Metta The Practice Of Loving Kindness:

Metta Nagabodhi, 2003-11-26 Metta or loving kindness lies at the heart of Buddhism. It is kindness at its purest and strongest, a loving response to all life. In this book, seven experienced meditators share their reflections on the nature of metta and give instructions and advice on its cultivation in meditation and in daily life. A little gem of a book. *Metta* Sayadaw U. Indaka, 2004

Loving-Kindness in Plain English Henepola Gunaratana, 2017-03-14 With his signature clarity and warmth, Bhante Gunaratana shares with us how we can cultivate loving kindness to live a life of joyful harmony with others. Through personal anecdotes, step-by-step meditations, conversational renderings of the Buddha's words in the suttas, and transformative insights into how we live in and relate to the world, we learn that peace here and now is possible within ourselves and in all our relationships. Bhante G speaks directly to how we can cultivate loving kindness to find emotional clarity, overcome anger, and become more peaceful both on and off the meditation cushion. Living Kindness Kevin Griffin, 2022-12-27 To live kindness is to express the essential Buddhist wisdom of selflessness. Through stories from the ancient Pali canon of Buddhism and personal reflections on modern life, Dharma teacher Kevin Griffin reveals the richness and multifaceted nature of loving kindness or metta on the Buddhist path. Along with the other brahmaviharas or divine abodes of compassion, sympathetic joy, and equanimity, the practice of loving kindness is not only a meditation technique; it's a radical way of life based in wisdom, ethics, and compassion for all beings. As one friend on the spiritual path speaking to another, Griffin explores the human dimension of what can sometimes seem like lofty philosophy. What would it mean to be completely free of ill will? How do we love without clinging? Can we expand our loving kindness beyond the human realm to encompass the Earth itself? And how does loving kindness relate to the ultimate Buddhist goal of enlightenment? Through guided practices and illuminating explorations of classical texts like the Metta Sutta, readers are invited to deepen their understanding of a core Buddhist teaching.

Lovingkindness Sharon Salzberg, 2020-02-04 The classic and inspiring book on finding love in our own hearts from the New York Times bestselling author of *Real Happiness* and *Real Change*. The revered spiritual teacher shows us how to live radiant, joyful lives by utilizing the Buddhist path. In this profound exploration of the deepest meanings of love, empathy, and caring, Daniel Goleman, author of *Emotional Intelligence*, shows us how to love ourselves more deeply and find a greater sense of connection with others. Our fear of intimacy, both with others and with ourselves, creates feelings of pain and longing. But these feelings can awaken in us the desire for freedom and the willingness to take up the spiritual path. In this inspiring book, Sharon Salzberg, one of America's leading spiritual teachers, shows us how the Buddhist path of lovingkindness can help us discover the radiant, joyful heart within each of us. This practice of lovingkindness is revolutionary because it has the power to radically change our lives, helping us cultivate true happiness in ourselves and genuine compassion for others. The author draws on simple Buddhist teachings, wisdom stories from various traditions, guided meditation practices, and her own
