-Hegelian the story of European culture can only be told from its end the generalization of modernity across the globe In this sense Part 3 is Heller's farewell to the grand narrative of European history and culture as well as her own personal farewell to philosophy

The Philosophy of Sex Raja Halwani, Jacob M. Held, Natasha McKeever, Alan Soble, 2022-02-28 With twenty-five essays seven of which are new to the eighth edition this best-selling volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Love Between Equals A Philosophical Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Love Between Equals A Philosophical PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Love Between Equals A Philosophical PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Love Between Equals A Philosophical free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Love Between Equals A Philosophical Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Love Between Equals A Philosophical is one of the best book in our library for free trial. We provide copy of Love Between Equals A Philosophical in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Love Between Equals A Philosophical. Where to download Love Between Equals A Philosophical online for free? Are you looking for Love Between Equals A Philosophical PDF? This is definitely going to save you time and cash in something you should think about.
