## **Men And Masculinities Theory Research And Social Practice:**

Men And Masculinities Haywood, Chris, Mac an Ghaill, Mairtin, 2003-01-01 Through a broad critical review of masculinity studies the book provides an original synthesis of main theories key concepts and empirical research Designed to provide an up to date guide to the field it combines the traditional sociological enquiry into the family work and education with contemporary concerns about multiple identities globalization and late modernity *College Men and Masculinities* Shaun R. Harper, Frank Harris, III, 2010-03-08 COLLEGE MEN AND MASCULINITIES is a comprehensive handbook that offers a compilation of the best classic and contemporary research on male students in higher education The editors Shaun R Harper and Frank Harris III two experts in the field of men and masculinities frame each of the six sections of the book with a summary of issues and implications for educational practice Each section also includes a wealth of forward thinking strategies and suggestions that faculty and institutional leaders can creatively employ on their campuses to reverse problematic trends and outcomes among male undergraduates With contributions from leading scholars in education sociology psychology and other disciplines College Men and Masculinities explores the following issues in depth Identity development and gender socialization Sexualities and sexual orientations Destructive behaviors judicial offenses alcohol abuse and violence Health and wellness College men of color College men and sports This vital resource will help educators and administrators address the alarming trends and issues that arise from identity related challenges among boys and college men What a valuable resource This book includes some of the most influential research and theory on all aspects of collegiate masculinity from sports to spirituality hazing to hook ups and alcohol to assault Always sensitive to how different groups of men experience college life Harper and Harris s book will surely become the touchstone text for those who work with or study college men Michael Kimmel author of Manhood in America and professor of sociology Stony Brook University Essential reading for all who care about gender equity this book advances the conversation about men in college at the critical nexus of identity development culture and relationship enabling faculty and student affairs administrators to build more thoughtful and challenging educational environments for men from diverse populations Susan Marine Women s Center director and assistant dean for student life Harvard University This book offers educators and administrators much needed guidance for understanding and effectively meeting the developmental academic and social needs of undergraduate men Chauncey Smith undergraduate student leader Morehouse College **Men, Masculinities and Social Theory (RLE Social Theory)** Jeff Hearn, D.H.J. Morgan, 2014-08-13 This volume presents a series of illustrative and critical perspectives upon the developing study of men and masculinities and its importance for sociological theory The contributions by women and men from Britain and the United States are organized around the unifying themes of Power and Domination Sexuality Identity and Perception Feminism has raised profound questions for the social sciences for sociological theory and for the study of men The contributors to this volume discuss how such questions can be addressed They demonstrate the range of

theoretical traditions that can be brought to bear on the study of men and underline the importance of understanding masculinities in the plural In a concluding section three different views upon the controversy surrounding Men s Studies are presented      *Understanding Men And Health: Masculinities, Identity And Well-Being* Robertson, Steve,2007-09-01 Based on empirical research and data this book provides an interdisciplinary exploration of the links between men health policy gender and masculinity      *The Palgrave Handbook of Power, Gender, and Psychology* Eileen L. Zurbriggen,Rose Capdevila,2023-12-28 The Palgrave Handbook of Power Gender and Psychology takes an intersectional feminist approach to the exploration of psychology and gender through a lens of power The invisibility of power in psychological research and theorizing has been critiqued by scholars from many perspectives both within and outside the discipline This volume addresses that gap The handbook centers power in the analysis of gender but does so specifically in relation to psychological theory research and praxis Gathering the work of sixty authors from different geographies career stages psychological sub disciplines methodologies and experiences the handbook showcases creativity in approach and diversity of perspective The result is a work featuring a chorus of different voices including diverse understandings of feminisms and power Ultimately the handbook presents a case for the importance of intersectionality and power for any feminist psychological endeavor

*The Dialogical Self Theory in Education* Frans Meijers,Hubert Hermans,2017-10-20 This edited volume offers cross country and cross cultural applications of Dialogical Self Theory within the field of education It combines the work of internationally recognized authors to demonstrate how theoretical and practical innovations emerge at the highly fertile interface of external and internal dialogues The Theory developed by Hubert Hermans and his colleagues in the past 25 years responds fruitfully to the issue of educational experts hitherto working in splendid isolation and does so by combining two aspects of Dialogical Self Theory the dialogue among individuals as well as dialogical processes within individuals in this context students and teachers It is the first book in which Dialogical Self Theory is applied to the field of education In 13 chapters authors from different cultures and continents produce theoretical considerations and a wide variety of practical procedures showing that this interface is an ideal ground for the production of new theoretical methodological and practical approaches that enrich the work of educational researchers and specialists Academics practitioners and postgraduate students in the field of education particularly those who are interested in the innovative and community enhancing potentials of dialogue will find this book valuable and informative Ultimately the work presented here is intended to inspire more self reflection and creative ways to engage in new conversations that can respond to real world issues and in which education can play a more vital role      *Men, Masculinities and Sexualities in Dance* Andria Christofidou,2021-08-11 This book examines men masculinities and sexualities in Western theatrical dance offering insights into the processes actions and interactions that occur in dance institutions around gender transgressive acts and the factors that set limits to transgression This text uses interview and observation data to analyze the conditions that encourage some boys and young men to become involved

in this widely unconventional activity and the ways through which they negotiate the gendered and sexual attachments of their professional identity Most importantly the book analyzes the opportunities male dancers find to develop a reflexive habitus engage in gender transgressive acts and experiment with their sexuality At the same time it approaches gender and sexuality as embodied and therefore as parts of identity that are not as easily amendable This book will be of interest to scholars in Gender and Sexuality Studies as well as Dance and Performance Studies **Men, Masculinities and Honour-Based Abuse** Mohammad Idriss,2019-12-06 This book explores the largely neglected relationship between men

masculinities and honour based abuse HBA There is a common misconception that HBA whether physical violence emotional abuse or so called honour killings occurs only against women This book addresses the gap in the current literature concerning the relationship between men masculinities and HBA With contributions from an international and interdisciplinary range of both academics and professionals the book examines HBA and forced marriages specifically from male victim perspectives both in the UK and internationally Providing a clear understanding of the main theoretical and sociological explanations of HBA against male victims the book demonstrates that although men are indeed the main perpetrators of HBA state agencies must address the fact that many men are also victims This book is essential reading for students academics and practitioners alike Social Theories for the Anthropocene Phoebe Godfrey,Ordoitz

Galilea,2025-11-24 This unique textbook introduces undergraduate students to key social theories from classical multicultural global and indigenous perspectives while also inviting them to understand social theories as stories that create our culturally specific social realities The readings in this collection emphasize the ways our culturally perceived social environmental divide has historically been constructed to the detriment of both society and the environment Social Theories for the Anthropocene offers students the theoretical tools necessary to re imagine and re dream First to re imagine what it means to be human as we culturally define it Second to rethink how to apply such new possibilities to the transformation of Western culture from its current self destructive trajectory to something more equitable and more sustainable Placing readings from classical social theory in dialogue with writings from a diverse range of modern thinkers this timely reader will be indispensable for undergraduate students and instructors undertaking courses on social theory the environment climate change and ecology Debating Childhood Masculinities Utsa Mukherjee,2024-09-16 Foregrounding children s agency and voices this expert collection brings together cutting edge interdisciplinary scholarship to examine how childhood

Weaver- Hightower,Christine Skelton,2013-09-04 Gender studies are a key lens through which education has been examined in the past forty years having

become an accepted and popular subfield in educational foundations studies Moreover scholars in gender and education have made tremendous contributions well beyond education influencing humanities and social sciences scholars across the academy Hearing the stories of these scholars their development education important works and thoughts on the future offers unique insights into the genesis and growth of the field and gives new scholars an overview of advances made Leaders in Gender and Education Intellectual Self Portraits does just that showing the history of gender and education through the eyes of 16 of its leaders By recounting their experiences and scholarly work they trace the development of feminist and profeminist research on girls on boys and on the issues shaping both gender and education issues like race sexuality neoliberalism globalization and more Importantly the volume has a global focus including scholars from the United States Canada the United Kingdom and Australia This diversity gives readers a broad sense of the progress of gender scholarship in education around the world Each essay provides students and researchers alike with not only background on the 16 scholars included but also the lists of major works chosen by contributors themselves direct readers to some of the most important scholarship on gender and education Taken together further the contributors thoughts on the future of the field provide glimpses of productive directions for studies of gender and education Masculinity and New War David

Durriesmith,2016-11-03 This book advances the claims of feminist international relations scholars that the social construction of masculinities is key to resolving the scourges of militarism sexual violence and international insecurity More than two decades of feminist research has charted the dynamic relationship between warfare and masculinity but there has yet to be a detailed account of the role of masculinity in structuring the range of volatile civil conflicts which emerged in the Global South after the end of the Cold War By bridging feminist scholarship on international relations with the scholarship of masculinities Durriesmith advances both bodies of scholarship through detailed case study analysis By challenging the concept of new war he suggests that a new model for understanding the gendered dynamics of civil conflict is needed and proposes that the power dynamics between groups of men based on age difference ethnicity location and class form an important and often overlooked causal component to these civil conflicts Exploring the role of masculinities through two case studies the civil war in Sierra Leone 1991 2002 and the Second Sudanese Civil War 1983 2005 this book will be of great interest to postgraduate students practitioners and academics working in the fields of gender and security studies

**Cultures of Masculinity** Tim Edwards,2004-08-02 Presenting a survey of the social cultural and theoretical issues which surround and inform our understanding of masculinity this book explores the interface between traditional sociological approaches and the work covered by more post structural media driven or cultural perspectives Edwards well known for his work on representations of masculinities uses grounded examples of the job market and domestic violence to set his theoretical discussion He argues that there is a need for more dialogue on men and masculinities between disciplines and considers the validity of the concerns and anxieties which surround masculinity in the contemporary world through a range

of key topics including the new man the new lad and men's movements men's masculinity and violence marginalized masculinities black masculinity and gay male sexuality queer theory performativity and fashion cinema representation and the body One of the most comprehensive and progressive studies of modern masculinity available this book will be essential reading for students of gender culture and sociology      *Schooling Sexual Cultures* Louisa Allen, 2017-03-31 Moving beyond the traditional focus on curriculum and pedagogy this volume explores hidden dimensions of sexuality education in schools and how sexual meanings are produced Challenging the standard understandings of sexuality education Allen discusses how students' knowledge of sexualities is often learnt outside the official school curriculum in informal spaces such as the sports field gym locker rooms and peer groups By employing visual methods and analysing student photo diaries Allen's original book captures a sexual culture of schooling that allows readers to literally see through young people's eyes Introducing theoretical ideas in relation to queer theory and new feminist new materialisms this volume calls for a re-conceptualization of how sexuality comes into being at school in order to take account of its material spatial and embodied elements

Perspectives on the Educational Experiences of African/Caribbean Boys Nisheet Gosai, 2011-09-22 This study critically explores contemporary African Caribbean boys 15-16 years old educational experiences in the UK It focuses on their lives from both within and outside the school Various research methods are employed in order to gain a comprehensive picture that includes the accounts of African Caribbean boys parents teachers and youth workers The study explores both the boys' positive and negative experiences of school life At one level the boys' narratives suggest a nothing but the same old story of racial exclusion and subordination within urban secondary schools At another level we hear of the importance of education in their lives Of particular significance is the evidence of how black supplementary schools and youth organisations are providing an educational space that positively supports them in their transition into adulthood The study makes recommendations for educationalists and policy makers based on the findings This includes the need to understand the boys' experiences of racial exclusion and the complexities around the intersection of race gender and class for a younger generation at the start of the twenty-first century In comparing mainstream and supplementary educational spaces the boys identify the need to build an inclusive mainstream curriculum that represents the historical past and cultural present of their lives Importantly the study vividly highlights contrasting teacher-pupil interactions between these two educational spaces suggesting what the former can learn from the latter

**Masculinity and Aspiration in an Era of Neoliberal Education** Garth Stahl, Joseph Nelson, Derron Wallace, 2017-03-16 This collection investigates the ways in which boys and young men negotiate neoliberal discourse surrounding aspiration and how neoliberalism shapes their identities Expanding the field of masculinity studies in education the contributors offer international comparisons of different subgroups of boys and young men in primary secondary and university settings A cross-sectional analysis of race gender and class theory is employed to illuminate the role of aspiration in shaping boys' identities which adds nuance to their complex identity work in neoliberal

times      Fatherhood in Late Modernity Mechtild Oechsle, Ursula Müller, Sabine Hess, 2012-08-09 Changes in Fatherhood How do structural changes in the welfare state in gender relations and work affect concepts and realities of fatherhood The authors analyse cultural images and representations of fatherhood varieties of fatherhood in relation to social backgrounds organisational influences as well as the impact of political and legal interventions on configurations of fatherhood With an interdisciplinary approach this book's contributions investigate the sometimes contradictory relationship between cultural representations and social practices of fatherhood They contextualise diverse fatherhoods in various social backgrounds ethnicities ages and different national contexts Reflecting methodological challenges is crucial to the volume's approach Which parameters are used to quantify change Which links and interactions between cultural individual organizational and societal dimensions do exist regarding the development of new social configurations of fatherhood How can the complex interaction between structural constraints and agency be analysed Can certain agents of change be identified How can social change be conceptualized This volume links to international comparative research and shows how fruitful it can be to break disciplinary boundaries      *Gender, Modernity and Male Migrant Workers in China* Xiaodong Lin, 2013-07-18 Rural urban migration within China has transformed and reshaped rural people's lives during the past few decades and has been one of the most visible phenomena of the economic reforms enacted since the late 1970s Whilst Feminist scholars have addressed rural women's experience of struggle and empowerment in urban China in contrast research on rural men's experience of migration is a neglected area of study In response this book seeks to address the absence of male migrant workers as a gendered category within the current literature on rural urban migration Examining Chinese male migrant workers identity formation this book explores their experience of rural urban migration and their status as an emerging sector of a dislocated urban working class It seeks to understand issues of gender and class through the rural migrant men's narratives within the context of China's modernization and provides an in depth analysis of how these men make sense of their new lives in the rapidly modernizing post Mao China with its emphasis on progress and development Further this book uses the men's own narratives to challenge the elite assumption that rural men's low status is a result of their failure to adopt a modern urban identity and lifestyle Drawing on interviews with 28 male rural migrants Xiaodong Lin unpacks the gender politics of Chinese men and masculinities and in turn contributes to a greater understanding of global masculinities in an international context This book will be of great interest to students and scholars working in the fields of Chinese culture and society gender studies migration studies sociology and social anthropology Shortlisted for this year's BSA Philip Abrams Memorial Prize      **Chinese Fatherhood, Gender and Family** Mario Liong, 2017-01-16 This book is about how Chinese men make sense of and practise fatherhood within the context of changing gender conventions and socio cultural conditions Liong analyses data from participant observations at a men's centre focus groups and in depth interviews to assess the subjective experience and identities of Chinese fathers in Hong Kong from a gender perspective His findings show that

economic provision education and marriage are the three natural and normal domains of paternity Not being able to fulfil these requirements is a threat to fathers masculinity yet is also an opportunity for fathers to reflect upon these accepted conventions In order to compensate these men typically develop a closer and more caring relationship with their children however these fathers still struggle with feelings of inferiority
